

The diagram consists of three rows of boxes. The top row has 20 boxes. The middle row has 20 boxes, starting from the same left position as the top row. The bottom row has 10 boxes, starting from the 5th box of the top row and ending at the 14th box of the top row.

A grid of 100 empty square boxes arranged in 10 rows and 10 columns, intended for a 100-day calendar.

A large grid of small squares, arranged in 10 rows and 20 columns. A faint, stylized 'R' watermark is centered over the grid. The grid is composed of small squares, some of which are shaded gray, forming the letters 'R' and 'Q' in a large, stylized font. The 'R' is formed by a thick gray outline, and the 'Q' is formed by a thick gray outline with a small square in the center. (ii) 

A large grid of empty boxes for handwriting practice, consisting of 10 rows and 25 columns. The boxes are arranged in a regular pattern, with some rows having a slightly different number of boxes at the end.[illegible]

A 3x25 grid of squares. A large gray arch starts at the 7th square of the top row and ends at the 17th square of the bottom row. A smaller gray arch starts at the 10th square of the middle row and ends at the 14th square of the bottom row.

[illegible]A 10x20 grid of squares, with a large gray spiral graphic in the bottom right corner. The spiral starts from the bottom right and moves in a clockwise direction, expanding outwards. The grid is composed of 20 columns and 10 rows of squares. The spiral graphic is a thick, gray line that starts at the bottom right corner and moves in a clockwise direction, expanding outwards. It covers the bottom right portion of the grid, starting from the bottom right corner and moving towards the top left. The spiral is composed of several concentric loops, with the outermost loop being the largest and the innermost loop being the smallest. A large grid of small squares, resembling graph paper, with a faint, stylized 'Q' watermark in the center. The grid is composed of many small squares arranged in rows and columns. The watermark is a large, light gray 'Q' that spans across the middle of the grid. The grid is mostly empty, with only a few squares filled with a light gray color, forming the shape of the 'Q' watermark. The watermark is centered horizontally and vertically within the grid. The grid is composed of many small squares, each with a thin gray border. The watermark is a large, light gray 'Q' that is semi-transparent, allowing the grid lines to be seen through it. A handwriting practice grid consisting of 10 rows and 25 columns of squares. The first row starts with a gap of approximately 5 square widths, followed by 24 squares. The subsequent 9 rows are full, each containing 25 squares.
