F. 5-1/2013 (CPP-II)--In exercise of the powers conferred by sub-Section (3) of Section 22 of the University Grants Commission Act, 1956 (3 of 1956) and in supersession of all earlier Gazette Notifications pertaining to specification of degrees, the University Grants Commission (UGC) with the approval of the Central Government hereby specifies the nomenclature of degree for the purposes of the said section. SPECIFIED DEGREES Broad discipline-wise nomenclatures of degrees at all levels of higher education should be taken as the specified degree, which the universities/hstitutions must adhere to, are given below. Alongside the nomenclature of the degrees, minimum entry-level qualifications and duration of the programmes have also been indicated. The information is presented in a tabular form for clarity. In the bottom-most row of each table, nomenclatures of degrees that are presently in vogue in some institutions were found to be neither conventional, nor reflective of a real innovation in knowledge and are de-specified with the suggestion that the same may be restructured/changed as suggested therein. Universal/Common to All Disciplines Specified Degrees 1. 2. 3. 4. 5. 6. 7. 8. 9. 10. 11. 12. 13. 14. 15

PART III—SEC. 4] Guiding Principles: THE GAZETTE OF INDIA, JULY 5, 2014 (ASADHA 14, 1936) 2993 Degrees should be specified in generic terms and their nomenclatures should be such that are generally recognised, globally acknowledged and widely accepted and are indicative of the level of the degrees and the broad subject/ discipline/ knowledge area universities/institutions, in curricular innovation, shall have the freedom to indicate uniqueness/ specialisation in parentheses against the specified generic degrees. Universities/institutions may introduce Integrated and Dual Degree Programmes judiciously and with caution. A dual degree programme combines more than one subject, mostly in a horizontal spread, whereas an Integrated Programme is progressive and cumulative. The academic philosophy/rationale behind offering such integrated programmes should not be for economising on course requirements or award of double degrees in a fast track; on the contrary, an integrated approach should involve a vertical/hinter-disciplinary discourse. A dual degree should aim for a better comprehension of the related subjects of study from a multi-dimensional perspective. This would necessarily entail an equal, if not more, course duration and a newer approach of curricular transaction and additional interactive courses. Thus an IntegratedDual Degree Programme combining two or more disciplines shall be permissible only if there is no compromise on any of the course requirements, viz. duration, number of papers and intensity of courses, teaching/learning hours, credits, etc. Integrated and Dual Degree Programmes are therefore, be introduced by the universities/ institutions subject to the following conditions: a) b) c) The Integrated/Dual Degree Programmes must not dilute the standards as prescribed under the Regulations made by the UGC and other Statutory authorities concerned in terms of syllabi, programme duration and examination requirements. If the Integrated/Dual Degree Programmes intend to offer two separate degrees with an option for an interim exit or lateral entry, the duration of the Integrated/Dual Degree Programme must not be less than the duration equal to the sum total of the prescribed duration of the two degrees that are being combined in the Integrated/Dual Degree Programme. Provided that all such programmes would carry the nomenclature of "Integrated/Dual Degree (name of the first degree) - (name of the final degree)". Provided further that both the degrees awarded under the Integrated/Dual Degree programme shall be individually and separately recognised as equivalent to corresponding degrees and not as one single integrated degree.

If the Integrated Programme intends to offer a single degree without permission to exit and lateral entry, the programme duration may be relaxed by not more than 20% of the sum total of the prescribed duration of the two degrees that are being combined to make the single Integrated degree. General Instructions: 1. 2. 3. 4. 5

6. All the changes in the nomenclature of the degrees, as notified herewith will come into effect from the date of their notification in the official Gazette. The above specified degrees shall be awarded by a University established or incorporated by or under a Central Act, a Provincial Act or a State Act or an institution deemed to be a University under section 3 or an institution specially empowered by an Act of Parliament to confer or grant degrees under section 22 of the UGC Act, 1956. No University shall confer a degree in violation of the provisions of this notification. It shall be mandatory for the Universities to adhere to the approved nomenclature of the degree(s) and ensure the observance of the minimum standards of instructions before award of a degree as hereinafter prescribed. The approved nomenclature may be followed by the specific area of specialization to be reflected in parentheses. The universities may launch new programmes of study relevant to the contemporary and emerging societal needs and such innovation or specialization may be indicated in the parentheses within the nomenclature of any of the specified degrees in the broad discipline/ areas. The specified degrees shall be reviewed and updated by the UGC from time to time under intimation to all the universities. Specification of New Degrees 7

8. Henceforth, the Universities shall not introduce any new nomenclature of degrees unless there is a very strong and genuine reason. Should a University intend to introduce a new nomenclature, it shall approach the UGC for its specification at least six months prior to starting the degree programme along with the details of the courses of study prescribed for the degree as approved by the respective academic bodies of the university / institution, such as — Board of Studies, Academic Council and Governing Council. All the universities (including affiliated colleges thereto) shall observe the minimum standards of instruction and prescribed norms for the grant of a degree which shall be imparted by the duly qualified teaching staff and appropriate academic physical infrastructure facilities as prescribed by the concerned statutory / regulating bodies, such as University Grants Commission (UGC), All India Council for Technical Education (AICTE), Medical Council of India (MCI), Pharmacy Council of India (PCI), Council for Architecture (COA), Bar Council of India 1994 9. THE GAZETTE OF INDIA, JULY 5, 2014 (ASADHA 14, 1936) [PART III—SEC. 4 (BCI), National Council for Teachers Education (NCTE), Dental Council of India (DCI), Indian Nursing Council (INC), etc. in their respective notifications/ regulations. The specified degrees offered by a University and the minimum standards of instruction and norms prescribed as laid down by the concerned statutory / regulatory bodies shall be prominently published in the admission brochure of concerned University / affiliated College and shall also be made available in their website. Inspection by UGC 10. 11

12. Each University shall furnish information relating to the conformity to the above standards of instructions (including its affiliated colleges) to the UGC. The UGC may cause periodic inspection of the University and its affiliated colleges including extension/ regional/ study centers and such other facilities offering the courses leading to a degree. After such inspection, the UGC may give reasonable opportunity to the defaulting Universities / affiliated colleges to rectify the identified deficiency/ non-conformity. Consequences of failure of Universities to comply with these instructions: 13. 14. 15. 16

17. The defaulting University / Affiliated College shall be prohibited from offering any course for the award of unspecified degree. Any degree awarded in contravention to this notification shall be deemed to be an unspecified degree and shall be declared as such by the UGC after duly satisfying itself as to the violation of this notification. The UGC shall give due publicity regarding the defaulting Universities/ colleges and unspecified degrees offered by them for the information of the general public. It shall be the responsibility of the respective University to keep a watch over the observance of prescribed norms by itself and by the affiliated colleges and disaffiliate the defaulting colleges to the extent of violations. The UGC shall forward a copy of the order made under clause 14 above to the university concerned, and on and from the date of receipt of a copy of such order by the university, the affiliation of such an institution, so far as it relates to the course of study specified in such order, shall stand terminated. On and from the date of termination of such affiliation, and for the period of three years thereafter, approval shall not be granted to that institution to start such or similar degree or post-graduate degree programme.

Contravention of the provisions relating to the specification of degrees as above shall also render the defaulting university and affiliated colleges liable for action as deemed fit by the UGC. 'i Status of De-specified degrees The degrees which were specified in the earlier notification issued on 23.5.2009 but have now been de-specified, 18. shall be treated as valid in case of the students who have already been enrolled in such degree programmes prior to this notification.
