Short title and commencement (1) These regulations may be called the Petroleum and Natural Gas Regulatory Board (Determination of Natural Gas Pipeline Tariff) Amendment Regulations, 2010. (2) They shall come into force on the date of their publication in the Official Gazette

2. Amendment of Schedule A In Schedule A of the Petroleum and Natural Gas Regulatory Board (Determination of Natural Gas Pipeline Tariff) Regulations, 2008, after clause 9, the following clause shall be inserted, namely : "10.Adjustment of volume variation in Tariff computation after final computations of initial unit natural gas pipeline tariff. (1) Adjustments shall be carried out in the final unit natural gas pipeline tariff determined under sub-

(a) (b) the actual volumes are higher than the normative volume considered as divisors for determination of the final unit natural gas pipeline tariff on the basis specified in item (a) of sub-clause (1) of clause 6; or the actual volumes are higher than the normative volume considered as divisors for determination of the final unit natural gas pipeline tariff on the basis specified in item (a) of sub-clause (I) of clause 6 but are lower than that considered for determination of the final unit natural gas pipeline tariff. (2) (3) (4) (5) When the actual volumes are lower than the normative volumes in any of the first five years of natural gas pipeline operations, a set-off of the impact of such lower volumes shall be permitted. Such set-off shall be allowed only to the extent of the impact of higher actual volumes passed on in any of the first five years and the balance if any, shall be carried over to subsequent years, but not beyond the first five years of natural gas pipeline operation, to be allowed for adjustment only in case there are higher actual volumes. An audited statement showing actual volume shall be submitted by the entity to the Board after the conclusion of each year of the first five years of natural gas pipeline operations to enable the Board to advise the necessary adjustments. A pro-rata adjustment in apportionment of the unit natural gas pipeline tariff over all the tariff zones determined by the Board under clause 8 of Schedule A to the Petroleum and Natural Gas Regulatory Board (Detemination of Natural Gas Pipeline Tariff) Regulations, 2008 shall also be made with customers to the extent of adjustment in the final unit natural gas pipeline tariff determined by the Board under this clause. The tariff so adjusted shall also be applicable for the subsequent period till the same is modified, adjusted or reviewed."
