ALL INDIA COUNCIL FOR TECHNICAL EDUCATION POLICY RESOLUTION New Delhi, the 20th November, 2002 No. F. 37-3[Legal (iv)/2002.— In exercise of the powers conferred under Section 23 of the All India Council for Technical Education Act, 1987 (52 of 1987), the All India Council for Technical Education hereby makes the following Regulation in form of Policy Resolution. AICTE during the process of granting approvals to various programmes in the past has experienced certain anomalies in the system. In order to facilitate promotion of technical education in a qualitative and quantitative manner and ensure coordinated and integrated development of technical and management education and maintenance of standards, AICTE time and again has been adopting various suggestions from the academia, State Govt. and other agencies for improvement in the approval process. The Executive Committee of AICTE has taken certain important policy decisions and pursuant to such decisions AICTE is determined to implement all these decisions which form the basis of this Resolution, from the academic year 2003-2004 onwards. 1) 2) 3) Any proposal for establishment of new technical institution or increase in intake or additional programme(s) has to be supported by the No Objection Certificate (NOC) of the concerned State Govt./UT Administration. The proposals without NOC shall not be considered by AICTE at any stage and such proposals shall stand rejected. The MCA shall henceforth be considered as a discipline for engineering colleges conducting IT related courses as specified by AICTE in its documents. Such proposals shall be considered by AICTE without having to insist for additional land provided adequate built up space is available in the engineering colleges as per AICTE norms. However, the institute is required to create separate joint FD for the MCA programme. AICTE has evolved a matrix for grant of approval of intake capacity to the various technical programmes which will be implemented from academic year 2003-2004 as may be stipulated in the AICTE application format and notified in the AICTE website: www.aicte.ernet.in. Further increase in the intake capacity is being linked with the status of the accreditation of that programme. The institutes are therefore required to seek accreditation of National Board of Technical Education (NBTE) programmes accredited. Accreditation (NBA) of AICTE for 4) 5) GAZETTE OF EXTRAORDINARY (PART III—SEC. Lateral Entry for B.Pharm Course:- The Council has decided that henceforth admission at the 3rd Semester of second year regular B. Pharm course may be allowed for the students who have acquired a Diploma in Pharmacy with a minimum of 60% marks (aggregate) from AICTE and PCI approved institutions. In addition to the sanctioned intake at first year level a maximum of 10% of the sanctioned intake will be allowed to be reserved for such students, under lateral entry scheme of AICTE. Lateral Entry for B. Arch course:- The Council has decided that henceforth admission at the 3rd Semester of second year regular B. Arch. course may be allowed for the students who have acquired three year Diploma in Architecture Assistantship subject to the condition that the candidates must have passed 10+2 and secured a minimum 60% marks in aggregate in the Diploma in Architectural Assistantship from AICTE and COA approved institutions. In addition to the sanctioned intake at first year level a maximum of 10% of the sanctioned intake will be allowed to be reserved for such students, under lateral entry scheme of AICTE. Admissions under lateral entry shall be allowed only in those schools of Architecture where at least one batch of 5yr B. Arch. Degree course has graduated. The details of guidelines of lateral entry scheme may be obtained from the concerned Bureau in AICTE. The major policies have been notified recently through AICTE website www.aicte.ernet.in which may be referred. The subsequent changes in the policy or any amendments to the existing policies shall be notified through AICTE website and/ or the "AICTE Handbook for Approval Process" which shall be treated as part of this Policy Resolution.
