The following provisions will replace sub para (6) and (7) of para 7.1 : 7.1(6) Investment by transmission developer including CTU/STUs would be invited through competitive bids. The Central Government has already issued tariff based competitive bidding guidelines for transmission service vide Gazette Notification dated 13th April, 2006. The tariff of the projects to be developed by CTU/STU after the period of five years or when the Regulatory Commission is satisfied that the situation is right to introduce such competition (as referred to in clause 5.1) would also be determined on the basis of competitive bidding. However, in the following cases the exemptions from competitive bidding route may be adopted: (i) First two experimental works for 1200 KV HVDC line. (ii) Works required to be done to cater to an urgent situation or which are required in a compressed time schedule by CTU/STUs as decided by the Central Government on a case to case basis. (iii) The intra-state transmission projects by STUs will be exempted from competitive bidding route for further 2 years beyond 6.1.2011. 7.1 (7) After coming into effect of the CERC Regulation on framework for the inter-State transmission, a similar approach should be implemented by SERCs in next two years for the intra-State transmission, duly considering factors like voltage, distance, direction and quantum of flow. These provisions shall come into force with effect from 6.1.11
