namely:- 1. Short title and commencement.- (1) These regulations may be called the Bureau of Energy Efficiency (Particulars and Manner of their Display on Labels of Colour Televisions) Regulations, 2016. (2) They shall come into force on the date of their publication in the Official Gazette

2. Definition.- (1) In these regulations, unless the context otherwise requires,- (a) (b) (c) (d) (e) (f) (g) (h) (i) O "Act" means the Energy Conservation Act, 2001 (52 of 2001) ; "colour television" means an appliance as specified in the notification under clause (b) of section 14 of the Act; "Form" means a form appended to these regulations; "label" means any written, printed, marked, stamped or graphic matter affixed upon, colour television; to, or appearing "label period" means the validity period of the annual energy consumption under energy consumption standard notified by the Central Government under clause (a) of section 14 and in case the end period of the validity period of the annual energy consumption is not notified, it shall be deemed to be valid until new values for the same are notified by the Central Government; "models or family of models" means the model or range of models of one particular brand, to which a single set of test reports is applicable and where each of the models has the same physical characteristics, annual energy consumption. energy efficiency rating and performance characteristics; "permittee" means a person or agency to whom permission has been granted to affix label under regulation "star rating or star level" means the grade of energy efficiency displayed on the label of the colour television based on energy consumption standard notified by the Central Government under clause (a) of section 14 of the Act to denote the annual energy performance of colour televisions; "trader or seller" in relation to any labelled colour television means a person who sells or distributes any such colour television and includes the shopkeeper, trader, manufacturer and permittee who has been given permission to affix label on such colour television. (2) Words and expressions used herein and not defined, but defined in the Act, shall have meanings respectively assigned to them in the Act

3. Particulars to be displayed on label.- (1) On every colour television, the following particulars shall be displayed on its label, namely:- (a) (b) (c) (d) (e) (f) (g) (h) (i) the logo of the Bureau of Energy Efficiency; name of manufacturer or importer and brand; screen size in centimeter; model number and year of manufacturing or import; equipment type; annual electricity consumption in kWh per year; star level; label period; and unique series code. 19 (2) The design, colour, size and content of label shall be as specified in the Schedule annexed to these regulations

4. Time limit for display of labels.- (1) A label containing all the particulars specified in regulation 3 shall be displayed on every colour television within a period of six months from the date of coming into force of these regulations. (2) On and from commencement of revised energy consumption standards notified by the Central Government under clause (a) of section 14 of the Act, every permittee or trader or seller shall ensure that- (a) the colour television put on sale shall display revised star level and revised label period synchronizing with the revised energy consumption standards and the manufacturing year of the colour television shall also be in synchronization with such revised energy consumption standards, and shall not produce the colour television with the previous energy consumption standards; (b) all preparatory steps including awareness of the dealers, retailers, requisite publicity for their education as well as for the education of the consumers shall be well planned and taken six months in advance of the date of such commencement, under these regulations

5. Manner of display of label.- (1) On every colour television, shall be displayed label at the point of sale and such label shall be affixed on the colour television in the following manner, namely:- (a) either non-sticky level pop type or it may be attached as a swing tag (Durable cardboard) on the front side; (b) self — adhesive label affixed on the back side; and (c) self — adhesive label affixed on the carton box. (2) For colour televisions not on display, the label may be affixed to the exterior of the packing and the label may be attached to the unit when put on sale

6. Permission for display of label.-(1) No star label shall be affixed on a colour television without obtaining the prior permission of the Bureau. (2) For the purpose of obtaining permission of the Bureau under sub-regulation (1), an application shall be made in

Form-I and in electronic form: Provided that separate application shall be made for each model of colour television. (3) Every application under sub-regulation (2) shall be accompanied by — (a) an application fee of two thousand rupees, payable by demand draft in favour of Bureau of Energy Efficiency, New Delhi or by any acceptable electronic mode of payment; (c) a label security fee of one lakh rupees, payable by demand draft in favour of the Bureau of Energy Efficiency, New Delhi; or by any acceptable electronic mode of payment: Provided that in case of small scale industry, label security fee shall be only twenty-five thousand rupees; and (c) documents specified in Form 1

7. Grant of permission.-(1) On receipt of an application under regulation 6 and after being satisfied that all requirements therein are complied with, the Bureau may, within a period of one month from the date of such receipt, grant, subject to such terms and conditions as/are specified in regulation 8, permission for affixing label on colour television in

Form 11 or in electronic form. (2) The Bureau shall maintain a register in Form III and enter the name of the permittee therein. (3) The permission so granted under sub-regulation (1) shall be valid for such period till which the star level specified by the energy consumption standard as notified by the Central Government under clause (a) of section 14 is in force. (4) An application for renewal of permission shall be made by the permittee from six months but not later than three months before its expiry and shall be accompanied by a fee of one thousand rupees payable in the form of demand draft or electronic mode in favour of the Bureau of Energy Efficiency, New Delhi. (5) No application shall be renewed after expiry of validity period, in which case the permittee shall make a fresh application. O 20 THE GAZETTE OF INDIA : EXTRAORDINARY [PART III—SEC. 4] (6) On receipt of application for renewal under sub-regulation (4) and after being satisfied that all requirements are complied with, the Bureau may, within a period of one month from the date of such receipt, renew permission in Form 11. (7) The permittee who seeks permission for continuance to affix label on the existing model of the colour television from the date from which the revised star level comes into force, shall submit only a declaration in Form IV. (8) The permittee shall seek permission to affix label afresh, if new model of the colour television is planned to be launched to synchronize with the revised star level and application for such permission may be made six months in advance of coming into force of the revised star level

8. Terms and conditions for display of particulars on label.— Every permittee, trader and seller shall comply with the following terms and conditions in displaying the particulars on label, namely:— (a) (b) (c) (d) (e) (f) (g) (h) the star level displayed on the label of colour television shall conform to energy consumption standards for colour television notified by the Central Government under clause (a) of section 14 of the Act ; the label shall be affixed only on such model of colour television for which permission has been granted; the label shall be printed and affixed on the colour television at the cost of the permittee: the permittee, trader and seller shall ensure that the star level displayed on the label of colour television shall be maintained at all time: the permittee shall pay the label fee as specified in regulation 9; the permittee shall furnish to the Bureau a statement containing details of production of labelled equipment and the accrued labeling fee due for each quarter within the following month of the close of each quarter of the financial year; the permittee shall furnish to the Bureau an updated list of authorised distributors, dealers, retailers, sellers appointed to sell their labelled products by day of April of each year; the permittee, trader and seller shall comply with such other terms and conditions which the Bureau may specify including those contained in the Bureau's Manual on Standard and Labelling

9. Label fee.—(1) Every permittee shall pay to the Bureau a label fee of ten rupees for each label affixed on the colour television. (2) The label fee specified under sub-regulation (1) shall be paid annually within one month from the date of closure of each financial year: Provided that on failure to pay the label fee within the period so specified, the Bureau may recover the amount due with interest thereon at ten per cent. per annum from the label security deposit made under clause (b) of sub- regulation (3) of regulation 6 and if complete labeling fees are not recovered within one year of the last date of submission, the Bureau may cancel all labels granted to the permittee and publish the name of the permittee in the newspapers as a defaulter

10. Refund of label security deposit.— Subject to the provisions of sub-regulation (2) of regulation 9, a permittee shall be entitled to a refund of the label security fee, on ceasing to manufacture colour television

11. Verification by Bureau.- (1) The Bureau or its designated agency may, either suo motu, or on a complaint received by it, carry out verification to ensure that the colour television conforms to the star level and other particulars displayed on its label and that it complies with the other terms and conditions of permission. (2) For the purpose of verification, samples shall be picked up at random by Bureau or its designated agency from the manufacturing facility, warehouse or the retail outlet as it deems fit. (3) Where, upon a complaint received under sub-regulation (1), the Bureau is required to carry out verification by challenge testing the colour television in an independent laboratory duly accredited by National Accreditation Board for Testing and Calibration Laboratories, a notice shall be issued to the permittee for carrying out such testing and the complainant shall be called upon to deposit, such expenses relating to testing, transportation and other incidental expenses with the Bureau, within such time, as may be determined by Bureau, and if the sample drawn under challenge III—ÜUZ 4] 21 testing fails. all expenses towards the cost of sample, transportation of sample and the testing charges shall be reimbursed by the permittee to the Bureau and the Bureau shall refund the aforesaid expenses to the complainant; and where the equipment passes the challenge test, then the expenses deposited by the complainant shall stand forfeited. (4) Where samples of colour television used for testing fails the test during suo motu testing or challenge testing, the permittee shall be afforded another opportunity and the Bureau shall conduct a second test with twice the quantity of colour television used in the first test in an independent test laboratory duly accredited by National Accreditation Board for Testing and Calibration Laboratories at the cost of the permittee. (5) Where the second test fails, the Bureau shall.- (a) direct the permitte in

Form V, under intimation to all the State Designated Agencies, that the permittee shall, within a period of two months , - (i) correct the star level displayed on the label of the colour television or remove the defects and deficiencies found during testing; (ii) withdraw all the stocks from the market to comply with the directions of the Bureau; and (iii) change the particulars displayed on advertising material; (b) publish for the benefit of the consumers, the name of any permittee, brand name, model name or model number, logo and other specifications in any national or legional daily newspaper and in any electronic means or in any other manner as it deems fit, within two months; (c) intimate to the concerned State Designated Agency to initiate adjudication proceedings against the permittee and the trader under section 27 of the Act. (6) The permittee shall. within ten days of the conclusion of the period of two months referred toin sub-regulation (a) send the compliance report in Form VI to the Bureau with respect to action taken in compliance with the direction; and (b) in case the compliance report referred to in clause (a) is not received or received without complying to any of the direction within the specified period, it shall be deemed as non-compliance of the direction issued and orders to that effect shall be passed by the Bureau. (7) The Bureau shall send a copy of the compliance report referred to in clause (a) and orders passed in clause (b) of sub-regulation (6) along with necessary documents to all (he State Designated Agencies for the purpose of taking action under section 17 of the Act and enforcement of the orders passed under clause (b) of the said sub-regulation. (8) Where the permittee fails to comply with the directions issued by the Bureau under sub-regulation (5), the Bureau under intimation to all State Designated Agencies, shall,- (a) withdraw the permission granted to the permittee under sub-regulation (1) of regulation 7; (b) send report to the Central Government accompanied by the test report in support of the failure by the permittee to conform to the energy consumption standards notified by the Central Government under clause (a) of section 14 of the Act, the directions of the Bureau referred in clause (a) of sub-regulation (6) for consideration and taking action under clause (c) of section 14 of the Act by the Central Government; (c) publish for the benefit of the consumers, the name of any pennittee, brand name. model name or model number. logo and other specification in any national or regional daily newspaper and in any electronic or in any other manner as it deems fit within two months; (d) intimate to the concerned State Designated Agencies to initiate further adjudication proceedings against the permittee and the trader under section 27 of the Act

12. Cancellation of permission.—The Bureau may cancel the permission granted under regulation 7, if the permittee — (a) fails to comply with any of the terms and conditions specified under regulation 8; 22 THE GAZETTE OF INDIA : EXTRAORDINARY (b) fails to pay label fee within the period specified under regulation 9; (c) does not comply with the direction issued under regulation 11.

FORM 1 [See regulation 6] —SEC. 4] [PART 111 Application for permission to affix label on colour television under the Bureau of Energy Efficiency (Particulars and Manner of their Display on Label of Colour Televisions) Regulations, 2016 The Director General Bureau of Energy Efficiency (Ministry of Power, Government of India) 4th Floor, Sewa Bhawan, Sector — 1, R.K.Puram New Delhi-I IO 066 India.

I/ We are the manufacturers or importers of colour televisions carrying out business at (full (full business address) under the style of name of individual' or firm) hereby apply for permission to affix label on colour televisions as épecited by the Bureau in the Bureau of Energy Efficiency (Particulars and Manner of their Display on Label of Colour Televisions) Regulations, o O 2016. Manufacturing Facility: The above equipment is manufactured or imported by 2. (Name and address of the factory). company) and is manufactured at (Name of the Details of Information : The details of the information in respect of the equipment, company, manufacturing 3. facility, certification for the test products, labels and payment is given in Annexure. A photocopy of the certificate of incorporation issued by the Registrar of Firms or Societies/Director of Industries (in case of Small Scale Units) or similar other documents authenticating the name of the firm and its manufacturing premises is enclosed.
