MINISTRY OF POWER
(CENTRAL ELECTRICITY
AUTHORITY)
NOTIFICATION

New Delhi, the 26th November, 2014

No. 23/47/2014-R&R (Vol. III).-In exercise of the powers conferred by the sub-Section (1) of Section 55 and clause (e) of section 73 read with sub-section (2) of Section 177 of the Electricity Act, 2003 (No. 36 of 2003), the Central Electricity Authority, hereby makes the following regulations to amend the Central Electricity Authority (Installation and Operation of Meters) Regulations, 2006, namely:-

1. Short title and commencement.-(!) These regulations may be called the Central Electricity Authority (Installation and Operation of Meters) Amendment Regulations, 2014.

2. Application.-These Regulations shall be applicable for (a)all Grid Interactive Renewable Energy Plants seeking the connectivity with the grid at 415 V (or corresponding voltage as per relevant Indian Standard for values of alternating current(AC) nominal system voltage, as amended from time to time) and below Voltage Levels;

(b) Grid interactive Renewable Energy Plants connected at above 415 V (or corresponding voltage as per relevant Indian Standard for values of alternating current(AC) nominal system voltage, as amended from time to time) would follow the same metering arrangement as stipulated for Generating Stations, in Central Electricity Authority (Installation and Operation of Meters) Regulations, 2006.

(c) all the clauses of 'Consumer Meters' as specified in Central Electricity Authority (Installation and Operation of Meters) Regulations, 2006, would also be applicable for 'Renewable Energy Meter', unless specified in these Regulations.

3. In the Central Electricity Authority (Installation and Operation of Meters) Regulations, 2006 (hereinafter referred to as the principal regulations), in Regulation 2, in sub-section (1), after clause(x), the following clause shall be inserted, namely:-

" (y) Renewable Energy Meter means a meter used for accounting and billing of electricity supplied to and from the consumer but excluding those covered under Interface Meters."

4. In the principal regulations, in regulation 7, in sub regulation 2, after clause (c), the following clause shall be inserted, namely:-

"(d) The location of Renewable Energy Meters shall be as specified below:

Metering arrangement	Location of Renewable Energy Meter
Feed in Tariff metering:-Renewable Energy Plant is connected to the grid to inject the entire electricity generated to the grid	Out going feeder from Renewable Energy Plant

Net metering :-Renewable Energy Plant In case of first installation for the purpose of Renewable Energy is connected to the load bus of the owner Metering, the 'Renewable Energy Meter' shall be installed at to consume electricity generated the location specified for consumer meter and in case of Note : In case of Net metering, Renewable Energy Plants with battery can supply the consumer load in the event of grid failure. In this case, an automatic isolating mechanism has to be provided at appropriate location to make islanding of the consumer load from the grid at the event of grid failure."

5. In the principal regulations, in the Schedule, in Part III-

(a) In paragraph (1), for sub-paragraph (a), the following sub-paragraph shall be substituted, namely:-

"(a) The Consumer meter shall be suitable for measurement of cumulative active energy utilized by the consumer and the Renewable Energy Meter shall be suitable for measurement of cumulative active energy drawn from the grid and injected into the grid."

(b) After paragraph(3), at the end, the following "Note" shall be inserted, namely:-

"NOTE -Renewable Energy Meter is bi-directional and therefore anti tamper feature stipulated above shall not be applicable in case of Renewable Energy Meter. Respective licensee shall implement appropriate anti tampering solutions as per regulations or directions of appropriate Commission."

NAP AN BA TEI, Secretary

[ADVT/II/4/Exfy:186-R/14]

Foot Note -The principal Regulations were published in the Gazette of India *vide* No. 502/70/CEA/DP&D dated the 17th March, 2006 and Amendment regulations were published in the Gazette of India *vide* No. 502/6/2009/DP&D/D-1, dated the 4th June, 2010.
