However, the 3 requirement of NOC is not applicable in the case of Govt. institutions. The question of requirement of NOC in the case of Central/State Universities and other Central/State autonomous Bodies in the field of education has been engaging the attention ofthe Council for quite some time. Considering the fact that the Central/State Universities are set up by Acts of Parliament or State Legislatures and the Central/State Autonomous Bodies are substandally funded by the Central/State Govts., it has been decided by the Council to dispense with the requirement of NOC in the case of these institutions also. Now, therefore, in exercise of powers conferred under clauses (f) and (g) of Sub-section (2) Section 32 of NCTE Act, 1993, the National Council for Teacher Education (NCTE) hereby makes the following regulations : 1. Short title and commencement (i) These Regulations may be called the "NCTE (form for recogniâon, the dine limit of submission of application, determination of norms and standards for recognition of teacher education programmes and permission to start new course or training) (4th Amendment) Regulations, 2005.
