 32. : 230 10 2003 Nfg arg 3 2004 9 2004 1 MINISTRY OF ENVIRONNIENT AND FORFSTS (Forest
 Conservation Division) NOTIFICATION New Delhi, the 14th March* 2014 G.S.R. exercise of the
 powers conferred by sub-section (1) of section 4 of the Forest (Conservation) Act, 1980 (69 of 1980), the
 Central Government hereby makes the following rules further to amend the. Forest (Conservation) Rules.
 2003, namely: 1.(1) These rules may be called the Forest (Coriservation) Amendment Rules, 2014. (2)
 They shält come into force on the date Of their-publication in the Official Gazette. 2: •In. the Forest
 (Conservation) Rules, 2003 (hereinafter kefeÉred to as the' said rules), in rule 2, (i) After, Clause the
 föllowing clause-shall be inserted, namely:- ' of Forests" means an officer appointed by the State
 Government.ör the Union Territory •Administration, as . may be, under *the designation of Conservator of
 Forests or the Chief Cönservator of Förests Q!' the Regional Chief C.onservator of Forests or any. such
 similar designation, to . hold a. Forest Gircle having jurisdiction over the forest land for which the
 approval of the Cenüa! Government urider.ihe Aet is required;' •r (ii) after clause (c), the following Clause
 shall be inserted, nam&ly:- ' (c#) "Divisional+Foresg Officer" means an officer appomted by the State
 Government or the Union territory Administration, as the case mäYbé, under the designation of the
 Divisional.Forest- Officer or the, Deputy. Conservator of Forests or any such similar designafion, to hold
 charge of a Forest Division having • the 'forest land for.which the approval of ghe Central Government
 under the Act is *quired;" 3. , In the said•rules, 6 and 7, the following rules Substituted* namely:- "6.
 &xtinission of proposal seeking apbroVal of the Central Government under section 2 of the Act.- (I) Every
 User Agency that wants to use any forest land for non-forest purposes, make its proposal in the relevant
 Form appended to these rules, namely; Form 'A' for proposal seeking first time appro\fal under the Act,
 Form B' for propo;al seeking renewal of leases, where approval of the Central Government under the Act
 had already been Form QC' for prospecting of minerals, to the a-ÄMOT Nodal Officer of the concerned
 State Government or the Union territory Administration, as the case may tE, along with requisite
 information and documents, complete in all respect. (2) The User Agency shall endorse a copy of the
 proposal, along with a copy of the receipt obtained from the office of the Nodal Officer to the concerned
 Divisional Forest Officers District Collector and Regional Office as well as the Monitoring Cell of the
 Forest Conservation Division of the Ministry of Environment and Forests. (3) (a) The Nodal Officer of the
 State Goveemnt or the Union territory Administration. as the case may be, after having received the
 under sub-rule (1) and on being satisfied that the proposal is complete in all respects and requires prior
 approval under section 2 of the Act, shall send the proposal to the concerned .Divisional Forest Officer and
 the District Collector within a period of ten days.Qf• the receipt of the proposal. If the Nodal Officer of the
 State Government or the Union territory Administration, as the (b) case may be, finds that the proposal is

incomplete he shall return it within a period of ten days to the User Agency and this time period and the time taken by the User Agency to resubmit the proposal shall not be taken into account for any reference. (c) The Divisional Forest Officer shall examine the factual details and feasibility of the proposal, certify the maps, carry out site-inspection and enumeration of the trees and forward his findings in the Format Specified in this regard to the Conservator of Forests. (d) The Divisional Forest Officer shall process and forward the application along with his findings on the proposal involving forest land up to forty hectares, above forty hectares and up to one hundred hectares and above one hundred hectares to the Conservator of Forests within period of thirty days, forty five days and sixty days respectively. (e) The District Collector shall complete the process for settlement of rights in accordance with the provisions of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 (2 of 2007) (hereinafter referred to as the FRA), obtain consent of the Gram Sabha or Gram Sabhas, wherever required, and forward his findings in the Format specified in this regard to the Conservator of Forests. (f) The District Collector shall forward the proposal along with his findings on settlement of rights under FRA and consent of the Gram Sabha or Gram Sabhas, wherever required, in respect of the proposal involving forest land up to forty hectares, above forty hectares and up to one hundred hectares and above one hundred hectares, to the Conservator of Forests within a period of thirty days, forty five days and sixty days respectively. (g) The Conservator of Forests shall examine the factual details and feasibility of the proposal, carry out site-inspection in case the area of forest land proposed to is more than forty hectares and forward the proposal along with his recommendations and the report on settlement of rights under the FRA and consent of the concerned Gram Sabha or Gram Sabhas, wherever required, from the District Collector to the Nodal Officer. (h) The time taken by the Conservator of Forests to process and forward to the Nodal Officer the proposal involving forest land up to forty hectares and above forty hectares shall not be more than ten days and thirty days respectively. (i) The Nodal Officer, through the Principal Chief Conservator of Forests, shall forward the proposal to the State Government or the Union territory Administration, as the case may be, along with recommendations. (j) The Nodal Officer shall process and forward the proposal along with his findings on the proposal involving up to five hectares, above five hectares and up to forty hectares, above forty hectares up to one hundred hectares and above one hundred hectares, to the State Government or the Union territory Administration, as the case may be, within a period of ten days, twenty days, twenty five days and thirty days respectively. 13 THE GAZETTE OF : EXTRAORDINARY (PART II—SEC. 36) (k) In case the State Government or Union territory Administration, as the case may be, decides how to, de-reserve or divert for non-forest purpose or assign on lease the forest land indicated in the proposal, as the case may be, the same shall be intimated to the User Agency within thirty days of the receipt of proposal from the Nodal Officer: Provided, all proposals involving diversion of forest land for projects of the Central Government or Central Government Undertakings where the State Government or the Union territory Administration, as the case may be, does not agree in principle to de-reserve or divert for non-forest purpose assign on lease the forest land indicated in the proposal, as the case may be, shall be forwarded to the Central Government along with comments of the State Government or the Union territory Administration, as the case may be. (l) The State Government or the Union territory Administration, as the case may be, forward along with its recommendations all those proposals where State Government or the Union territory Administration, as the case may be, agrees in principle to de-reserve or divert for non-forest purpose or assign on lease the forest land, as the case may be, and all proposals involving diversion of forest land for projects of the Central Government or Central Government Undertakings, to the Central Government within thirty days: Provided that all proposals involving felling of trees on forest land or a portion thereof for the purpose of using it for reforestation shall be sent in the form of Working Plan or Working Scheme or Management Plan: Provided further that the concerned State Government or the Union territory Administration, as the case may be, shall simultaneously send the intimation to the User Agency about forwarding of the proposal, along with its recommendations, to the Regional Office or the Ministry of Environment and Forests, as the case may be: Provided also that total time taken exclusively for transit of a proposal between various authorities in the State Government or the Union territory Administration, as the case shall not be more than twenty days, over and above the time period specified for processing of proposal by each authority. (m) Whenever the time taken by the State Government or the Union territory Administration, as the case may be, for processing the proposal exceeds the time limits stipulated in (l) above, the proposal shall

be considered by the Central Government only if an explanation for is furnished to the satisfaction of the Central Government; together with action taken any individual held to be delay. (4) (a) The proposal referred to in clause (1) of sub-rule (3), involving forest land up to forty hectares shall be forwarded by the concerned State Government or the Union territory Administration, as the case may be, along with its recommendations, to the concerned Regional Office, proposal referred to in clause (1) of sub-rule involving forest land of more than forty hectares shall be forwarded by the concerned State Government or the Union territory Administration, as the case may be, along with its recommendations; to the Secretary, Ministry of Environment and Forests; Government of India. (c). The proposals referred to in clause (1) of or portion thereof for the purpose of using it for re-afforestation shall be sent to the concerned Regional Office

7. Processing of proposals received by the Central—(1) (a) The Regional Office, having received the proposal referred to in clause (a) and clause (c) of rule 6 shall determine the completeness of proposal within five working days— (b) If the Regional Office finds that the proposal is incomplete, it shall return it within the period of five working days as specified under clause (a), to the State Government or the Union territory Administration, as the case may be, and this time period and the time taken by the State Government to re-submit the proposal shall not be counted for any future reference. (2) (a) The Regional Office shall after examination of the proposal involving forest land up to five hectares other than the proposal relating to mining and encroachments, which are complete in all respects and after such further enquiry as it may consider necessary, grant in-principle approval subject to fulfillment of stipulated conditions, or reject the same within twenty five days of its receipt from the State Government or the Union territory Administration, as the case may be, and communicate the same to the concerned State Government or the Union territory Administration, as the case may be, within next five days. (b) The proposals involving forest land above five hectares and up to forty and all proposals for regularisation of encroachments and mining up to forty hectares, which are complete in all respects, shall be examined by the Regional Office in consultation with an Advisory Group consisting of representatives of the State Government or the Union territory Administration, as the case may be; from Revenue Department; Forest Department, Planning Department finance Department and the concerned Department whose proposal is being examined. (c) The Regional Office shall within a period of thirty five days of the receipt of the proposal from the State Government or the Union territory Administration, as the case may be, shall forward such proposal along with views of the Advisory Group to the Secretary, Ministry of Environment and Forests for obtaining the decision of the Central Government: Provided that time taken in transit of proposal from Regional Office to the Ministry of Environment and Forests shall not be more than five days. (d) The Central Government shall, after considering the views of the Advisory Group and after further enquiry as it may consider necessary, grant approval subject to fulfillment of stipulated conditions; or reject the same within thirty days of its receipt from the Regional Office and communicate the same to the concerned State Government or the Union territory Administration, as the case may be, within next five working days. (3) (a) All proposals involving clearing of trees in forest land or portion thereof for the purpose of using it for re-afforestation shall be finally disposed of by the Regional Office within a period of sixty days of receipt of the proposals from the State Government or the Union territory Administration, as the case may be. (b) While examining the proposal, the Regional Office shall ensure that the final decision is in conformity with the National Forest Policy, Working Plan guidelines and other relevant rules and guidelines issued by the Central Government from time to time. The Regional Office shall however seek prior clearance of the Ministry of Environment and Forests wherever the proposal involves clearing of forest land having crown density above forty per cent irrespective of the area involved, or clearing of: of size more than twenty hectares in the Plains and ten hectares in the hilly region, irrespective of density. (a) The Ministry of Environment and Forests, after having received the proposal referred to in clause (b) of sub-rule (4) of rule 6 shall determine the completeness of the proposal within ten days. (b) If the Ministry of Environment and Forests finds that the proposal is incomplete, it shall return it within the period of ten days as specified under clause (a), to the State Government or the Union territory Administration, as the case may be, and this time period and the time taken by the State Government to re-submit the proposal shall not be counted for any future reference. (c) In case the proposal involves forest land more than one hundred hectares, Ministry of Environment and Forests shall within ten days of the receipt of a proposal complete in all respects, request the concerned Regional Office to inspect the forest land proposed to be diverted and a report to the Ministry of Environment and Forests. Within a

period of forty five days: Provided that the total time taken in communication of the request site inspection from the Ministry of Environment and Forests to Regional Office and communication of the site inspection report from the Regional Office to the Ministry of Environment and Forests shall not be more than ten days, over and above the time taken in undertaking site inspection by the Regional Office. (d) The Central Government shall refer every proposal, which is complete in all respects, received by it under clause (b) of sub-rule (4) of rule 6 including site inspection reports, wherever required, to the Committee 15 16 THE OF INDIA EXTRAORDINARY [PART 11--Sæ. 3Ki)J for its advice and the Committee shall give its advice Within thirty day' from the date Of receipt Of the said proposal. (e) : The Committee shall have due regard to all or any of the following matters while tendering its advice on the proposals referred to it under clause (d), namely:- (i) (ii) (iii) (iv) (vi) whether the forests *land proposed to be used for non-forest purpose forms part of a nature reserve, national park, wildlife sanctuary, biosphere reserve or forms part of the habiut of any• endangered or threatened species of flora •and fauna or OT an area lying severely eroded catchment; whether the use of any forest land is for agricultural purposes or for the rehabilitation of persons displace&from their residences by reason of any river valley or hydro-electric project; whether the State Government or the Union territory Administration, as the case may bet •has certified that it has consi&red all other alternatives and that no other alternatives in the circumstances are feasible and that the required uea the minimum needed for the purpose; Whether the State Government or the Union territory Administraüon, as the case undertakes to-pcoveide at. its.costt.for the. acquisition of land of an equivalent area and afforestation thereof; whether the per unit requirement of forest land is significantly higher than the average for similar projects; and whether the •State Government or. the Union temtory Adnistratüon; as the case may be, before making their recommendation has considered all issues having direct and indirect impact of the diversion.of forest land on forest, wildlife and environment. (f) While tendering advice, the Committee may also suggest any condition or restriction qn the use of any forestland for any non-forest purpoge, which in its opinion would minitnise adverse environmental impact; (g) The Central Government shall, after considering the advice of the Committee under- clause (e) and clause (f) and after such further enquiry as if may consider necessary, grant ininprinciple approval subject' to fulfillment Of stipulated conditions, reject the same Within thirty days of the receipt of advice from the Committee and communicate the same• to the concerned State Governnunt or the-Union territory Adminisb«ation, as the case may be, within next five working days. 8. .Submission Of report-on compliance toe conditidnS stipulated in' the in-principle approval abd grant of approval. (a) • The Nodal Officer shall withiil five days of regeipt of the inipri'inciple approyal,.endorse'a; copy of the same to Divisional Forest Officer and the Conservator of Forests; (b) On receipt of a copyof the in-principle approval, the Divisional Fprest Officer shall prepare a dqmand rWte Göntaining item-wise amount of compenSatory levies such as cost of creatiön and maintenance of. compensatory afforestation, Net Preseiit •Value (NPV), cost of jriplementation of•• catchment •area treatment plan or wildlife conservaüon plan etc. to be paid by. the User Agency and communicäte the same, along with a liSt of documents; certificates and undertakings•required to be submitted User- Agency in cpmpliance with the conditions stipulated in the in-principle approval, to the User Agency within ten days of the receipt of a copy of the in-principle approval. G) The•User-Agency •shall within thirty days of receipt of demand note and Ifst of documents, certificates and undertakings from the Divisional Forest Officer make payment of compensatory levies and sybrrüt a cpmpliance report containing a•copy of documentary evidence in respect of payment* of compensatory. levies along with documents, certificates and undertakings indicated in the said list to Divisional Forest Officer. (d) The Dii'isional Forest Officer, after having received the compliance report shall deter-maw its completeness within a period of fifteen days of its receipt from the User Agency (e) If the Divisional-Forest Qfficer finds {hat the compliance report is incomplete, he shall communicate the shortcoming or shortcomings in the compliance report to the IÄer Agency within a period of fifteen •days of its receipt from the User Agency and if the complian&e report is complete in all respect, it-shall be 17 forwarded to the Conservator of Forests within a period of fifteen days of its receipt from the User Agency. (f) The Conservator of Forests, after having received the compliance report shall determine its completeness within a period of fifteen days of its receipt from the Divisional Forest Officer. (g) If the Conservator of Forests finds that the compliance report is incomplete, he shall commnunicate the shortcorring or shortcomings in the• compliance report to the User Agency and the Divisional Forest Officer within a period of fifteen days of its receipt from 'the Divisional Forest Officer and• if the

compliance report is complete in all respects, it shall be forwarded to* the Nodal Officer within a period of fifteen days of its receipt. from-the, Divisional Forest Officer, (h) The' Nodal Officer, after having received the compliance report shall' determine its completeness within a period of fifteen days of its receipt from the Conservator of Forests— If Officer finds- that' the compliance report is Ancomplete, he shall communicate the shortcoming or shortcomings in the compliance report tÖ the User Agency, the Conserv'ator of Forests and the Divisional Forest Officer within a period of fifteen days of its receipt from the Conservator of Forests and if the compliance report is complete in all respects, it shall be forwarded to the State Government or Union territory Administration, as •the case may be, within a period of fifteen days of its receipt from the Conservator of Forests. (j) The State Government or •Union territory Administration, as the case may be, after having received the Cornpliance report.shall .detenqine its completeness within a period of fifteen days of its receipt from the Nodal Officer. (k) If •the State Government or Uniom territory Administration', as the case may be, finds that the compliance report is incomplete. it shall communicate the shortcoming or in the compliance report to the User Agency, the Nodal Office% the Conservator' of Forests and the Divisional Forest Officer within a period of, fifteen days of its receipt from the Nodal Officer and if the compliance •report is complete in all reypecgs,. shall be forwarded to the Ministry 'Of Environment and Forests or the Regional Office, as the case' rnäy bet within a periodeof fifteen days of its receipt from the Nodal Officer. (l) The• Ministry of Environment and Forest' or the Regional Office, as the case may be, after having received: the Compliance' shill' déiéfmne its completeness within a period of fifteen days: '(m) If thé Ministry of Environment and Forests-or the Regional Office, as the •case may finds that the éomiLiance report 'is Complete in all respect,• it shall accord 'the final approval" Under the 'Act and • • cömmunicacethe •same,tp. the StateGovernment•or the Union •territory Administrations • as -the case may be, - within a period of twenty days of the receipi. of a compliance report which i' compete in all respea: (nYTh•e report 'on fulfilment' 'of •the compliance - report Shall be processed and forwardedé .to authorities. concerned in the.State Government or the Union territdry administratidn, as the case may be; and •Central• Governnhént•in the snäinéhF and 'the time limits stipulated in clause (d) to clause (l).above, .(2) (a) In cases'• Where. compliapee• lhe in-principle. appröval. is awaited. for more' than five years from the State Government or the Union territory Administration* as the case may be', the in-principle approvals shall be summarily revoked, (b)If.the I-rser State-Government or. as thecase may. be, is still interested in the project, after-its revocâ601b they may subrrüt a fresh proposal which shall considered de-novo. 3 (a) In case, before submission9f a report* on compliance conditions stipulated in the irrprinciple approval accorded under •the *ctfor a mining pojegt by the State GoVemment tke•JJ.nion- territory Adminisfratien, as the qgse may be, and giant o! final approval by the Central Government within five years from the date of grant of in-prinäple approval, validity of the mining lease expires, instead of submission of a de-novo proposal to obtain approval of Central Government under the Act for diversion Of such forest land, for renewal of mining lease, the State Government or Union tenitory Administration, as the case may be, while submitting report on compliance to conditions stipulated in the in-principle approval may seek final approval of Central Government under the Act for diversion of such forest land 18 THE GAZETTE OF INDIA : EXTRAORDR<ARY [PART 11---SEC..3(i)) for original period of the mining lease for which in-principfe -approval* has already 'bCen also for renewal of mining lease for a period, as specified by the State Government and Union Territory as the case may be, not exceeding twenty years. (b) Report on compliance to statutes, circulars or directives, as applicable to such proposals, which came into force after grant of in-principle approval, if any, shall also be submitted toe the Centräl Government along with the report on compliance to conditions stipulated in the in-principle approval: (c) In sich cases, apart from grant of final approval under the Act for diversion of such forest land for period of mining lease, the Cenu-al Government* shall, after. considering advice Of the Forest Advisory Committee or the State AdVisory Group, as the case may be, and after further enquiry as it•may consider' neceSsäry,- grant final approval to the proposal of the State Government. of Union Territory Adminisu•ation, as case may be, for }enewal of mining lease for a paeiod; as may be specified by the Central Government* not exceeding twenty years, with appropriate conditions or reject the same."

4. In the said rules, in the Appendix, after Form-Bt the following Form shall be inserted, namely:- "FORM-SC' Form for seeking prior approval under section 2 of the proposals by the State Governments and other authorities for prospecting of minerals in forest land PART -1 (to be filled up by User Agency)

1. Project detail: (ii) (iii) (iv). (vii) (viii) (ix) (x) . (xi) (xii) Name, address and contact details,of the User

Agency: Legal status of the User Agency: Name, designation and full address of the person making application: Documents in support of the competence Or authority of the person making this application to make application on behalf of the User Agency enclosed: (Yes/No) • Mineral commodity to be explored: Short narrative of the activities proposed to be undertaken in both forest and non-forest land: Details of approvals accorded by the concerned Ministry or Department in the State or Central Government; as the case may be, for grant of prospecting lease in favour of the User Agency: Details Of forest and non-forest land included in the prospecting lease: Total area of, forest land required for prospecting. (a) Area forest land likely to experience permanent change in land use (b). Area of forest land likely to experience temporary change in land use for period for which the forest land is proposed to be utilised for prospecting: Estimated cost of the project: Details of forest land diverted earlier, if any, in favour of the user Agency in the State or Union territory along with current status of the use of such land: • .Oiii DéraJsJf permission accorded earlier, if any, in favour of the User Agency for prospecting of minerals in forest land along with current status of prospecting in each case: 2, Details of enclosed (i) Survey of India topo-sheet (s/w in original in scale showing boundary of prospecting block; boundary of each patch of forest land located within the prospecting block; location of each sample plot or borehole site, roads or pathway (existing as well as new pathway to be shown separately) to be used for transportation of drilling equipments; boundary of the adjoining forests and protected areas located within ten (10) Kilometers distance from boundary of forest land identified for prospecting etc.: (Yes/No), 19 Note 1: In case Survey of India Toposheet in 1: 50,000 scale is not available, especially in case of the areas located near International Borders and other strategic locations, in place of Survey of India Toposheet other maps available in public domain may also be used. Note 2: Due to technical Reasons, while undertaking the prospecting activities, the user agency may vary location of boreholes, sample plots, roads or paths etc. up to 300 meters, provided area of forest land proposed to be utilised and number of trees proposed to be cut does not exceed the same given in the proposal. 3, (i) : Justification for prospecting in forest land: (ii) Details of alternatives examined; (iii) Detail of non-invasive prospecting activities, if any, undertaken by the user agency in the forest land indicated in the extant proposal: 4. Whether the forest land identified for prospecting is located in scheduled areas (Yes/No); 5. Details of activities proposed to be undertaken in forest land; (i) (ii) Surface sampling (a) (b) (c) (d) (e) (f) Grab sampling Chip sampling Groove. Sampling Channel sampling Bulk sampling Geochemical grid sampling with Sample density spacing Pitting or trenching (a) Number and dimension of pits or trenches: (b) Total volume of excavation (c) Area of forest land to be utilised for pits or trenches. (iii) • Drilling (a) (b) (c) (d) (e) (f) (g) Number and diameter boreholes or wells Spacing of boreholes or wells Area to be temporarily disturbed at each bore hole or well Area; if any, to be permanently affected at each bore hole or well Total meterage of boreholes or wells Number of drill core samples Volume of drill core samples 6. (iv) Construction of roads or paths (a) Length and width of roads or paths proposed to be constructed; (b) Area of forest land proposed to be utilised for roads or paths; (v) Any other activity (pls specify) Area of forest land likely to experience temporary change in land use due to: (i) Surface sampling; (ii) (iii) (iv) (v) THE GAZETTE OF INDIA : EXTRAORDINARY Pitting or trenching; Drilling; Construction of roads or paths; Any other activity (pt. specify.); Total: Area of forest land likely to experience permanent change in land use due to: (i) (ii) (iii) (iv) (v) Surface sampling; Pitting or trenching; Drilling; Construction of roads/paths; Any other activity (pt. specify.); Total: Details of machinery or equipments to be deployed for prospecting Sl. No Name of equipment or machinery Mode of Action Size (L x B x Estimated deployment ... (machine hours) [PART IPSEC. 3(i)] Maximum noise level (decibel) 9. Details of existing paths or roads proposed to be utilised for transport of the or machines in the forest Approximate number and approximate duration of stay in the forest land of the persons proposed to be deployed for prospecting; Summary of the estimated quantity of ore and other samples proposed to be collected during prospecting (not applicable for hydrocarbon) Details of samples Qty. proposed to be collected (Metric Tonnes) 12. 13.2 Estimated accuracy and confidence level for mineral reserve assessment; Estimated accuracy and confidence-level in case number of bore holes proposed to be drilled are reduced Confidence level (%) 10 (ii) (iii) (iv) 20 % 30 50 21 or for 14. In case the proposal for extension of the period of the permission granted for prospecting, drilling of additional bore holes, please provide following additional information: Details of approval accorded under the Forest (Conservation) Act, 1980 in the past: Number and date of the Area of forest land permitted Validity period of approval approval accorded for prospecting (ha) From To (ii) (iii)

(iv) (v) Report on status of compliance to the conditions stipulated in the approval accorded in the past enclosed (Yes/No) Details of violation(s), if any committed* Justification for extension of permission accorded for prospecting. Details of prospecting activities undertaken and sample collected, so far, 15. Details of documents enclosed; Date: Place • Signature, (Name in Block letter) Designation Address (of User Agency) State serial No. of proposal (TO be filled up by the Nodal Officer with date of receipt) PART n (To be filled by the. concerned Deputy Conservator of Forests). Division serial No. of proposal—
•16. Location of the project or scheme: (i) State/Union Territory (ii) District (iii) • Forest Division (iv) • Area of forest land proposed to be utilised for prospecting

17. Legal status of forest land identified for prospecting

18. Details of vegetation available in the forest land proposed for diversion: (i) Forest type; (ii) Average crown density of vegetation; (iii) Species/Local or scientific names and girth-wise enumeration of trees required to be felled; (iv) Working plan prescription for the forest land proposed to be utilised for prospecting

19. Brief note on topography and vulnerability of the forest* land proposed to be utilised for prospecting to erosion

20. Approximate distance of the forest land proposed to be utilised for prospecting 'from boundary of the forest land. 22 THE GAZETTE OF INDIA: EXTRAORDINARY (PART II-SEC, 30))
