

RAW CASHEWNUT GRADING AND MARKING RULES

1. Short title, application and commencement :-

- (1) These rules may be called the Raw Cashewnut Grading and Marking Rules, 1980
- (2) They shall apply to Raw Cashew nut (*Anacardium occidentale* L) produced in India.
- (3) They shall come into force on the date of their publication in the Official Gazette.

2. Definitions :- In these rules :-

- (a) "Agricultural Marketing Adviser" means the Agricultural Marketing Adviser to the Government of India;
- (b) "Schedule" means a Schedule appended to these rules ;
- (c) "Authorised packer" means a person or a body of persons who has been issued a certificate of authorisation under rule 3 of the General Grading and Marking Rules, 1937, in relation to Raw Cashew nuts.

3. Grade designation :- The grade designation to indicate the quality of raw Cashew nuts shall be as set out in column 1 of Schedules II and III.

4. Definition of quality :- The characteristics of the quality indicated by the respective grade designation shall be as set out against each grade designation in columns 2 to 7 of schedules II and III

5. Grade designation mark :- (1) The grade designation mark in case of Raw Cashewnuts shall consist of a label specifying the grade designation and bearing a design (consisting of an outline map of India with the word AGMARK and the figure of the rising sun, with the words "Produce of India" and **Hkkjrh; mRikn** resembling the one as set out in Schedule I.

6. Method of marking :- (1) The grade designation mark shall be securely affixed to each container in a manner approved by the Agricultural Marketing Adviser and shall clearly show the following particulars, namely :-

- (a) The serial number of the lot ;
- (b) Date of packing;
- (c) Net weight ;

(d) Name of the packer ;

(e) Place of packing ;

(f) Any other particulars as may be specified by the Agricultural Marketing Adviser.

(2) An authorised packer may after obtaining the prior approval of the Agricultural Marketing Adviser, mark his private trade mark on a container in a manner approved by the said Officer ;

Provided that, the private trade mark does not represent quality or grade of Raw Cashewnut different from that indicated by the grade designation mark affixed to the container in accordance with these rules.

7 Method of packing :-

- (1) Raw Cashew nuts shall be packed in sound, clean and dry containers made of jute or any other material as may be approved by the Agricultural Marketing Adviser. They shall be free from any insect infestation of fungus contamination and also free from any undesirable smell.
- (2) The containers shall be securely closed and sealed in a manner approved by the Agricultural Marketing Adviser.
- (3) Each package shall contain Raw Cashew nuts of one grade designation only.

8 Special conditions of Certificate of Authorisation :- In addition to the conditions specified in rule 4 of the General Grading and Marking Rules, 1937 the following special conditions shall be observed by the authorised packers to the satisfaction of the Agricultural Marketing Adviser, namely :-

- (1) An authorised packer shall make such arrangements for testing Raw Cashew nuts, as may be prescribed from time to time, by the Agricultural Marketing Adviser.
- (2) An authorised packer shall provide all such facilities to the Inspecting Officers duly authorized by the Agricultural Marketing Adviser in this behalf, for sampling testing and such other matters as may be specified by the Agricultural Marketing Adviser.
