3. Delineation of Command Area of an Irrigation System.- (1) The District Collector, may by notification delineate the command area under each of the irrigation system within his district on a hydraulic basis which may be administratively viable; and declare it to be a water users' area for the purpose of the Act and publish a notification in Form- A. The Farmer's Organisation shall have distinct name; in accordance with the notification published under this sub-rule. (2) Detailed ayacut maps of individual Water Users Association identified within the declared Water Users Association area of each irrigation system as per sub-sections (1) and (2) of Section 3 of the Act shall be prepared in order to facilitate delineation by the District Collector based on hydraulic boundaries clearly indicating the boundaries of the Territorial Constituencies. (3) For the purpose of this rule, every water users association shall have the name of a village as its distinct name in which the major extent of the command is situated.

If there is more than one association in such village, then such association shall be called by adding numerals to the distinct name. (4) For each of the irrigation system the Collector shall cause to be prepared the maps or sketches, indicating the distribution system like majors, minors and outlets along with the related structures in the command area. In the map or sketch the village boundaries, the drains, ayacut roads and all structures shall be marked. (5) The areas irrigated or planned to be irrigated under each of the distributory, minor, survey number wise shall be, prepared. (6) The command area for each water user area shall be delineated on hydraulic basis, each to be served a distinct segment of the irrigation system and with a control structure or a mechanism at its head for supply of allocated or designed quantity of water for that command area. (7) The delineated area may have one or more distributories or minors or sub- minors or direct pipes or outlets or a combination of two or more thereof, serving its command. It shall also have a distinctly demarcated boundary which could be a drain, or a bund or an uncommandable land. (8) In case of minor irrigation system, including tanks, diversion channels, lift irrigation schemes, wells, and such other smaller irrigation systems each shall

form into one water user area. (9) In Case major and medium irrigation system such water-user areas shall be more than one. (IO) To ensure administrative viability, the area of operation of each of the Water User's Area shall be the limits of a village or contiguous villages situated within a Revenue Circle, as far as possible. In exceptional cases, the Water Users Association area may be extended to more than one taluk or district. (11) A Canal Officer not below the rank of an Executive Engineer, duly empowered by the Appropriate Authority in this behalf shall, by notification in the Official Gazette delineate command areas of Lift or Tube Well Irrigation Water Users' Associations, separately based on the prescribed guidelines and subject to Section 23 of the Act and declare those areas to be the areas of operation of respective Lift or Tube Well Irrigation Water Users' Associations: Provided that there shall be one Lift Irrigation Water Users Association for each Lift Irrigation Scheme: Provided also that there shall be more than one Lift Irrigation Water Users Association for any Lift Irrigation Project with a command area of more than 2000 hectares 2303 2304 24 2006 • Provided further that there shall be one Tube Well Water Users Association for a cluster of Tube wells subject to the condition that the aggregate command area or area of operation of such Tube Well Water Users Association shall be, to the extent possible, between forty to three hundred hectares and that one tube well unit should not be separated from other such unit within the area of operation of such Tube Well Water Users Association by a physical distance of more than ten kilometers. Provided also that there shall be one territorial constituency for each of the tubewell units within the area of operation of a Tube Well Water Users Association. (12) Subject to sub rule (11) the provisions made for Water Users Association for Minor Irrigation systems under the Act shall, mutatis mutandis, apply to the delineation and functioning of Lift or Tube well Water Users Association. (13) In the area delineated as an area of operation of the Lift or Tube Well Irrigation Water Users' Associations under sub-rule (11), Lift or Tube Well Irrigation Water Users' Associations shall be constituted by the landholders that is, the owner and or tenant recorded as such in the record of rights under the Chhattisgarh Land Revenue Code 1959 010.20 of 1959). (14) While delineating the Territorial Constituencies of Water Users' Association based on a hydraulic basis, they shall be demarcated as the Territorial Constituencies in the Head, Middle and Tail Reaches, based on their proximity to the water source. (15) The delineated area shall be notified by the Collector and all modifications proposed for delineation would be based on recommendations made by the Canal Officer in Charge of irrigation project and such canal officer shall arrive at the recommendation made in this regard only after consultation with the farmers who are proposed beneficiaries under such Schemes. (16) The District Collector shall divide each of the water user area in Major or Medium Irrigation Project, as far as possible equally into not more than twelve territorial constituencies as specified below: Upto 1000 hectares From 1001 to 1500 hectares From 1501 to 2000 hectares : minimum 4 Territorial Constituencies . upto 8 Territorial Constituencies • upto 12 Territorial Constituencies 24 2006 (17) The District Collector shall divide each of the water user area in Minor Irrigation Projects, as far as possible equally into not more than ten territorial 2305 constituencies as specified below: Upto 200 hectares From 201 to 600 hectares From 601 to 1000 hectares From 1001 to 2000 hectares : minimum 4 Territorial Constituencies • upto 6 Territorial Constituencies • upto 8 Territorial Constituencies upto 10 Territorial Constituencies Note. - The command area under a direct pipe outlet shall not be bifurcated while dividing territorial constituencies. (18) The draft command area map or sketch of the water user's area demarcating the boundaries of territorial constituencies in the area of operation shall be prepared. The particulars containing the survey numbers of the lands situated in each of such territorial constituency in Form "A" shall be displayed together with such map or sketch on the notice board of the Gram Panchayat and the Janpad Panchayat, for information of the land holders. (19) Objections or suggestions against the delineation of water user area or the division of territorial constituencies, if any, may be filed, by the landholders in the area of operation, before the District Collector within a period of seven days excluding the date of display. (20) Within two days of the receipt of the objections or suggestions, the District Collector shall after conducting a summary enquiry make such changes or modifications wherever considered necessary in the maps or sketches duly recording reasons thereof, whose decision thereon shall be final. 2306 24 2006 (21) A final map or sketch in pursuance of sub-rule (13) shall immediately be displayed in the office of the Gram Panchayat and Janpad Panchayat in Form "B" by the District Collector. (22) Wherever the area of operation of a Water Users Association falls in more than one district, a Secretary of the State Government may direct the Collector of one district to exercise the powers and perform the functions of the Collector in such areas. (23) For new

and ongoing Schemes the delineation of command area for determining the area of operation for Water Users Association shall be carried out in the manner prescribed under this rule

4. Preparation of landholders list. Voters list and other Water User's List. - 4(1): The District Collector shall prepare or cause to be prepared by the authorized officer, the list of landholders on the basis of record of rights, in form "C". The list shall also include wife of such land holder, who themselves do not hold land, as they are deemed to be the landholders under the Act. On the basis of the list as so prepared he shall prepare or cause to be prepared territorial constituency wise voters list in Form "D", consisting of those landholders who have completed eighteen years of age including wife of such land holder, who themselves do not hold land and who have completed eighteen years of age as on the date of issue of notification for conducting elections in a water users' area for electing the president and members of the managing committee of the Waters Users' Association. (2) . The lists prepared under sub-rule (1) shall be displayed on the notice board of the office of the concerned Gram Panchayat and the Janpad Panchayat. (3) Before finalising the lists mentioned in sub-rules (1), the District Collector shall invite objections in Form-E against inclusion of any name or names in Form "F" and for deletion of any name or names in Form "G" within a week of display under sub-rule (2). After receiving the objections if any, the District Collector shall consider all such objections within a week and finalise such lists, by appending the names to be deleted or incorporated, at the end of each list and a final notice thereof shall be published in Form "H" for verification. (4) Each land-holder in the water users' Area shall have one vote only irrespective of his land holdings in the said area. (5) (i) In case, a land holder has land in more than one Territorial Constituency of a water user area the land holder shall opt for one constituency by giving a declaration as specified in Form "I" to the Authorised Officer. (ii) In case no such option is exercised by the land holder, the Authorised Officer shall allot his vote to the constituency in which the landholder holds the maximum extent of land; where such land held is the same in two constituencies any of, the constituency may be allotted. (6) The lists prepared under sub-rule (1) shall be revised six months before, the commencement of the subsequent elections in accordance with the provisions of the Chhattisgarh Sinchai Prabandhan Me Krishkon Ki Bhagidari Nirvachan Niyam, 2006

5. Delineation of distributory areas. (1) The Government, keeping in view the operational viability and in consultation with the District Collector, for the purpose of constituting Distributory Committees, delineate the command area by a notification in Form under a major project into such number of distributory areas as they consider proper. (2) The delineation in sub-rule (1) shall be based on the recommendations made jointly by the Canal Officer in charge of the concerned irrigation projects and the concerned Water User Associations. (3) A distributory area may contain three or more contiguous water users' areas. 2308 24 2006 (4) In delineating a distributory area, no water user area shall be divided or bifurcated into parts

6. Delineation of Project areas. (1) The Government, keeping in view the operational viability and in consultation with the District Collector, delineate, the command area by a notification in Form 'K' under a major irrigation project into one or more project areas for the purpose of constituting a Project Committee or Committees. (2) The delineation in sub-rule (1) shall be based on the recommendations made jointly by the Canal Officer in charge of the concerned irrigation projects and the Presidents of the Distributory Committees in the Project area. (3) The entire command area under a medium irrigation project shall be treated as a single unit and notified by the Government as a Project Area

7.
