AMENDMENT In the said rules, - I

2. After clause (e) of sub-rule (I) of Rule 2, the following shall be inserted, namely:- "(e-I) "End use plant" means the plant where the mineral shall be used finally." For sub-rule (5) of Rule 4, the following shall be substituted, namely:- "(5) (i) Mines of each such metallic ore, in which royalty on mineral (Ad valorem basis) (ii) (iii) (iv) is fixed on the basis of metal content of ore and benchmark prices, the lessee shall conduct sampling as per the criteria fixed by the Bureau of Indian Standards prior to dispatch of the mineral produced. Mining lease holder shall establish a laboratory as per the standard of Bureau of Indian Standards for analysis of these samples within mining lease area and carrying out chemical analysis of the samples. In special circumstances, the laboratory may be established outside the mining lease area after obtaining exemption from the Director. The mining lease holder shall also submit monthly and yearly returns in the prescribed format as per rule 45 (as amended) of Mineral Conservation and Development Rules, 1988, timely to the Director and the concerned Collector of the District in addition to the specified Departments/ Institutions. All the mining leases of metallic ores operating in the State, in which there is a provision of royalty to be charged on the basis of metal content in mineral ore and benchmark prices, information about grade (metal content) of the ore shall be collected after conducting sampling and its analysis from the committee constituted by the Director atleast once in a year, If for any special reason, the Mining Lease holder is facing difficulty in conducting sampling of the mineral ores to be extracted from leased area, then 368 (6) 3. 4. 5. 6. 7. 8. 104Tâ2015 he shall have to submit an application to the Director stating reason and justification for the same. Director, if satisfied with the reason stated by the Mining Lease holder then he may grant permission for extraction without sampling of minerals from the mining lease area with condition that Mining Lease holder shall pay the royalty to the Government at prevailing rates for the time being, on the basis of the grade (metal content) of the mineral ore mentioned in approved mining plan submitted by the mining lease holder or obtained from previous sampling conducted by the Directorate, whichever is higher: Provided that, in case of iron ore, the lessee may be granted any such an exemption on condition of payment of royalty specified for highest grade slab for the State of Chhattisgarh." For clause (11), (III) and (IV) of sub-rule (6) of Rule 4, the following shall be substituted, namely:- "(11) (111) (IV) Such person/ firm/ company, who wants to transport the minerals, brought by rail route, from railway sidings to any end use plant or licensed processing plant / storage site, then they shall have to submit an application in prescribed

Form-I I along with the required information, to the Officer-In- Charge Of the mining section of the concerned district. Details of the Information received by the District Mining Office under Form- 11 shall be maintained in the register in accordance with Form-12. Subsequently, Local Transit Pass shall be issued in Form 13 for transportation of equivalent quantity as per quantity of minerals mentioned in the application submitted by the applicant. The applicant shall submit the details of used and remaining local transit pass along-with the Railway receipt in Form- 14. The Officer-in-charge, District Mining Office, on tallying the quantity of Local Transit Pass issued previously in Form-13 with the submitted R.R. at the time of disposal of subsequent application for the Local Transit Pass, which if found correct, shall issue New Local Transit Pass after considering new application." In rule I I, after the words "No interest will be liable for security deposit", the words "if any deposit made under the above-mentioned sub-rule has not been forfeited under any rules, then it shall be returned to non-applicant after ensuring overall compliance of all the conditions" shall be inserted. In rule 12, for the word "three", the word "ten" shall be substituted.

After clause (ii) of Rule 14, the following shall be inserted, namely:- "(ii-a) The Licensee is required to send in Form-15 the monthly returns related to the storage and processing to the District Mining Office by 5th day of next month." Sub-rule (1) of Rule 16 shall stand omitted. For sub-rule (5) of Rule 16, the following shall be substituted, namely:- "Permission for the storage of coal mineral shall not be granted within a radius of 25 kilometre from boundary of the coal mining lease area. The said restriction shall not be applicable in case of washery and end use plant." 368 (7) 9. IO. 2015 After Chapter-IV, the following shall be inserted, namely:- "Chapter-IV A APPEAL AND REVISION 17 A. Appeal or revision.-

Notwithstanding anything contained in these rules, appeal or revision against every order passed in respect of any subject under these rules shall be made in accordance with the provisions of Chapter-XIV of the Chhattisgarh Minor Mineral Rules, 1996 (as amended)." For Form-I, the following shall be substituted, namely:- Book "Form-I [See rule MINERAL TRANSIT PASS (for mineral concession holders) Pass No...

.. Note: Before filling the form read carefully the remarks printed behind. I. License / lessee's Name

License / Mining Area Details Village / Tehsil/ District Area Period Name of the mineral 2. 3. 4. 5. 6. 7

8. Category of the mineral being transported : .Size (Lump/ Fines/Steam/slack/Other) Quantity Of the mineral being transported Gross weight of the vehicle (in ton) Tier weight of the vehicle (in ton) Sale value of the mineral Date of dispatched of the mineral Time of the mineral dispatched (AM/ P.M) : Vehicle registration number Type of vehicle (Trailer/ Haiwa/ Truck/ Tractor / Other) Name of the Owner of the vehicle Name of the driver of the vehicle Mineral purchaser/ recipient's name D.O. Number/ Date (if applicable)(hectare) . (Ton [cubic meter)(Rs. per ton/cubic meter) 368 (8) 9. IO. 18qTé2015 Mineral destination Other details Name and Signature Of the person issuing the transit pass with date Remarks: Name and Signature of the Vehicle driver with date Name and Signature of the checking staff with date I. 2. 3. 4

5. All entries must be filled up with ball point pen without any overwriting and must be clearly readable.For the second copy, carbon paper should be used on both the sides of the transit pass. After the necessary entries as mentioned above, duplicate copy shall be handed over to the driver of the vehicle and original copy shall be retained in the transit passbook. In relation to via under clause 9, mention the name of three major places present between the defined routes from the mine to the destination. Violation of any of the above directions shall be construed as illegal mineral transportation and shall be punishable. " 11. 12

13. Form-2(A) shall stand omitted.Form-2(B) shall stand omitted. For Form-I I, the following shall be substituted, namely:- "Form- I I [See rule 4(6) (2)1 APPLICATION FOR OBTAINING LOCAL TRANSIT PASS FOR TRANSPORTATION OF 1. 2. 3. (i) (ii) MINERALS FROM RAILWAY SIDINGS Name of the applicant Designation (in case of Company or Firm) Mobile Number Name Of the mineral Quantity of the mineral to be brought by way of Railway transportation : . (cubic meter/ ton) 368 (9) 4. 5. 6. 7

**14. Name of the Railway siding (from where the mineral is to be transported) (i) (ii) (iii) (iv) (v) (vi)
Name of the recipient of the mineral and Address Name of the Railway siding, where the mineral is
to be unloaded Purpose (private plant/ processing plant/ licensed place/ other) Complete address of
the destination Transportation route via (In case of more than one route, the route which is to be
used for transport must be clearly mentioned) Required number of local transit pass : Other details
Signature..... (Seal in case of company or firm)" For**

Form-12, the following shall be substituted, namely:- "Form-12 [See rule 4(6) PROFORMA FOR MAINTAINING REGISTER OF THE LOCAL TRANSIT PASS ISSUED FOR TRANSPORTING MINERALS FROM RAILWAY SIDING s. No. (1) Date (2) Name, address mobile number of Owner of the mineral (3) Name of Rai Iway siding (from where the mineral is to be ported) (4) Name of the mineral (5) Quantity Details of Of the Railway mineral (6) receipt (7) Name and complete address of the Railway siding (where the mineral is to be transported) (8) Name and address of the recipient (9) Serial number and number of transit issued (10) Other details (11) 368 (10) 2015 15

16. In serial No.5 of Form-13, for the words "Details of R.R.", the word "Details of application" shall be substituted. In serial No. 3 of Form-14, after the words "is to be transported", the words "and details of Railway Receipt" shall be added. By order and in the name of the Governor of Chhattisgarh, K. D. KUNJAM, Joint Secretary. - 2015.
