**2. RULES Short title and commencement.**- (1) These rules may be called the Chhattisgarh Winery - Rules, 2013. (2) These rules shall come into force with effect from the date of their publication in the Official Gazette. Definitions.- In these rules, unless the•context otherwise requires.- (b) (c) (d) (e) (D (h) (i) (j) (k) (l) (m) (o) "Act" means the Chhattisgarh Excise:Act, 1915 (No. 2 of 1915); "Bottling" means transfer of manufactured wine in bottles, casks or kegs fof final removal from the winery and includes rebottling and refilling; "Bottling-Room" means that portion of a winew Which is set apart for carrying out bottling operation; "Bottle-store-Room" means a room where bottled wine •is transfened from the bottling room for storage and issue; "Cooler" means any vessel into which worts are passed to be cooled and includes a refrigerator; "Fermenting Vat" means a large vessel or cask wherein fruit juice is fermented; "Fining" means a material added to purify wine; "F.L. Licence and forms" the F.L. licence mentioned in these rules shall mean and refer to concerned licence and forms under the Chhattisgarh Foreign Liquor Rules, 1996 and shall have the same meaning assigned to them in the Chhattisgarh Excise Act, 1915 (No. 2 of 1915) or Chhattisgarh Distillery Rules, 1970. "Licence" means a licence granted under these rules; "Licensee" means a person who holds a licence granted under these rules; "Licensed Premises" means the premises that have been licensed under these rules and which have been specified in schedule appended to Form W-3; "Mash" means sugary solution prepared from fruits; "Mashtun" means a vessel in which fermentable contents are exhausted from fruit materials; "Officer-in-charge" means an Excise Officer, not below.the rank of Assistant District Excise Officer posted to supervise the winery; "Vinery" means a building or place where wine is manufactured and includes every place where wine is stored and delivered; 690 (22) 3. (p) (q) "Winer" means a person holding a licence for winery; "Wine" means the fermented juice sof grapes or other fruits with or without the addition of sugar or jaggery, the fermentation being produced by the yeast naturally present on the skin of fruit or added externally and having alcoholic strength not exceeding 42 percent, of proof spirit; Construction -or establishment of winery.- (l) Winery

shall be constructed and/or established only with an explicit permission of the State Government under these rules. (2) (3) (4) (5) (6) (7) Any person intending to construct and/or establish a winery shall apply to the State Government through the Excise Commissioner for the required permission in Form Every such application shall be accompanied by :- (a) (b) (c) (d) (e) (D Detailed layout plan in quadruplicate of the proposed unit drawn on sheets of tracing cloth as per scale; 'Challan, in original, of payment of fee prescribed by the State Government; The plan' referred to in clause (a) shall contain complete details of the proposed unit including the land buildings, fixtures etc. It will clearly indicate the exact location and dimensions of all the rooms, floors, storey, windows and other opening. The precise location' where. vats, vessels, tanks, pipelines, valves, revenue locks, electric or gas conduits, refrigeration or heating systems and any other apparatus, appliance gadget equipment or machinery shall be installed, fitted or ur,ed along-with details about their capacity, size use etc. must appear , in detail plan. The manner in which the ruums, halls or buildings comprised in the premises shall be utilized, must be specified in the layout. The points where revenue locks shall be attached must be indicated by the symbol RL; A detailed project report of the winey in quadruplicate; A statement in quadruplicate giving in detail the process desired to be adopted for manufacturing wine; Any other certificate, authorization or clearance required from Central Government, å local Body, Town and Country planning Authority or Department, Chhattisgarh pollution Control Board or any other authority or department of the State Government under any enactment or rules, in force. The Excise Commissioner shall after such examination as may deem proper, forward the application to the State Government with is comments and recommendation thereon. (ii) If: the State Government is satisfied ot the oposcd scheme of the applicant, it may issue "Letter of intent" in form W-2 to the applicant. Where it appears that the application is not complete in all material particulars or is not accompanied by the required documents the State Government or the Excise ommissioner or any other officer authorised in his behalf shall serve a noti e by registered post in writing, requiring the applicant to complete all • Lerial particulars, to furnish the required documents not later that 30 (thi ty) days from the date of communication of the said notice. An application for the grant or renewal made under these rules shall not be refused by the sanctioning Authority only on the ground that application in not complete in all material particulars or is not accompanied by the documents. Government reserves the right to reject the application after hearing the applicant. In addition to issuance of "Letter of Intent" the State Government shall forward the duplicate, triplicate and quadruplicate copies of the project- report' and statement of manufacturing process referred "to in clause (d) and (e) of. sub-rule (3) after duly stamping them with the official seal in token of its approval to the •applicant, the Excise Commissioner and• the •District Excise •Authority of the •relevant district respectively. The originav shall be retained by •the Government.' The Dishric€pxcise (8) (9) (10) (11) 2013 Authority shall keep an attested photocopy of both these documents in his office and send the quadruplicate copies bearing the stamp of the State Government to the officer-in-charge whenever the plant is commissioned. The "Letter of Intent" thus issued shall be valid for two years from the date of communication within which period the holder thereof shall Complete the construction of the building and installation of plant and machinery in all respects according to the plan approved by the State Government and make the unit ready for commissioning. In case the applicant fails to complete the job within stipulated period of two years, the "Letter of Intent" granted shall be liable to cancellation •without compensation for any damage or loss to the holder thereof : Provided that where after receiving the recommendation of the Excise Commissioner if the State Government is satisfied that failure on the part of the applicant to complete the work as per approved plan within the specified period is attributable to circumstances beyond control of the holder of the letter of intent or there are other valid réasons, it may grant extension of the period of the letter of intent up to a period not exceeding one year. The "Letter of Intent" issued under sub-rule (5) shall not create any prerogative in favour of its holder for grant of a licence and shall be liable to be revoked or withdrawn at any time in public interest after giving him, a notice to show cause against such action and hearing him if he so desires. No cffnpen,sation for damage or loss shall be payable when the "Letter of Intent" is revoked or withdrawn under sub-rule (IO). The holder of "Letter of Intent" shall not transfer or sub-lease it or enter into agreement with any other person for the construction of winery without the previous sanction of the State Government

**4. Grant and renewal of licence for a winery.**(1) The holder of "Letter of Intent" shall report to the Excise Commissioner, the date on which the construction of the premises and installation of plant is complete and formally make a request to him to grant a licence. (2) (3) (4) (5) The application mentioned

in sub-rule (1) with following documents shall normally be made through the District Excise Authority of the concerned district who shall forward it to the Excise Commissioner:- (a) Report of the committee appointed by the State Government ensuring that the premises have been built and plant erected in accordance with the approved plan enclosed with the "Letter of Intent" and that the plant is ready for commissioning. (b) A copy of challân, of payment of prescribed licence fee. The Excise Commissioner after taking into consideration the report of the Committee along with documents specified in sub-rule (2) or after making such further inquiries as he deems necessary may grant the licence in Form W-3 or may refuse to grant the licence. The licence thus granted shall be for a period ending financial year in which it is granted and may be renewed by the Excise Commissioner for one financial year at a time on payment of prescribed licence fee. The request for renewal shall be decided on merits, the factors to be considered being whether the licensee has duly observed the conditions of licence and had complied with all rules and orders or directions issued by the Excise Commissioner. The application for renewal of licence shall be submitted through the District Excise Authority of the concerned districts. The application must reach to the office of the District Excise Authority by the end of January immediately preceding the financial year for which renewal is desired. If any addition and alteration in the building, plant, has to be made, fresh blueprints showing clearly all alterations to 690 (24) 5, (8) (9) (10) 6 2013 be carried out, shall be attached to the application. If no addition or alteration is proposed then a certificate to that effect by the officer-in-charge shall be attached. No licence shall be granted or renewed unless the applicant or the licensee has deposited a sum prescribed by the Excise Commissioner as security for due performance of licence conditions. Any liability arising against the licensee by way of duty fee, penalty etc. under the provisions of the Act or these rules, shall be recoverable from the amount of security deposit and the reduced security amount shall be indemnified to that extent by the licensee within fifteen days. In case the licence is cancelled for gross violation of any condition or any other reason, the security amount shall stand forfeited. Immediately after the initial grant of a licence or its renewal, the licensee shall execute a counter part agreement in Form W-14 and shall not commence working of the Winery unless done so. The Licensee shall not hypothecate, sell, mortgage, transfer or sub-lease the licence or enter into partnership for working of the licence, without previous permission of the Excise Commissioner. Such a permission if granted shall be endorsed on the licence. No addition or alteration in the building or the plant machinery shall be done without the prior approval in writing of the Excise Commissioner : Provided that minor additions, minor alterations or repairs of urgent nature may be permitted by the officer-in-charge-subject to immediate report and subsequent approval of the Excise Commissioner. A licence granted or renewed under these rules shall remain in force for the period specified therein, unless it is suspended, cancelled, withdrawn or surrendered earlier.

**Arrangement in a winery.-** (1) The licensee of winery shall provide separate room for each of the following purposes:- (2) (3) (4) (5) (6) (7) (8) (9) (i) Fermentation process. (ii) Manufacturing Operations. (iii) Storage of spirit. (IV) Bottling of Wine. (v) Storage of manufactured wine in sealed bottles and other receptacles. No room shall be used for more than one purpose. Every room shall be well ventilated and all the windows and apertures thereof securely barred and covered with iron grills. There should be a sign board outside every room, on which the purpose of the room shall be written in oil paint. All gas and electrical connections within the licensed premises shall be so fixed as to ensure that the supply of gas or electricity can be cut off when required and all the regulators and switches are securely locked at the end of the day's work. There shall be only one entry to and one emergency exit from the licensed premises. Every door inside the winery shall be securely locked with a revenue-lock. The licence shall cause to be written in legible letters with oil paint colours on some conspicuous part, name of every vat, mash-tun, under back, copper, heating-tank, cooler, fermenting-vessels etc. to be used by him and the purpose for which it is used. Where more than one vat, vessel, room or place is used for the same purpose, they shall bear distinctive serial numbers. All vats, vessels and other receptacles shall be placed and fixed in such a manner as to ensure that the contents can be accurately ascertained by gauge or measure and shall not be altered in shape, position or capacity unless the officer-in-charge has been informed of that a fortnight ago. All vats, vessels and receptacles shall be gauged jointly by the officer-in-charge and the licensee and a table shall be prepared which shall show the total capacity of each 6 2013 690 (25) 6. vessel in liters or kilograms, as the case may be, and the capacity in depth at each centimeter. (IO) No vessel which has been altered in shape, capacity or position shall be taken in use unless it has been regauged and a table prepared as provided in sub- rule (9) above. General conditions binding on the

licensee.- (1) The licensee shall manufacture wine according to the approved manufacturing process under sub-rule (7) of rule 3. (2) Every winery shall be under the control of an Assistant District Excise Officer to be designated as officer-in-charge placed by the Excise Commissioner. More officers of junior ranks shall also be appointed to assist officer-in-charge in his supervisory / functions. (3) (4) (5) (6) (7) (8) (9) (10) (11) (12) (14) (15) Officer-in-charge and other Excise Supervisory staff posted shall be provided with suitable residential accommodation with necessary facilities in the licensed premises or in its close vicinity by licensee as approved by the Excise Commissioner. The licensee shall provide, for the officer-in-charge a duly furnished office 'within the licensed premises. The Excise Supervisory staff working on public holidays or beyond normal working hours shall be paid overtime allowance by the licensee as per scale fixed by the Excise Commissioner. The licensee shall make proper arrangements for the treatment and disposal of effluents and all other waste material in the manner laid down by the State Government and Chhattisgarh Pollution Control Board. The licensee shall get the entire premises including buildings, structures, plant and machinery, insured against fire or accident and he shall arrange for suitable fire safety measures and satisfactory fire-fighting apparatus. The licensee shall provide and maintain in the licensed premises sufficient and accurate scales, weights, measures, lights, ladders and other appliances as instructed by officer-in-charge or other officer to enable the officer-in-charge or any other inspecting officer to take account of or to check by weight, gauge or measure, all material work, wash of wine manufactured, vetted, stored or bottled. The licensee shall have the right of bottling the wine manufactured in the, licensed premises. All the manufacturing operations shall be conducted under proper— hygienic conditions. Only pure filtered water shall be used. Under, no circumstances any ingredient or materials injurious to human health shall be used at any stage of manufacture. & The licensee shall inform the Excise Commissioner "without loss of time if there is discontinuance of manufacture of wine and the reasons thereto. On receipt of any direction from the Excise Commissioner or any officer authorised by him to remove any defect in' building or plant or in the arrangement for' fermentation, storage, pasteurization, bottling; issue etc. the licensee shall attend to it at once and shall remove the defect by the date specified therein.. In case where a license is granted in any other company, it shall be binding on such company to communicate in detail to the authority, any change in the Directors of Company, such as names and addresses within fifteen days of change. The licensee may appoint any competent person to act as his agent with prior approval of the Excise Commissioner. The particulars of all persons including their names and qualifications to be employed either as a winer, manager, chemist, technician, labour or in any capacity whatsoever, shall be submitted to the officer-in-charge for approval. No person other than those approved by officer-in-charge shall be permitted to work therein or make entries in the account books. 690 (26).- (16) (17) (18) (20) (21) 6/2013 The licensed premises shall be opened only for the entry or exit of persons who have business therein and authorised to be there in connection with such business. Others may enter only with permission of the officer-in-charge. The officer-in-charge shall have the right to make a person leave the premises if he is engaged in riotous behavior or commit any offence. He shall also have the right to get the person searched before leaving the premises. The licensee shall immediately report to the officer-in charge in case any condition of licence is breached by any one of his employees. The licensee shall keep the licensed premises and all the material therein open during the inspection and examination by the officers empowered under Section 51 of the Act. He shall render all possible help in such inspection and examination. The licensee shall maintain an inspection book pagged and stamped by the officer-in- charge in which the inspecting officers may record their inspections, notes or special remarks. After the expiry of licence, the licensee shall hand over the inspection book, various registers maintained and licence to the officer-in-charge. By the fifth day of every month the licensee shall submit in Form W-13 an inclusive return of the transactions made in the winery during the preceding month to the officer-in-charge. Rules of general application and general licence conditions rules framed in exercise of the powers conferred by Section 62 of the Act and all other powers enabling in that behalf shall apply mutatis mutandis to the winery licensee, except such conditions which are either specially provided or are not in any contradiction to the provisions of these rules. 7

**8. Manufacture of wine.-** (1) El'he wine shall be manufactured according to the formula and the process of manufacture submitted by the licensee and approved by the State Government. (2) The Spirit required for fortifying wine shall be obtained, stored and utilised in accordance with the rules made under

Chhattisgarh Foreign Liquor Rules, 1996. Quality control.- (1) The licensee shall establish a well equipped laboratory within the licensed premises which should be manned by qualified technicians. (2) (3) (4) (5) (6) Chellical analysis as mentioned below shall be carried out in the laboratory established within the licensed premises:- (i) The base, water, finings, colouring and flavouring agents, spirit must be tested before they are used in the manufacture of wine. (ii) Every batch of manufactured wine, before it is transferred to storage vats, must be tested. (iii) • Samples may be drawn from worts or spirit at any stage and tested. The officer-in-charge may also take samples for analysis in the laboratory located at the Excise Commissioner's office Raipur any other laboratory as may be directed by the Excise Commissioner on the following occasions:- (i) When the officer-in-charge apprehends that the manufactured or stored wine is not of the required standard or quality, (ii) When a random sampling for testing is ordered by the Excise Commissioner, (iii) When the officer-in-charge himself opts for random sampling for the purpose of testing If the officer-in-charge believes that the manufactured wine is not of the required quality, he shall not permit it to be transferred to storage vats unless he has got samples of it taken and analyzed at the laboratory mentioned under sub-rule (3). Any base, water, finings, colouring and flavoring substance that are found to be of sub-standard quality, shall not be used in the process of manufacture. All manufactured found conform\* to IS o. standards laid down by the Excise Commissioner, or found unfit for human consumption on chemical analysis, shall be rejected and destroyed or disposed of in 6 2013 690 (27) (7) (8) (9) (10) the manner as ordered by Excise Commissioner or any other officer authorised by him. An account of test shall be maintained in the laboratory in Form W-5 and the officer-in-charge shall verify the entries. Any quantity left over after the test at the licensee's laboratory shall be mixed back with the main bulk. The samples taken by the officer-in-charge or any other officer authorised under Section 51 of the Act shall be free of cost. All samples shall be drawn by the licensee in the presence of the officer-in-charge in a manner directed by the Excise Commissioner. 9. 10. 11. 12

**13. Registers to be maintained by licensee.-** (1) The licensee shall keep an account of all processes and operations undertaken/transacted in the winery including fermentation, manufacture, storage, bottling, issuance of wine from the winery, in the registers as specified below, namely:- (a) (b) (c) (d) (e) (f) (g) (h) (i) (j) Register of vats, vessels and receptacles in the winery in Form W-4. Register showing quantity of wine used for analysis in Form W-5. Register showing the account of flavoring substances used in the manufacture of wine in Form W-6. Register showing the deposit of bottling fee in Form W-7. Register of transactions in the fermentation room (s) of the winery in Form W-8. This register shall be maintained fermentation room wise. Once the fermentation is complete the fermented material shall be transferred to the manufacturing room and the quantity thus transferred shall be noted in column 7 of the register. Register of operations in the manufacturing room in the winery •in Form W-9. Register of transactions in the storage room in the winery in Form W- 10. Register of operations in the bottling room in the Winery in Form W-11. Register of receipts and issue from the bottle-store room in Form W-12. Return of transactions during a month in Form W-13. (2) (3) In addition to the registers mentioned in clause (i) of sub-rule (1), the licensee shall also maintain any other register, account book containing such details, as directed by the Excise Commissioner from time to time. All registers prescribed under this rule or by the Excise Commissioner shall be written, completed and initialed daily by the licensee or his authorised agent. **Registration of labels.-** The provisions of the Chhattisgarh Foreign Liquor Rules, 1996 shall apply mutatis mutandis to registration or de-registration of labels of wine. **Supervision charges payable by the licensee.-** (1) The licensee shall pay in advance, supervision charges on rate prescribed by the State Government to defray in full or part the expenditure incurred on the salary and other claims of the excise staff posted in winery exclusively for supervision work. (2) The supervision charges shall be recovered in the district where winery is situated. **Bottling fee payable by the licensee.-** The licensee shall pay bottling fee, in addition to another feemd duty at such rate as may be prescribed by the State Government. **Transport of wine.-** (1) All transportations of wine or bottled wine shall be carried out in accordance with the provisions of sub-rule (8) of rule 8 and rule 14 of the Chhattisgarh Foreign Liquor Rules, 1996. (2) Transport fee or duty liable on such transport shall be deposited in the district where the licensed premises of the purchasing licensee are situated. 690 ( 28") 6 2013 14. 15. 16. 17. 18

**19. Export of wine.-** (1) The provisions of rule 12 and 13 of the Chhattisgarh Foreign Liquor Rules, 1996 shall apply for export of wine. (2) Export-fee payable on all exports shall be deposited in the district issuing export-permit in Form F.L

**22. Import of wine.-** (1) Import of wine may be allowed into Chhattisgarh in accordance with the procedure laid down in rule IO and I I of the Chhattisgarh Foreign Liquor Rules, 1996. (2) Import fee, duty or bottling fee recoverable on such imports shall be recovered in the district issuing no objection certificate (NOC). Issue of wine from the winery.- (1) Bottled wine shall be issued from a winery to the licensee mentioned below, namely:- (a) (b) (c) (d) to F.L. 10 licensee on payment of transport fee. to F.L. 11 licensee on payment of duty. to appropriate licensees, of other states on payment of export-fee and execution of a bond in Form F.L

**23. Foreign liquor warehouse.**(2) Duty, bottling fee, permit fee, transport fee and export fee shall be deposited in the district wherein the licensed premises of the concerned. F.L. IO, F.L. 11, W-3, F.L. 2, F.L. 3 licensees are situated. Disposal of balances.- (1) Whenever a licence in Form W-3 ceases to exist, as a result of its expiration, cancellation or any other reason whatsoever, the former licensee shall immediately place the entire stock of manufactured wine and bottled wine available or stored in the manufacturing-room, storage-room or bottle-storeroom as the case may be at the disposal of the officer-in-charge. (2) The former licensee shall be given ten days time. for bottling the entire stock of manufactured wine available or stored in the manufacturing or storage room. (3) The bottled wine placed at the disposal of officer-in-charge under sub-rule (1) or manufactured wine bottled under sub-rule (2) shall be disposed off in accordance with sub-rule (6) of rule 18 of the Chhattisgarh Foreign Liquor Rules, 1996 as it is applicable to balance left in similar circumstances with an F.L.9 or F.L. 9-A licensee. (4) Manufactured wine available or stored in the manufacturing or storage room that remains unbottled even after a period of ten days permitted under sub-rule (2) above shall be destroyed or disposed of in such a manner as directed by the Excise Commissioner. Permissible quarterly losses within a winery,- (1) Verification of the stock of a wine; y shall be made at such intervals and in such manner as the Excise Commissioner may direct. manufactured, excluding stock raking : Provided that in every winery quarterly allowance of five percent loss for wine manufactured shall be made to cover losses on account of racking, storage, pasteurization and other contingencies within the winery. This quarterly allowance shall be calculated on the actual balance in hand at the end of previous quarter plus the quantity since manufactured and received. At the end of the financial year the quarterly figures of such wastages shall be totaled and action against the licensee shall be taken if the actual yearly wastages exceed the permissible limit of five percent. (3) In blending operations undertaken in a winery an allowance of one percent loss shall be admissible in each operation on the quantity that is added to the vat. Maximum limit and losses permitted on transport etc.- (1) The limits of permissible losses of bottled wine during transport or export shall be the same as provided in sub-rule (1), (3) and (4) of rule 16 of the Chhattisgarh Foreign Liquor Rules, 1996. 6 2013 690 (29) 20. 21. 22. (2) If cases of excess losses during the transport or export of bottled wine are reported, provisions of sub-rule (5) of rule 16 of the Chhattisgarh foreign Liquor Rules, 1996 shall apply to settle them. (3) All cases of wastages of bottled wine stocked within F.L. 6 or F.L. IO licensee shall be dealt with under sub-rule (2) of rule 17 of Chhattisgarh Foreign Liquor Rules, 1996. Miscellaneous.- (1) Strength at which wine has been bottled shall be declared on the label pasted on the container thereof, however, a deviation margin upto 0.5 degree from the proof strength declared, shall be permissible. (2) The licensee shall be bound by rule 18 of the Chhattisgarh Foreign Liquor Rules, 1996. Penalty imposable on contravention of licence conditions.- (1) The Excise. Commissioner may impose a penalty not exceeding Rs.50,000 for contravention of any condition of licence granted under these rules or order issued by him and may further impose, in the case of continued contravention, an additional penalty not exceeding Rs. 1,000. per day during the period such contravention continues. (2) On all deficiencies in excess of the limit mentioned in rule 19 of these rules, the licensee shall be liable to pay penalty at a rate not exceeding Rs.5 per bulk litre to be imposed by the Excise Commissioner or any other officer authorised by him. (3) The penalty imposable under sub-rule (2) may be waived, if the licensee proves that the excess deficiency was owing to unavoidable factors. Repeal and Savings.- All rules corresponding to these rules and in force immediately before the commencement of these rules are hereby repealed in respect of matters covered by these Provided that any order made or any action taken under the rules so repealed, in so far as it is not inconsistent with the provisions of these rules, shall be deemed to have been made or taken under the corresponding provisions of these rules.
