Atal Nagar, the 11th February 2022

NOTIFICATION

No.F- 4-34/Seven-1/2021.— In exercise of the powers conferred by clauses (lxi) and (lxii) of sub-section (2) of Section 258 of the Chhattisgarh Land Revenue Code, 1959 (No. 20 of 1959), read with Section 240 and 241, and in supersession of the rules regarding prohibition or regulation of the cutting of trees, Notification No. F.2-8-Seven-sha- 8-94, dated 29th July, 1997 and the rules regarding regulation of the felling and removal of timber in villages adjoining Government Forest's, Notification No 218-6477-Seven-Na (Rule), dated 06th January, 1960, the State Government, hereby, makes the following rules, namely: -

RULES

1. Short title, extent and commencement.- (1) These rules shall be called the Rules of Felling of Trees, 2022.

(2) These rules shall be applicable in whole of the State of Chhattisgarh, where the Code is in effect.

(4) The word "Code" mentioned in rules means the Chhattisgarh Land Revenue Code, 1959 (No. 20 of 1959).

2. No tree shall be cut, felled, girdled or otherwise damaged,-

- (a) within 20 metres of the extreme edge of the bank of any water course, spring or a tank;
- (b) over an area covered by a grove within a radius of 20 metres of a sacred place;
- (c) in the area under plantation of tree species under the Van Mahotsava programme or under any other similar scheme;
- (d) over an area set apart for an encamping ground, burial or burning ground, gothan, threshing floor, bazaar or abadi.

Explanation – for the purposes of clause (a) a water course shall include all streams, rivers, rivulets and nallas which usually retain water up to the end of December, but shall not include small temporary channels formed by the run off of water during the monsoon.

3. Sub-Divisional Officer (revenue) may recommend the cutting of trees specified in rule 2 in the circumstances enumerated below, namely: –

- (i) the trees or part thereof are likely to cause any harm or damage to life and property or that there is likelihood of pollution of drinking water;
- (ii) the trees are dead or dying;
- (iii) the removal of trees is likely to beautify or increase amenities in a place of public utility;
- (iv) fruit bearing trees, which have become sterile, dried trees;
- (v) other than fruit bearing species, which have attained the exploitable girth (girth fixed by the concerned forest division can be considered as exploitable girth);

- (vi) trees, which are required to be cut in public interest.
4. Trees of the following species which are dead or dying can be cut with written recommendation, given by the Gram Panchayat after valid resolution passed in the Gram Sabha constituted under the Chhattisgarh Panchayat Raj Adhiniyam, 1993 (No. 1 of 1994): –

- (i) Mango (*Mangifera indica*)
- (ii) Indian Blackberry (*Syzygium Cumini*)
- (iii) Tamarind (*Tamarindus Indica*)
- (iv) Mahua (*Madhuca Latifolia*)
- (v) Chandan (*Santalum Album*)
- (vi) Chhind, Taad and all other species of palm except Khajur
- (vii) Harra (*Terminalia Chebula*)
- (viii) Neem (*Azadirachta Indica*)
- (ix) Kadamb (*Anthocephalus Kadamba*)

Provided that in any other circumstances, that is, other than when they are dead or dying, the trees of the above species shall not be cut without the written recommendation of the Sub-Divisional Officer (revenue).

5. Trees standing on Government or unoccupied land shall not be cut without the recommendation of the Sub-Divisional Officer (revenue):

Provided that the Gram Panchayat through a valid resolution passed in its duly convened meeting, may recommend cutting and removal of trees or parts thereof of Babool species from unoccupied lands in the village, for bonafide use of the residents of that village, in accordance with the Nistar Patrak Prepared under Section 234 of the Code.

6. Registration, in Tahsil office, of trees.- (1) If the land of any Bhumiswami has, tree, naturally grown or planted, as agriculture, before or after the coming into force of this rule, and it is not recorded in the relevant revenue records, the Bhumiswami shall give intimation in form-A to the Tahsildar and the forest range officer, within six months of the coming into force of this rule.
- (2) On receiving the intimation in form-A, the Tahsil office shall register in Form-B after field verification. Tahsildar shall ensure the entries of the registered trees in the revenue (Panchsala khasra). The entries of current status shall be made in annual crop- survey also.

7. **Felling of naturally grown trees.** – (1) Bhumiswami shall give application in form-C, for felling of naturally growth trees on his land, to Sub-Divisional Officer (revenue), who will forward it for joint inspection to revenue officer/staff not below Revenue Inspector and forest officer/staff not below Vanpal. Inspection report in form-D, including the title of Bhumiswami with respect to the trees, registration in revenue records, death/maturity of trees, indispensability of felling for agriculture/business of Bhumiswami etc, within 30 workdays shall be sent. Sub-Divisional Office (revenue) may proceed without getting inspection report within prescribed period, also.

- (2) Sub-Divisional Officer (revenue) shall send his recommendation in form-E, to applicant and Divisional Forest Officer, within 45 workdays of receiving the application. If the applicant does not receive written decision of Sub-Divisional Officer (revenue) on his application within 45 workdays, he may give reminder by another written application. If any written decision of Sub-Divisional Officer (revenue) is again not received in further period of 30 workdays, then it shall be deemed that the recommendation has been given on the application and the applicant shall be free for felling of asked trees. The Sub-Divisional Officer (revenue) shall be answerable for the delay and the contravention of rules, if any.

- (3) The felling of naturally grown trees may be recommended for maximum 04 trees per acre and maximum 10 trees in total over a land holding, in a calendar year.

- (4) Bhumiswami may cut down trees subject to the provisions of the Chhattisgarh Transit (Forest Produce) Rules, 2001, framed under the Chhattisgarh Van Upaj (Vyapar Vinayaman) Adhiniyam, 1969 (No. 9 of 1969) and Indian Forest Act, 1927 (No. 16 of 1927) within 30 workdays of receiving competent recommendation. Divisional Forest Officer, ensuring the felling of trees and transit to depo and calculating the value of log as per

fixed rates, shall deposit 90% of total value in bank account of the Bhumiswami, and remaining 10% value shall be deposited in a fixed account of forest department. From deposited amount, forestation and their upkeep by forest department shall be done in number 10 times of each felled tree. Trees of minimum 6 feet shall be planted by forest department and the report of plantation shall be given to Collector, through Sub-Divisional Officer (revenue), each year.

(5) The recommendation, received under these rules, shall be valid till one calendar year from the date of application.

8. Felling of planted trees.- (1) Bhumiswami may cut down trees planted as agriculture in his land, subject to the provisions of the Chhattisgarh Transit (Forest Produce) Rules, 2001, framed under the Chhattisgarh Van Upaj (Vyapar Viniyaman) Adhiniyam, 1969 (No. 9 of 1969) and Indian Forest Act, 1927 (No. 16 of 1927). The intimation in form-F clearly mentioning the reason of cutting, species and number, is necessary to be given, one month prior to the cutting, to the Sub-Divisional Officer (revenue) and Forest Range Officer. The revenue record related to registration and self-declaration in form-G are to be given with the intimation. Sub-Divisional Officer (revenue) shall ensure, through Patwari and Vanpal, the documentary and physical verification of the intimation and the self-declaration provided by Bhumiswami, before the felling of trees.

(2) The forest department, on written expression by the Bhumiswami, may cut down trees planted as agriculture in his land, within 30 workdays of the expression. Divisional Forest Officer, ensuring the felling of trees and transit to depo and calculating the value of log as per fixed rates, shall deposit 90% of total value in bank account of the Bhumiswami, and remaining 10% value shall be deposited in a fixed account of forest department. From deposited amount, forestation and their upkeep by forest department, shall be done in number 10 times of each felled tree. Trees of minimum 6 feet shall be planted by forest department and the report of plantation shall be given to Collector, through Sub-Divisional Officer (revenue), each year.

9. Punishment on contravention.- (1) When any revenue officer has reason to believe that a tree has been cut in contravention of the provisions of these rules, such tree may be seized by or under the written order of the revenue officer.

(2) Where the revenue officer is an officer other than the Sub-Divisional Officer (revenue) a report of such seizure shall, within 07 workdays, be made by him to the Sub-

Divisional Officer (revenue), for such action as he may deem fit under Section 253 of the Code.

10. The appeal, revision and review, against the order/recommendation issued under these rules, may be in the manner, as provisioned in the Code.

11. The provisions of the Chhattisgarh Adim Janjatiyon ka Sanrakshan (Vraksho me Hit) Adhiniyam, 1999 (No. 12 of 1999) shall be applicable in relation to the Bhumiswami of the Scheduled Tribes class of the State.

By order and in the name of the Governor of
Chhattisgarh,
NEELAM NAMDEO EKKA, Secretary.
