No. F-7-29/2012/12.—In Exercise of the powers conferred by Section 15 of the Mines and Minerals (Development and Regulation) Act, 1957 (No. 67 of 1957) read with sub-rule (5) of rule 49 of the Chhattisgarh Minor Mineral Rules, 2015, the State Government, hereby, makes the following further amendment in the said rules with effect from 1st April, 2018, namely:—

1. For Schedule-III, the following shall be substituted, namely:;s

## Rates of Royalty

3 / 5

|    |                                                                                                          |                         |
|----|----------------------------------------------------------------------------------------------------------|-------------------------|
| 3. | Marble stone used for other purposes                                                                     | Rs. 400 per cubic metre |
| 4. | Flagstone-natural sedimentary rock which is used for flooring, roof top etc.                             | Rs. 120 per cubic metre |
| 5. | Ordinary Sand, bajri                                                                                     | Rs. 50 per cubic metre  |
| 6. | Murum                                                                                                    | Rs. 50 per cubic metre  |
| 7. | Stone                                                                                                    | Rs. 130 per cubic metre |
|    | (a) Boulder                                                                                              |                         |
|    | (b) Gitti, rodmetal                                                                                      |                         |
|    | (c) Dressed Stone, Khanda, Dhoka                                                                         |                         |
| 8. | Ordinary Soil;<br>Soil for making bricks, pots and tiles/soil for commercial used in construction works. | Rs. 50 per cubic metre  |

511

| (1) | (2)                                                                            | (3)                      |
|-----|--------------------------------------------------------------------------------|--------------------------|
| 9.  | (a) Dolomite (industrial use)<br>(b) Dolomite (Road and building construction) | Rs. 90 per tonne         |
| 10. | corundum                                                                       | 15 percent of sale price |
| 11. | Soapstone                                                                      | 20 percent of sale price |
| 12. | Fire Clay/China Clay/Other Clay                                                | 15 percent of sale price |
| 13. | Ochre                                                                          | Rs. 30 per tonne         |
| 14. | Laterite :<br>Metallurgical use/Other use                                      | Rs. 60 per tonne         |
| 15. | Quartz                                                                         | Rs. 90 per tonne         |
| 16. | Quartzite                                                                      | Rs. 140 per tonne        |
| 17. | Silica sand and other sand                                                     | Rs. 75 per cubic metre   |
| 18. | Other Minor Minerals                                                           | Rs. 60 per cubic metre"  |

2. In Schedule-IV, after Serial No. 6, the following shall be inserted, namely, :

| (1) | (2)                                        | (3) | (4)   | (5)    |
|-----|--------------------------------------------|-----|-------|--------|
| "6A | Minerals specified in Part B of Schedule I | Nil | 5,000 | 7,500" |

By order and in the name of the Governor of Chhattisgarh,  
EFFAT ARA, Deputy  
Secretary.

**Note :—** The Chhattisgarh Minor Mineral Rules, 2015, were notified in the Chhattisgarh Rajpatra (Asadharan) dated 27-3-2015, corrigendum dated 30.01.2016 issued for Hindi part of it. The Rules were further amended vide notification number F 6-42/2012/12, dated 23.3.2016, 13.2.2017 and dated 12.4.2017. The principal rules were lastly amended vide notification number F 6-42/2012/12, dated 26.10.2017.
