14. GUJARAT GOVERNMENT GAZETTE, EX-31-03-2011 Suspension and cancellation of licence granted [PART DIV.A (1) The Controller or such other officer authorized by him in this behalf may, if he has any reasonable cause to believe that the holder of any licence issued, renewed or continued under this Act has made any statement or in relation to, any application for the issue, renewal or continuance of the licence, which is incorrect or false in any material particular or has contravened any provision of the Act or any rule or order made thereunder, suspend such licence, pending the completion of inquiry against the holder of such licence: Provided that no such licence shall be suspended unless the

holder thereof has been given a reasonable opportunity of showing cause against the proposed action. Provided further that where the inquiry referred to in this sub-rule is not completed within a period of three months from the date of suspension of a licence, such suspension shall* on the expiry of the period aforesaid, stand vacated. (2) The Controller or such other officer authorized by him in this behalf may, if he is satisfied, after making such inquiry as he may think fit, that the holder of a licence has made a false or incorrect statement of the nature referred to in sub-rule (1), or has contravened any law or order referred to in that sub-rule cancel such licence: Provided that no such licence shall be cancelled unless the holder thereof has been given a reasonable opportunity of showing cause against the proposed action. (3) Every person whose licence has been suspended shall, immediately after such suspension, stop functioning as such licensee and shall not resume business as such licensee until the order of such suspension has been, or stands vacated. (4) Every licensee whose licence has been suspended or cancelled shall, after such suspension or cancellation, as the case may be, surrender such licence to the authority by which such licence was issued. (5) Every licensee whose licence has been cancelled shall, within a period of thirty days from the date of such cancellation, or within such further period, not exceeding three months from such date, as the Controller or such other officer authorized by him in this behalf may, on sufficient cause being shown, allow, dispose of the weights or measures which were in his possession, custody or control on the date of such cancellation and in the event of his failure to do so; the Controller or any other officer authorized by him, in writing, in this behalf, may seize and dispose of the same and distribute the proceeds thereof in such manner as may be prescribed. Records to be maintained by manufacturers, etc. - Every manufacturer or for repairer or dealer in weight or measure licensed under the Act and these rules shall maintain records and registers in the appropriate form as prescribed in Schedule VII. Every licence holder shall furnish appropriate returns in the form as prescribed in Schedule VI duly signed by him to the concerned officer within 15 days from the end of the quarter to which the return relates, if required he shall submit the same in Online form 8.180. Periodical interval for the verification of weights or measures — Periodical interval for the verification of weights or measures shall be as specified in the Legal Metrology (General) Rules. 201 IT Verification and inspection of weights or measures — (1) Every person using any weight or measure in any transaction or for protection shall present such weight or measure for verification / re-verification, at the office of the Legal Metrology Officer or at such other place as the Legal Metrology Officer may specify in this behalf on or before the date on which the verification falls due and shall make an application as per the form prescribed in 'Schedule VIII for getting that weight measure verified / IC, verified: PAK HV-AI GUJARAT GOVERNMENT GAZETTE, EX- 31-03-2011 33-5 16. Provided that Where any weight or measure is such that it cannot, or should not be moved from its location, the person using such weight or measure shall report to the Legal Metrology Officer at least thirty days in advance of the date on which the verification falls due- (2) Where any weight or measure is such that it cannot, should not, be moved from its location, Legal Metrology Officer shall take necessary steps for the verification of such weight or measure at the place of its location. (3) For the verification of weight measure referred to in sub-rule (2) the user shall provide such facilities as may be specified by the Controller, (4) Every weight or measure presented for verification shall be complete in itself. (5) Every weight or measure shall be verified in a clean condition, and if necessary, the Legal Metrology Officer shall require the owner or user to make necessary arrangement for the purpose. (6) A Legal Metrology Officer may visit, as frequently as possible during the period specified in rule 14, every premise within the local limits of his jurisdiction to inspect and test any weight or measure which is being or is intended or likely to be used in any transaction or for protection. (7) The legal metrology officer shall obliterate the stamp on any weight or measure, if it is found during inspection that:- (a) Any weight or measure which being due for re-verification has not been submitted for such re- verification, (b) Any weight or measure which does not conform to the Standards established by or under the Act: Provided that where the legal metrology officer is of opinion that the defect or error in such weight or measure is not such as to require immediate obliteration of the stamp, he shall inform the user of the defect or error found in the weight or measure and call upon user to remove the defect or error within such time, not exceeding eight days and shall- (i) if user fails to remove the defect or error within that period, obliterate the stamp, or (ii) if the defect or error is so removed as to make the weight or measure conform to the standards established by or under the Act, verify and stamp such weight or measure. Explanation: The obliteration of the stamp on any weight or measure shall not take away or abridge the power of the legal metrology officer to seize

such weight or measure in accordance with the provisions of the Act- Stamping of weights or measures (1) The Legal Metrology Officer shall stamp every weight or measure, if after testing and verification, he is satisfied that such weight or measure conforms to the standards established by or under the Act, with a stamp of uniform design, issued by the Controller, which shall indicate the number allotted for administrative purpose to the Legal Metrology Officer by whom it is stamped; Provided that if by reason of the size or nature of any weight or measure it is not desirable or practicable to put a stamp thereon, the Legal Metrology Officer shall take such action as may be directed by the Controller by a general or a special order in writing, (2) The Legal Metrology Officer shall also mark the year and its quarter of stamping on every verified weight or measure except when the size or nature of such weight or measure makes it impracticable- Explanation : A year shall be deemed to consist of four quarters or which first quarter shall be of the months of January, February and March which shall be marked as A; second quarter shall be of the months of April May and June which shall be marked as B, third quarter shall be of the months of July, August and September which shall be marked as C and fourth quarter shall be of the months of October, November and December which shall be marked as D- (3) On completion of verification and stamping the Legal Metrology Officer shall issue a non transferable certificate of verification in the form as prescribed in Schedule VIII., 3.3-6 17

18. GOVERNMENT 31-03-2011 [PART IV-A (4) V]here a certificate of verification is lost or destroyed, the holder of the certificate or verification shall forthwith apply to the Legal Metrology Officer who had issued the certificate, the issue of a duplicate certificate of verification. Every such application for the issue of a duplicate certificate shall be accompanied by fee of rupees twenty five.(5) On receipt of an application under sub-rule the Legal Metrology Officer shall issue to the applicant a duplicate copy of the certificate of verification marked as 'DUPLICATE' Fee for verification (1) Fees payable for verification and stamping of weight or measure at the office or camp office of the Legal Metrology Officer shall be as specified in Schedule IX. (2) If, at the request of the user or weight or measure, verification is done at any premises other than the office or camp office of the Legal Metrology Officer, an additional fee shall be charged at half the rate as specified in the Schedule IX and the user of the weight or measure shall pay the expenses incurred by the Legal Metrology Officer for visiting the premises including the cost of transposing and handling the Working Standard and other equipment subject to a minimum of rupees one hundred, Provided that no additional fee shall be charged for verification and stamping of weights and measures in situ of.- (i) vehicle tanks for petroleum products and other liquids, Meter for Liquids Other than Liquid Water (Fuel Dispenser, Liquid Petroleum Gas, Milk Dispensers, Compressed Natural Gas Dispensers, Non- automatic Weighing Instruments like weighbridges, platform machines, crane scale, Automatic Gravimetric Filling Instruments, Automatic Rail-weighbridge, Discontinuous Totalizing Automatic Weighing Instruments, and such other weight or measure which cannot, and should not be moved from its location", (ii) Weight or measure in the premises of manufacturer or dealer of such weight or measure- (3) If a weight or measure is presented to the Legal Metrology Officer for re-verification after expiry of the validity of the stamp, an additional fee at half the rates specified in Schedule IX shall be payable for every quarter of the year or part thereof, (4) Full fee shall be payable for re-stamping any weight or measure held in stock with manufacturer or dealer within the period specified in rule 14 from the date on which it was last stamped, provided that the original stamp was not obliterated- (5) A weight or measure which on verification is found to be incorrect shall be returned to the person concerned for adjustment informing in a proforma specified by the Controller, of the defects found in the weight or measure, and calling-upon him to remove the defects within a period not exceeding seven days. When the necessary adjustment has been carried out* such weight or measure shall be verified on payment of the fees specified in Schedule IX and if found correct shall be stamped Collection of fees and deposit into the Treasury - (1) Before commencing the work of verification or re-verification, the Legal Metrology Officer shall inform the person concerned of the fees payable by him and shall receive the same in the manner as authorized by the Controller and issue a receipt in the standard prescribed form approved by the Controller, one copy of such receipt being kept on record: Provided that fees payable by a department of the Central State Government under these rules may be realized in such manner as may be directed by the Controller. (2) The Legal Metrology Officer shall maintain a register, in the standard prescribed form approved by the Controller, which shall be written up from day-to-day and shall show the amount of fees and other charges collected during the day. (3) All

payment received by the Legal Metrology Officer during the week shall be paid into the Government Treasury under the appropriate "Head or Account" on such dates or days as may be specified by the Controller from time to time, and a receipt thereof be obtained and an intimation to that effect be sent to the Controller or other officer authorized by him in this behalf. PART TV-A1 GUJARAT GOVERNMENT GAZETTE, EX., 31-03-2011 33-7 19. 21, 22. (1) Any un-verified weight or measure shall be Disposal of seized weights, measures, etc. - returned to the person from whom such 'weight or measure was seized if that person gets the verified and stamped, within fifteen days of the return, on payment of the prescribed fee including the additional fee payable for undertaking re-verification after the expiry of the validity of the stamp. (2) Any weight or measure or document or thing or goods seized and detained under section 15 of the Act, which is to be the subject of proceedings in a court shall be produced by the legal metrology officer before the court shall after conclusion of the proceedings, be taken possession of by the legal metrology officer and dealt with in accordance with the orders of the court: Provided that in the absence of the orders of the court, weight or measure or document or thing or goods shall be dealt with as the controller may by special order direct and the material thereof shall be sold and the proceeds credited to the Government. (3) Where the goods seized under sub-section (1) of section 15 of the Act are not subject to speedy or natural decay; the legal metrology officer may retain the package for the purpose of prosecution under this Act after giving the trader or his agent or the other person (who has committed the offence) a notice of such seizure. (4) The goods referred under sub-rule (5) which are not to be the subject of proceedings in a court, shall after the expiry of sixty days of its seizure, be so dealt with as the Controller may by special order direct. **Validity of weights or Measures duly stamped-** (1) A weight or measure which is, or is deemed to be, duly verified and stamped under these rules shall be deemed to conform to the standards established by or under the Act at every place within the State in which it is stamped unless it is found on inspection or verification that such weight or measure has ceased to conform to the standards established by or under the Act, (2) No weight measure which is, or is deemed to be, duly verified and stamped under this Act shall require to be re-stamped merely by reason of the fact that it is being used at any place within the State other than the place at which it was originally verified and stamped: Provided that where a verified weight or measure, installed at one place is dismantled and re-installed at a different place, such weight or measure shall not be put into use unless it has been duly re-verified and stamped, notwithstanding that periodical re-verification of such weight or measure has not become due. (3) Where a verified weight or measure has been repaired, whether by a licensed repaired or by the person owning and possessing the same, such weight or measure shall not be put into use unless it has been duly re-verified and stamped, notwithstanding that periodical re-verification of such weight or measure has not become due. **Provision of supply of Working/Secondary Standards, equipment, etc. to the Legal Metrology Officer —** (1) Every Legal Metrology Officer shall be provided with Working /Secondary Standards weights, Working/Secondary Standard balances, and such other equipment includes weighing and measuring devices as may be approved by the Controller from time to time. (2) Every Legal Metrology Officer shall be provided with such die stamps, paper seal / sticker and such other equipment as may be necessary for affixing the verification stamp, the design and number of which are to be approved by the Controller. (3) Every Legal Metrology Officer shall be provided with punches of suitable sizes of eight-pointed star as prescribed in Schedule XIV for obliterating stamps. **Provisions relating to use of weight* measure, etc** (1) Every person using a beam scale in any transactions in his premises shall suspend the same to a stand or to a chain by a hook; Provided that this sub-rule shall not apply to itinerant vendors, (2) Every weight measure shall be used in a clean condition and in proper lighting arrangement 33-8 23. 24

26.
