(3) Only beam scale of class A or class B category or a Non- automatic weighing instrument of high accuracy class (class-II) or special accuracy class (class-I), of a value 10 mg shall be used in any transaction or protection referred to in sub-rules (1) and (2). 10. Use of weight only or measure only or number only in certain cases.— Except in the cases of commodities specified in Schedule I, the declaration of quantity in every transaction, dealing or for protection shall be in terms of the unit of, (a) weight, if the commodity is solid, semi-solid, viscous or a mixture of solid and liquid, (b) length, if the commodity is sold by linear measure; (c) area, if the commodity is sold by area measure; (d) volume, if the commodity is liquid or is sold by cubic measure; or (e) number, if the commodity is sold by number. Provided that the Controller, Legal Metrology shall issue instructions, directions or orders on use of specific type of Weight or Measure in any trade from time to time

11. Licencing of manufacturer, ;repairer and dealer of Weight or Every manufacturer or repairer of, or dealer in, weight or measure shall make an application for the issue of a licence to the Controller, Legal Metrology or such other officer as may be authorised by him in this behalf, in the relevant form set out in Schedule 11-A: Provided that no licence to repair shall be required by a manufacturer to repair weight or measure manufactured by him and used in a state other than the state of manufacture of the same, but the manufacturer has to inform in advance the concerned legal metrology officer about the repairing.(2) Every manufacturer or repairer of, or dealer in weight or measure shall make an application for the renewal of a licence within thirty days before the expiry of validity of the licence to the Controller, Legal Metrology or such other officer as may be authorised by him in this behalf, in the relevant form set out in Schedule 11-B. (3) Every licence issued to a manufacturer, repairer or dealer shall be in the relevant form set out in Schedule m. (4) Every licence issued to a manufacturer, repairer or dealer shall be valid for a minimum period of one calendar year and may be renewed for a period of one to five years, by the Controller or such other officer as may be authorised by him in this behalf on payment of yearly fee as specified in the Schedule Iv. (5) The fee payable for the alteration of a licence or for the issue of a duplicate licence shall be as specified in Schedule IV: Provided that a fee at the full rates as specified in Schedule IV shall be additionally payable by the applicant if he is permitted by the Controller to make an application for the renewal of a licence within a period of three months from the date of expiry of the licence. 5 (6) The Controller or such other officer as may be authorised by him in this behalf shall maintain a register of licensed manufacturers, dealers and repairers in the form set out in Schedule V. (7) Every manufacturer/repairer/dealer licensed under the Act and these rules shall maintain such workshop/equipments/tools/registers etc. as the case may be, as per the terms and conditions of the licence. (8) Every repairer licensed under the Act and these rules shall furnish a security deposit for each licence to the Government as specified in Schedule VI. (9) Every licence issued or renewed under the Act and these rules shall be displayed in a conspicuous place in the premises where the licensee carries on business. (10) A licence issued or renewed under the Act and these rules shall neither be saleable nor transferable. (11) Every person applying for a licence to repair should have passed at least a Metric Trade in ITVVHSC or equivalent thereof

12. Suspension and cancellation of licence granted.—(1) The Controller or such other officer authorised by him on behalf may, if he has any reasonable cause to believe that the holder of any licence issued, renewed or continued under the Act has made any statement in, or in relation to, any application for the issue, renewal or continuance of the licence, which is incorrect or false in any material particular or has contravened any provision of the Act or any Rules or Orders made thereunder, suspend such licence, pending the completion of any inquiry against the holder of such licence : Provided that no such licence shall be suspended unless the holder thereof has been given a reasonable opportunity of being heard : Provided further that where the inquiry referred to in this sub-rule is not completed within a period of three months from the date of suspension of a licence, such suspension shall, on the expiry of the period

aforsaid, stand vacated. (2) The Controller or such other officer authorised by him on his behalf may, if he is satisfied, after making such inquiry as he may think fit, that the holder of a licence has made a false or incorrect statement of the nature referred to in sub-rule (1), or has contravened any law or order referred to in that sub-rule, cancel such licence: Provided that no such licence shall be cancelled unless the holder thereof has been given a reasonable opportunity of being heard. 6 (3) Every person, whose licence has been suspended shall, immediately after such suspension, stop functioning as such licensee and shall not resume business as such licensee until the order of such suspension has been, or stands, vacated. (4) Every licensee whose licence has been suspended or cancelled shall, after such suspension or cancellation, as the case may be, surrender such licence to the authority by which such licence was issued. (5) Every licence issued under the Act and these rules shall stand cancelled ab-initio with the demise of the licensee or the dissolution of the partnership or the winding up of incorporation

13. Records to be maintained by manufacturers, etc.—Every manufacturer or repairer of, or dealer in weight or measure licensed under the Act and these rules shall maintain records and registers in the relevant form set out in Schedule VIIA and also submit such periodical report/returns in the relevant form set out in Schedule VII B

14. Verification and inspection of weight or measure.—(1) Every person using or intending to use any weight or measure in any transaction or for protection shall present such weight or measure for verification or re-verification, as the case may be, at the office of the Legal Metrology Officer or at such other place as the Legal Metrology Officer may specify in this behalf on or before the date of verification as specified in Legal Metrology (General) Rule 2011 : Provided that where any weight or measure is such that it cannot, or should not be moved from its location, the person using such weight or measure shall report to the Legal Metrology Officer at least thirty days in advance of the date, on which the verification falls due. (2) Where any weight or measure is such that it cannot, or should not, be moved from its location, Legal Metrology Officer shall take necessary steps for the verification of such weight or measure at the place of its location. (3) For the verification of weight or measure referred to in sub-rule (2), the user shall provide such facilities as may be specified by the Controller. (4) A user fee shall be charged for verification and stamping of weight or measure referred to sub-rule (2) at the rate specified in Schedule IX and the user shall also provide lead and twisted wire wherever required at the time of presenting his Weight or Measure for verification. (5) Every weight or measure presented for verification shall be complete in itself. 7 (6) Every weight or measure shall be verified in a clean condition, and if necessary, the Legal Metrology Officer shall require the owner or user to make necessary arrangement for the purpose. (7) A Legal Metrology Officer may visit, as frequently as possible, every premise within the local limits of his jurisdiction to inspect and test any Weight or Measure which is being or is intended or likely to be used in any transaction or for protection. (8) The legal metrology officer shall obliterate the stamp on any weight or measure, if it is found during inspection that,— (a) any weight or measure which being due for re-verification has not been submitted for such re-verification ; (b) any weight or measure which does not conform to the Standards established by or under the Act : Provided that where the Legal Metrology Officer is of opinion that the defect or error in such weight or measure is not such as to require immediate obliteration of the stamp, he shall inform the user, of the defect or error found in the weight or measure and direct the user to remove the defect or error within such time, not exceeding eight days and shall, (i) if user fails to rectify the defect or error within that period, obliterate the stamp, or (ii) if the defect or error is so rectified as to make the weight or measure conform to the standards established by or under the Act, verify and stamp such weight or measure. Explanation.—The obliteration of the stamp on any weight or measure shall not take away or abridge the power of the legal metrology officer to seize such weight or measure in accordance with the provisions of the Act and these rules

15. Stamping of weight or measure.—(1) The Legal Metrology Officer shall stamp every weight or measure, if, after testing and verification, he is satisfied that such weight or measure conforms to the standards established by or under the Act, with a stamp of uniform design, issued by the Controller, which shall indicate the number allotted for administrative purpose to the Legal Metrology Officer by whom it is stamped : Provided that if by reason of the size or nature of any weight or measure it is not desirable or impracticable to put a stamp thereon, the Legal Metrology Officer shall take such action as may be directed by the controller by a general or a special order in writing. (2) The Legal Metrology Officer shall also mark the year and its quarter of stamping on every verified weight or measure except when the size or

nature of such weight or measure makes it impracticable. 8 Explanation.—A year shall be deemed to consist of four quarters of which first quarter shall be of the months of January, February and March which shall be marked as A; second quarter shall be of the months of April, May and June which shall be marked as B, third quarter shall be of the months of July, August quarter shall be of the months of September, October and November which shall be marked as C and fourth quarter shall be of the months of December, January and February which shall be marked as D. (3) On completion of verification and stamping, the Legal Metrology Officer shall, issue a certificate of verification in the form set out in Schedule VI. (4) Where a certificate of verification is irrecoverably lost or destroyed, the holder of the certificate of verification shall forthwith apply to the Legal Metrology Officer who issued the certificate for the issue of a duplicate certificate, of verification. Every such application for the issue of a duplicate certificate shall be accompanied by a fee of rupees one hundred. (5) On receipt of an application under sub-rule (4), the Legal Metrology Officer shall issue to the applicant a duplicate copy of the certificate of verification marked 'DUPLICATE'

16. Fee for Verification* 1) Fees payable for verification and stamping of weight or measure at the office or camp office of the Legal Metrology Officer shall be as specified in Schedule X.(2) If, at the

request of the user of weight or measure, verification is done at any premises other than the office or camp office of the Legal Metrology Officer, an additional fee shall be charged at half the rate specified in the Schedule IX and the user of the weight or measure shall pay the expenses incurred by the Legal Metrology Officer for visiting the premises including the cost of transporting and handling the Working Standard and other equipment subject to a minimum of Rupees one hundred : Provided that no additional fee shall be charged for verification and stamping of weights and measures in situ of,- (i) Vehicle tanks for petroleum products and other liquids, Meter for Liquids Other than Water (Fuel Dispenser, Liquid Petroleum Gas, Milk Dispensers), Compressed Natural Gas Dispensers, Non-automatic Weighing Instruments like weighbridges, platform machines having capacity of 1000 kg and above, crane scale, Automatic Gravimetric Filling Instruments, Automatic Rail- weighbridge, Discontinuous Totalizing Automatic Weighing Instruments, and such other weight or measure which cannot, and shall not be removed from its location, (ii) Weight or measure in the premises of manufacturer or dealer of such weight or measure. (3) If a Weight or measure is presented to Legal Metrology Officer for re-verification after expiry of the validity of the stamp, an additional fee at half the rates specified in Schedule IX shall be payable for every quarter of the year or part thereof. (4) Full fee shall be payable for re-stamping any weight or measure held in stock with manufacturer or dealer within the period as specified, in the Legal Metrology (General) Rules, 2011. (5) A weight or measure which on verification/inspection is found to be incorrect, shall be rejected and returned to the person concerned for adjustment informing him, in a form as specified by the Controller of the defects found in and calling upon him to remove the defects within a period not exceeding seven days. When the necessary adjustment has been carried out, such weight or measure shall be verified on payment of fifty per cent of the fee specified in Schedule IX, failing which full fee shall be charged and if found correct shall be stamped

17. Collection of fee and deposit into the Treasury.—(1) Before commencing the work of verification or re-verification, the Legal Metrology Officer shall inform the person concerned of the fees payable by him and shall receive the same in the manner as authorised by the Controller and issue a receipt on the form approved by the Controller, and the duplicate copy of such receipt being kept on record: Provided that fee payable by a department of the Central or State Government under these rules may be realized in such manner as may be directed by the Controller. (2) [The Legal Metrology Officer shall maintain a register, in the form as set out in Schedule IX-B, which shall be written up from day-to-day and shall show the amount of fee and other charges collected during the day. (3) All payment received by the Legal Metrology Officer during the week shall be paid into the Government Treasury under the appropriate "Head of Account" on such dates or days as may be specified by the Controller from time to time, and a receipt thereof be obtained and an intimation to that effect be sent to the Controller or other officer authorised by him in this behalf

18. Disposal of seized weight, measure, etc.—(1) Any un-verified weight or measure shall be returned to the person from whom such weight or measure was seized if that person gets the same verified and stamped, within fifteen days of the return, on payment of the prescribed fee including the additional fee payable for undertaking re-verification after the expiry of the validity of the stamp. (2) Any weight or measure or document or thing or goods seized and detained under sections 15 of the Act, which is to be

the subject of proceedings in a Court shall be produced by the Legal Metrology Officer before the court shall after conclusion of the proceedings, be taken possession of by the legal metrology officer and dealt with in accordance with the orders of the Court: Provided that in the absence of the orders of the Court, weight or measure or document or thing or goods shall be dealt with as the Controller may by special order direct and the material thereof shall be sold and the proceeds shall be credited to the Government. (3) Where the goods seized under sub-section (1) of Section 15 of the Act are contained in a package and the package is false or does not conform to the provisions of the Act or any rules made thereunder and the goods in such package are subject to speedy or natural decay, the Legal Metrology Officer so far as may be, may dispose of the goods in such package in accordance with the provisions of sub-rule (3): Provided that the Controller shall be the final authority to decide whether the goods seized and detained are subject to speedy or natural decay. (4) Where the goods seized under sub-section (1) of Section 15 of the Act are not subject to speedy or natural decay, the Legal Metrology Officer may retain the package for the purpose of prosecution under this Act after giving the trader or his agent or the other person (who has committed the offence) a notice of such seizure. (5) The goods referred under sub-rule (3) and (4) which are not to be the subject of proceedings in a Court, shall after the expiry of sixty days of its seizure, be so dealt with as the Controller may direct by general or special order

19. Validity of Weights or Measures duly A weight or measure which is, or is deemed to be, duly verified and stamped under this Rule shall be deemed to conform to the standards established by or under the Act at every place within the State in which it is stamped unless it is found on inspection or verification that such weight or measure has ceased to conform to the standards established by or under the Act, (2) No weight or measure which is, or is deemed to be, duly verified and stamped under the Act shall require to be re-stamped merely by reason of the fact that it is being used at any place within the State other than the place at which it was originally verified and stamped: Provided that where a verified weight or measure, installed at one place is dismantled and re-installed at a different place, such weight or measure shall not be put into use unless it has been duly re-verified and stamped, notwithstanding that periodical re-verification of such weight or measure has not become due. (3) Where a verified weight or measure has been repaired, whether by a licensed repairer or by the person owning and possessing the same, such weight or measure shall not be put into use unless it has been duly re-verified and stamped, notwithstanding that periodical re-verification of such weight or measure has not become due

20. Supply of Working/Secondary' Standards, equipment, etc., to the Legal (I) Every Legal Metrology Officer shall be provided with Metrology Officer. Working/Secondary Standards weights, Working/Secondary Standard balances, and such other equipments which include weighing and measuring devices as may be approved by the Controller from time to time. (2) Every Legal Metrology Officer shall be provided with such dies, punches, paper seal/sticker and such other equipment as may be necessary for affixing the verification stamp, the design and number of which are to be approved by the Controller. (3) Every Legal Metrology Officer shall be provided with punches of suitable sizes of eight-pointed star as shown below for obliterating stamps

21. Uniform for Assistant Controllers of Legal Metrology, Senior Inspectors of Legal Metrology and Inspectors of Legal Metrology.—The Assistant Controller of Legal Metrology, Senior Inspector of Legal Metrology and Inspector of Legal Metrology shall wear the following uniform while on duty, either in office or in the field:— (a) Assistant Controllers of Legal Metrology.—(1) 'Khaki Forage Cap with a crest of the following design made of silver metal and having an overall height of 38 mm to be worn in the centre of the Cap: (2) Cavalry pattern bush coats with full sleeves of Khaki, terry cotton or polyester having two breast-pockets and two side pockets, the side pockets being inside, with cloth belt. In exercise of the powers conferred by Section 72 of Weights and Measures (Enforcement) Act, 1985 (Central Act 54 of 1985), Government of Kerala as per G.O. (Ms.) No.338/92 dated 24-7-1992 made the Kerala Standards of Weights and Measures (Enforcement) Rules, 1992 and published it as S. R. O. NO. 895/92 in the Kerala Gazette Extraordinary dated 24-7-1992 for enforcement of the said Act. Now the Legal Metrology Act, 2009 (Central Act 1 of 2010) notified by Central Government on 14th of January, 2010 in the Official Gazette of Government of India will repeal the Standards of Weights and Measures Act, 1976 and the Standards of Weights and Measures' (Enforcement) Act, 1985 from the 1st day of April, 2011. Government of India circulated a draft model Legal Metrology (Enforcement) Rules for all State Governments/Union Territories in the Indian Union for consideration, while framing the Legal Metrology (Enforcement) Rules for the State Governments repealing the existing Enforcement Rules. Hence, in order to replace the Kerala Standards of Weights and Measures (Enforcement) Rules, 1992 in accordance with the Legal Metrology Act, 2009, Government of Kerala framed and published the draft of Kerala Legal Metrology (Enforcement) Rules, 2011 in the Kerala Gazette Extraordinary No. 42 dated 10-1-2011 for information for all likely to be affected and inviting objections, suggestions, if any. Government, after considering the objections and suggestions, have decided to issue the Kerala Legal Metrology (Enforcement) Rules, 2012 in exercise of the powers conferred by section 53 of Legal Metrology Act, 2009 (Central Act 1 of 2010). Hence this notification.
