6/2016fihirteen : In exercise of powers conferred by clause (O) of sub-section (2) of Section 180 of the
Elect-icity Act, 2003 (No. 36 of 2003) and in' supersession of this department's Notification no.F.5-06-
2006-Xm- dated November, 2011, the State Government, hereby, makes following rules for levy of feö for
inspection and approval of electrical installations by Chief Engineer (Electrical Safety) and Chief
Electrical Inspector, Superintending Engineer (Electrical Safety) and Deputy Chief Electrical Inspector,
Executive Engineer (Electrical Safety) and Divisional Elecüical Inspector, Assistant Engineer (Electrical
Safety) and, Assistant Electr;cal Inspector and Sub-engineer in exercise of their powers and execution
of.frnctions a.ssigned under section 162 of the said Act, namely:- 1. (2) (3) 2. RULES Short title, extent
and commencement- These rules may be called the Levy of Vees for Inspection and Approval of Electrical
Installation (Madhya Pradesh) Rules, 2017. They shall extend to the whole of Madhya Pradesh. They shall
come into• force from the date of their publication in the Madhya' Pradesh Gazette. Definitions.- (1) In
these rules, unless the context otherwise requires,- (a) . "Act!" means the Electricity Act, 2003 (No. 36 of
2003); (b) "Regulation" means the Central Electricity Authority (meaSures Relating to Safety and Electric
Supply) Regulation, 2010; "Schedüle" means the Schedule appended to these rules. (2) The words and
expressions used herein but not defined shall have the same meaning as assigned to them the Electricity
Act, 2003 (No. 36 of 2003) and .Central Electricity Authority (Measures Relating to Safety and Electric
Supply) Regulation, 2010. ...-1171 4 (q) 3. 4. 5. 6. 7. 8.. 9. IO. 11. 12. 2 2017 No inspection Fees shall be
payable on medium voltage equipment installed within high voltage and extra high voltage installation,
but, fees shall be payable for Boöster, Capacitor Bank, Generator, Reactor, Motor, Transformer,
Breaker/Panel installed within high voltage and extra high voltage inst41 lation at the rate as. specified •in
the schedule of Part-I (2) on each equipment in 'accordance to their capacity. For the generatpr installed in
medium voltage/ high voltageextra high voltage installation, inspection fees shall be payable at the rate as
specified in schedule Part-I (2). For the approval of-drawing of new electrical installation or addition or
alteration of installation, fees shall be payable in advance at the rate of eighty percent of inspection fees as
specified in schedule, provided'that Inspection fees shall be separately payable in the time of inspection .
Inspection fees for Cinema, X-Ray, High voltage Neon SiPi tubes, Lift,. escalator. and generator, shall be
payable in each case separately. For the internal installation of marriage gardens or halls / nursing
homes/hoSpitaly' hotels/ Shöpping malls inspection fees shall be payable at the rate as specified in •of
Pan-II (one) of schedule and,in case of transformers and generators, installed in these installations,
inspection fees shall be payable as specified in schedule part-I (2) "KiioVolt amperes" or "BHP" or "K
VAR" shall be read instead' of "Kilowatts" wherever the maqhinery or equipment is so rated. Government
Water works, sewage pumping stations shall be exempted from the levy of inspection fee. For Escalator oi
LiR installed in medium voltage / high voltagd Extra high völtage installation, Inspection fees shall be
payable at per the rate as specified in schedule Part-III (11) Inspection fee for. Generator or cooling •plants
•in cinema •instillation shall no! be payable separately. Payment of fees — The fees shall be paid by the
owner or. his agent into a Government treasury under the 245 head ; Revenue Head for installation except
cinema Revenue Head for Cinemas 0043 — Taxes and Duties on Elecb•icity 102- Fees under the Indian

Electricity Rules and 0043 — Taxes and Duties on Electricity 103- Fees for the Electrical Inspection of Cinemas And the treasury challan shall be sent to the Electrical Inspector or Assistant Electrical Inspector . 246 13. 14. 15. 2 2017 The fees shall be paid before the date shown below ; (1) (2) (4) (5) (6) For existing installations except those coming under category part-II (One) (2) and (Two) (2), the fees shall be paid before 1st May in each year. The fees payable by the Madhya Pradesh Poorv [Paschim 'Madhya Kshetra Vidhut Vitran Company Limited, Madhya Pradesh Power Transmission Company Limited and Madhya Pradesh Power Generating Company Limited for their installations shall be paid within one month from the date of receipt of the bill after the inspection. For installations coming under part-II (Two) (2), the fee for respective half year shall be paid before 1st May and 1st November. In case the installation is not in use on the above dates, the fees for the each half year shall be paid before the installation is used. For the new High Tension/Extra High Tension Generator, installation or new cinemas including additions or alterations, the fees shall be paid in advance and the treasury challan shall be sent to the Electrical Inspector or Assistant Electrical Inspector along with application for inspection or approval of such installation. The inspection fee of the new installation shall be payable at the rate of 150% as specified in Schedule Part-I (2) For other new installations including addition or alteration and seasonal factories, the fees shall be paid before the installations are brought into use. Fee payable for additional inspection shall be paid before the date specified by the Electrical Inspector in each case. Fees under category part-I (6) shall be levied only for each subsequent inspection necessitated due to breach of any of the provision of the Electricity Act, 2003 or rules or regulation made thereunder, separate fee shall be payable for each service line tapped from the same pole. In case the fee is not paid before the dates show in clause (13), the fee payable shall increase by 20% In Case the inspection or additional inspection is not carried out, the fees paid shall be adjusted in the subsequent year or half year. 247 16. 17. 18. 19. 20. 21. 2 2017 If any new installation is brought into use during the last two months of the financial year, the annual fee paid shall be deemed to cover the short period of the year in which the fee is paid as well as the full period of the next financial year. If any installation is disconnected or dismantled before an inspection is carried out no fee shall be charged. • In case of motor or other apparatus for charging purposes installed on trial for a period not exceeding 15 days, no fee shall be charged. "year" for the purpose of this notification means a financial year. The fee prescribed will be payable for each periodical inspection as per frequency of inspection shown in the schedule. First or initial inspection will be deemed to be the periodical inspection for the period in which the inspection has been carried out. For each additional inspection carried out due to breach of any of the provisions of the Electricity Act, 2003 or rule and regulation made there under or the Cinematograph Rules and Regulations, 50 percent of the previous inspection fees will be charged. Fees for tests of apparatus is levied shall be defined under Part-IV. SCHEDULE FOR INSPECTION FEES Inspection and Testing fees of Electrical [Installation having voltage up to 250 volt, more than 250 volt and up to 650 volt and above 650 volt Installations of Consumer, Producer, Licensee and Franchisee Class of Installation Capacity of Installation Frequency of Fees in Rs. for each inspection (1) Consumer's Installations (Except Cinema/ Generating Station) The Installation of the Consumer, Generating Company, Transmission Company, Distribution Company, Franchisee.
