Short title and commencement,- (1) (2) These rules may be called the Madhya Pradesh Bhu-Rajaswa Sanhita (Bhu-Rajasva Ka Nirdharan Tatha Punarnirdharan) Niyam, 2018. They shall come into force on the date of commencement of the Madhya Pradesh Land Revenue Code' (Amendment) Act, 2018 (No. 23 of 2018), that is 25th September, 2018

2. Definitions,- In these rules, unless the context otherwise requires,- q.m.4 (2) 3. RRI\$28 2018 "Code" means the Madhya Pradesh Land Revenue Code, 1959 (No. 20 of 1959); "Form" means a Form appended to these rules; "Schedule" means Schedules appended to these rules; "Section" means the section of the Code. 1009 (a) (b) (c) (d) •Words and expressions used in these rules but not defined in these rules, and defined in the Code, shall have the same meaning respectively assigned to them in the Code. (2) (3) (4) (5) (6) PART-B ASSESSMENT AND RE-ASSESSMENT The assessment of land revenue shall •be made at the rates specified in Schedule I. In respect of land which has been assessed prior to the commencement of these rules, the land revenue shall stand automatically re-assessed at the rates specified in Schedule-I from the revenue year following such commencement. . In respect of land which is assessed for the first time as per rule 5 the assessment shall be effective from the date of assessment. In respect of land which is re-assessed on diversion as per Part-C Of these rules the re-assessment shali be effective from the date of diversion. Every year the State Government shall notify in Schedule-I the rates of assessment of land revenue applicablé for the following revenue year: Provided that if no notification is issued under this sub-rule then the prevailing rates shall continue for the following revenue year. Whenever the rates specified in Schedule-I are changed, the land revenue of the lands. which have been assessed prior to such 2-3 1010 28 2018 change shall stand automatically re-assessed at such changed rates from the following revenue year. Explanation— (2) 4

6. Notwithstanding anything contained in this rule, no land revenue shall be payable in respect of all such lands which are exempted from payment of land revenue under section 245 of the Code or exempted by the State Government by notification under sections 58 or 58-A of the Code. Any

'improvement' with reference to a holding as defined in clause (j) of sub-section (l) of section 2 of the Code shall be assessed for the purpose of agriculture under clause (a) of sub-section (l) of section 59. On commencement of these rules and subsequently any change is made in the rates of assessment of land revenue under sub rule (2) of rule 3,— (a) (c) the Commissioner, Land Records shall, subject to the control of the State Government, control the operations of updating of land records other than record of rights in the State; the Collector shall subject to the control of the Commissioner Land Records, control the operations of updating of land records other than record of rights in the district; and the Tahsildar shall, subject to the control of the Collector, carry out the updating of land records other than record of rights in the Tahsil. Land on which the assessment has not been made and which has been occupied or is proposed to be given out for any purpose, shall be assessed under section 60, as per rule 3, by the District Survey Officer during land survey or by the Collector in other cases, as the case may be. PART-C DIVERSION OF LAND Nothing contained in rules 7 to 19 shall apply in respect of such land which is exempted from payment of premium or land revenue under section 245 or is ratified by the State Government under Sections 58 or 58-A except when such land is diverted to another purpose which is not so exempted.

1011 7. 8. (1) (2) (3) (1) (2) Whenever any land, which is assessed for any purpose specified in sub-section (l) of section 59, is diverted to another purpose, a premium shall be payable at the rates specified in Schedule-II. Every year, the State Government shall notify in Schedule-II the rates of premium applicable for the following revenue year: Provided that if no notification is issued under this sub-rule then the prevailing rates shall continue for the following revenue year. The land revenue on the diverted land shall be re-assessed as per rule 3. When any part area of a survey number is diverted from agricultural purpose

to another purpose and if the area left out of such survey number is equal to or less than one hundred square meters, the entire survey number shall be deemed to have been diverted and the premium and assessment of land revenue shall be payable on the whole area of survey number. When a land is diverted from agricultural to another purpose then all adjoining land being used for ancillary purposes, shall be deemed to have been diverted for such another purpose and shall be subject to premium and land revenue accordingly. Explanation.- For the purpose of this rule, 'ancillary purposes' in respect of the diverted

means the use of land for roads, parks, play grounds, parking, utilities, etc. 1012 9. 10. 11. 12. (1) (i) (1) (2) 28 2018 A Bhumiswami, who wishes to divert his holding or part thereof from one purpose specified in sub-section (l) of section 59 to another purpose, shall first satisfy himself that the land use for which he wants to divert his holding or part thereof, is in compliance with the provisions of the relevant laws for the time being in force. Nothing in these rules shall be construed as granting the permission to change the use

of land,— (a) contrary to any law for the time being in force governing the use of such land; or (b) in contravention of sub-section (6-ee) and section (7-b) of Section 165 of the Code. if a Bhumiswami diverts his holding or part thereof, he shall- calculate and make a self assessment of the premium (a) payable as per rule 7, if any; and calculate and make a self assessment of the land (b) revenue as per rule 3. The

Bhumiswami shall deposit the amount of premium and re-assessed land revenue for one year in the manner directed by the State Government. A Bhumiswami who diverts his holding or part thereof shall intimate about such diversion to the Sub-Divisional Officer in

Form-I along with a copy of the receipt of payment of premium and re-assessed land revenue. The Bhumiswami shall be provided acknowledgement in the manner directed by the State Government. The Bhumiswami shall cause a diversion sketch to be prepared in accordance with the directions issued by the Commissioner, Land Records from time to time and submit it to the Sub-Divisional Officer along with the intimation of diversion. 13. 14. 15. 28 2018 On the receipt of intimation of diversion under rule 11, the Sub-Divisional Officer shall, within thirty days, check the correctness of the computation made by the Bhumiswami and communicate to the Bhumiswami either confirming such computation or informing him the correct amount of premium and land revenue payable in the manner directed by the State Government.

The land records, other than record of rights shall be updated after the Sub-Divisional Officer has confirmed the computation of premium and re-assessed land revenue under sub-rule (1) or after thirty days of the date of intimation given by the Bhumiswami under rule 11, whichever is earlier: Provided that if the Sub-Divisional Officer has communicated to the Bhumiswami to deposit difference of amount, if any, such land records shall be updated only after deposit of such difference of amount. If the amount deposited under rule 10, is less than the amount computed by the Sub-Divisional Officer, the difference shall be paid by the Bhumiswami within sixty days of receipt of communication under rule 13. In those cases where the amount deposited under rule 10, is greater than the amount computed by the Sub-Divisional Officer, the difference shall be refunded to the Bhumiswami within sixty days, in the manner as directed by the State Government. 101.3 (1) (2) (1) (2) If the Bhumiswami fails to deposit the amount within a period of sixty days from the date of receipt of communication under rule 13, simple interest shall be payable on the arrear till the date of payment at the rate of twelve per centum per annum for first twelve months and thereafter at the rate of fifteen per centum per annum. 1014 16. 17. 18. (1) (2) (3) (2) (3) 28 2018 The Patwari or the Nagar Sarvekshak shall, at least once in a year, inspect all survey numbers and plot numbers within their jurisdiction and shall submit a report in Form-JI to the Sub-Divisional Officer for every case of diversion of land in which the Bhumiswami has failed to give the intimation of diversion or has given incorrect intimation under rule 11. The Sub-Divisional Officer shall, on his own motion or on the report under sub-rule (1), proceed under sub-section (9) of section 59 and after making such enquiry, as he may deem fit, determine the premium, re-assessed land revenue, penalty payable under sub-section (9) of section 59 and interest payable thereon and issue a demand notice to the Bhumiswami for depositing the amount payable and cause to be prepared a diversion sketch. The land records other than record of rights, shall be updated only after the deposit of the amount payable under sub-rule (2). No appeal shall lie against any order of the Sub-Divisional Officer passed under these rules unless fifty per centum of the amount payable by a Bhumiswami under such order is deposited. The appellate authority may condone the requirements of sub-rule (1), in the interest of justice. If in appeal the amount determined to be payable is less than the amount deposited under sub-rule (1), the difference shall be refunded. any land is diverted and developed in accordance with the provisions of any act or rules applicable for the time being and such area which is reserved for common utilities such as roads, parks, etc. is transferred to the local body, the land revenue assessed for such area may be exempted by the State Government by notification under section 58 -A of the Code. 4.(T1) 1015 19. (1) (2) 28 2018 If land is diverted for more than one purpose and area of such purposes are demarcated in the diversion sketch, rates of premium and assessment corresponding to such purposes shall be applicable on such respective areas. If land is diverted for more than one purposes and areas of such purposes cannot be demarcated in the diversion sketch, highest rates of premium and assessment among such purposes shall be applicable for total area diverted.
