1. REVALUATION

1.1 Application for Revaluation of answer scripts will be considered only for Examinations **other than** Post Graduate Examinations, Practical Examinations, field work, internal assessment, thesis submitted in lieu of a paper and Examinations for which there is provision for two independent (double) valuations.

1.2 Application for Revaluation shall be made in the prescribed form and to be sent through respective campuses/colleges.

1.3 Revaluation can be admitted only if the candidate had failed in not more than five papers out of the total number of papers written by the candidate during that examination session.

1.4 A fee of Rs.500/- will be charged per paper for Revaluation in a failed paper. If different sections of questions in a Question Paper are answered in different answer books all such answer books shall be treated together as a single unit/paper. The fee shall be remitted by way of SBI – Core Banking Challan or in such other manner prescribed by the Indian Maritime University.

1.5 Application for Revaluation should reach the Office of the Controller of Examinations within *15 days* from the date of publication of the results unless otherwise specified by the University.

1.6 Applications received after the last date prescribed will not be considered under any circumstances. Incomplete forms and forms not accompanied by relevant documents may be rejected without assigning any reason whatsoever.

1.7 Fee once remitted for Revaluation of answer scripts will not be refunded.

1.8 If a candidate gets less marks in the Revaluation than in the first, the original mark may be retained. However, even in case a candidate gets higher marks in the Revaluation but the status of the candidates' result has not changed, only the original marks will be retained and the result declared as “No change”.

1.9 A panel of subject experts having more than five years of teaching/industry experience has to be prepared for each subject by the Controller of Examinations and the same has to be approved by the Vice Chancellor. This panel has to be reviewed every three years.

1.10 The paper for Revaluation should not be valued by the same examiner who has done the first valuation.

1.11 The paper for Revaluation should not be revalued by any Examiner who belongs to the same *campus/college* where the candidate studied before appearing for that paper except where a Programme is conducted at only One Campus/College.

1.12 Not more than 25 papers per session should be given to an Examiner for Revaluation.

1.13 If the work of an Examiner leads to an increase or decrease of marks in Revaluation in more than 20% of the scripts, explanation shall be called for from the concerned Examiner through proper channel and the reply will be placed before the Vice-Chancellor for further action.

1.14 The Deputy Registrar shall maintain a list of Examiners against whom action has been taken under these guidelines. Such debarred examiners shall not be considered for appointments in connection with any examination for a period of 3 years.

1.15 Where there is variation of more than 15 marks out of 100 between the first and second valuation, the paper shall be sent for third valuation. The final marks shall be the “average of third valuation and the nearest among the first and second valuation”.

Ordinance on 'Performance-based Reward for the Meritorious students of Indian Maritime University Campuses.

Performance-based Reward for students of IMU Campuses.

- 1.The 'Performance-based Reward' Scheme is applicable to students of IMU Campuses only, and is aimed at motivating the students to continue to perform meritoriously from semester to semester; to maintain discipline and good conduct; and to reduce the bank loan burden of meritorious students.
- 2.As it is a reward, it will be based purely on *academic performance* and will *not* be linked to economic means.
- 3.As it is a reward for pure merit, it will not be a bar to a student getting any scholarship/freeship/studentship/ fellowship, etc. from any other source.
- 4.It will be *for a semester only*, based on the academic performance in the immediate previous semester examination. It follows that the reward will not be given in the first semester of any programme; it will be given from the second semester onwards.

[Hkkx III—[k.M 4]

Hkkjr dk jkti= % vlk/kkj.k

5.It will apply only to UG and PG *Degree* programmes of duration 2 years or more. Thus 1-year Diploma programmes Diploma in Nautical Science (DNS) and Post Graduate Diploma in Marine Engineering (PGDME) will not be covered by it.

6.At the time of grant, the student should not have any arrear papers relating to the immediate previous semester examination or the earlier semester examinations.

7. Any student who has suffered any punishment for ragging or examination malpractices shall be permanently ineligible for this reward. A 'NOC' from the Campus Directors shall be obtained in this regard.
8. Based on the results of the immediate previous semester examination, the *top rankers* in each batch in all UG as well as PG Degree Programmes will get a 'Performance-based Reward' of Rs.1 lakh per head subject to their getting at least 75% marks overall and subject to other conditions prescribed above.
9. The total number of candidates in the order of merit (other than the 'toppers') who will get a 'Performance-based Reward' of Rs.75,000/- per head in each batch in each programme will be as per the Table below:

Sl.No.	Name of the Programme	Duration (Years)	No. of Semesters for which Performance-based Reward will be given	Total No. of Students who will be given Rs.75000/- Performance-based Reward in each Batch

In the event of a 'tie' for the award of the Performance-based Reward of Rs.75,000/- per head, the 'tie' shall be resolved by arranging the students in the descending order of the *total external examination marks for Theory papers* of the particular semester. If there is still a 'tie' the same shall be resolved by arranging the students in the descending order of *percentage of attendance* for that semester.
14. The student is not entitled to set off his eligible 'Performance-based Reward amount' against his semester fees and other dues payable to IMU. However IMU reserves the right to recover any of its dues from the student out of his 'Performance-based reward'.
