NOTIFICATION

New Delhi, the 7th November,
2016

No. 28-15/2016-Ay.(MSR).—In exercise of the powers conferred by clause (j) of section 36 of the Indian Medicine Central Council Act, 1970 (48 of 1970) and in supersession of the Indian Medicine Central Council (Minimum Standard Requirements of Ayurveda Colleges and attached Hospitals) Regulations, 2012, except as respects things done or omitted to be done before such supersession, the Central Council of Indian Medicine, with

the previous sanction of the Central Government, hereby makes the following regulations, to regulate the requirement of colleges for education in Ayurveda system of medicine, namely:-

1. Short title and commencement- (1) These regulations may be called the Indian Medicine Central Council (Requirements of Minimum Standard for under-graduate Ayurveda Colleges and attached Hospitals) Regulations, 2016. (2) They shall come into force on the date of their publication in the Official Gazette.

2. Definition.- (1) In these regulations, unless the context otherwise requires, -

- (a) "Act" means the Indian Medicine Central Council Act, 1970 (48 of 1970);
- (b) "college" means an Under-graduate Ayurveda College or Institute;
- (c) "attached hospital" means a teaching Ayurveda hospital attached to the college; (a) "Central Council" means the Central Council of Indian Medicine.

(2) The words and expression used herein and not defined but defined in the Act shall have the respective meanings assigned to them in the Act.

3. Requirements of Minimum Standard to grant of permission-

- (1) (a) The Ayurveda colleges established under section 13A and existing under section 13C of the Act and their attached hospitals shall fulfill the requirements of minimum standard for infrastructure and teaching and training facilities referred to in the regulations 4 to 11 upto the 31st December of every year for consideration of grant of permissions for undertaking admissions in the coming academic session;
- (b) the Central Council shall visit the college *suo moto* three months before the expiry of permission;
- (c) the proforma of visit as prescribed by the Central Council on its website shall be filled online by the colleges and visitors respectively followed by submission of a hard copy of the same as per visitors guidelines issued by Central Council from time to time;
- (d) the videography and photography of staff and infrastructure during the visit shall be made by the visitors and submitted along with detailed report and observations to the Central Council;
- (e) after submission of online detailed report and observations by the visitors to the Central Council, the Central Council shall submit its recommendation along with detailed report to the Central Government within a period of one month from the submission of report by the visitors;
- (f) the Central Council shall certify that teaching faculty present in the college is not working at any other place;
- (g) the position prevailed on the date of visit to assess the fulfilment of requirements as specified in these regulations except sub-regulation (2) of regulation 7 shall be taken into consideration for grant of conditional permission or permission for a period of five years to the colleges.

(2) Requirements of Minimum Standard to grant of permission for a period of five years-

- (a) After fulfilment of the requirement as per these regulations by the college, the permission shall be granted to undertake admissions for a period of five years. The college shall be randomly inspected within the said period on receipt of any complaint; or if from online Bio-metric attendance it is found that teaching, non-teaching staff, hospital staff not present regularly, or hospital is not properly functional, or otherwise as required by the Central Government or by the Central Council;
- (b) any deficiencies arising within the said period shall be fulfilled by the college within hundred-fifty days under intimation to the Central Council otherwise the permission for a period of five years deemed to be withdrawn;
- (c) colleges which were permitted for a period not exceeding five years from the academic session 2014-15 to 2018-19 and 2015-16 to 2019-20 shall be maintain the requirements as specified under the regulations 4 to 11 otherwise the permission for a period of five years deemed to be withdrawn.

(3) Requirements of Minimum Standard to grant of conditional permission of one year-

- (a) The conditional permission of one year for particular academic session shall be granted only to those colleges which are fulfilling following requirements on the basis of the inspection by the Central Council between the 31st December to the 31st March for the succeeding academic session:
 - (i) the requirement of teachers as specified in the Schedule-V;
 - (ii) the requirement of teaching hospital as specified under sub-regulation (2) of regulation 7;
 - (iii) availability of minimum seventy-five percent. of required equipment as specified in the Schedule-VII;
 - (iv) availability of herbal garden as specified in the Schedule-III;
 - (v) availability of hospital staff as specified in the Schedule-IV,
 - (vi) availability of technical and other staff as specified in the Schedule-VI;
 - (vii) availability of college council as specified in sub-regulation (1) of regulation 9;
 - (viii) availability of college website as specified in sub-regulation (2) of regulation 9;
 - (ix) availability of biometric attendance as specified in sub-regulation (3) of regulation 9; and
 - (x) availability of minimum constructed area of college and hospital as specified in regulation 5.

- (b) the colleges, which have been granted conditional permission or which have been denied permission for the academic session 2015-16 shall be required to fulfill the requirements as specified above in clause (a) to obtain the conditional permission of one year for particular academic session or for a period of five years as specified in the regulations 4 to 11.

4. Requirement of Land-

- (1) The total build up area required for adequate infrastructure including medical college, hospital and other infrastructure required under these regulations, is made available in a single piece of land, not less than three acres, for an intake capacity up to sixty seats.
- (2) For intake capacity from sixty-one to hundred seats, the land shall not be less than five acres and in not more than two plots at a distance not exceeding two kilo meters, and the plot, if separated by a road or canal or rivulet but connected with a bridge, shall be treated as one piece of land.
- (3) The total constructed area shall be based upon the permissible Floor Area Ratio or Floor Space Index allowed by the authority concerned or local laws or rules.
- (4) For permission of Central Government, a certificate from the local municipal authority certifying or approving the construction plan of the proposed buildings having the required construction area as per the Schedule-I and the Schedule-II which shall be accommodated in the piece of land, shall be provided at the time of applying.
- (5) The land shall be owned by the college or possessed on lease, in the name of the college, for a period not less than ninety-nine years or the maximum permissible period as per rules or regulations of the respective State Government or Union territory and the renewal of permission shall, however, be required on expiry of lease.
- (6) The requirement of the size and possession of the land is not applicable for the colleges established prior to the 7th November, 2003, but at the end of the current lease period, such colleges shall either own the land or get it on the lease for a period not less than ninety-nine years or the maximum permissible period as per rules or regulations of the respective State Government or Union territory.

5. Requirement of minimum constructed area-

- (1) The college and attached hospital shall have the constructed area of two thousand square meter each for intake capacity up to sixty seats.
- (2) The college and attached hospital which have intake capacity of sixty-one to hundred seats shall have the constructed area of four thousand and three thousand and five hundred square meters, respectively.

1Hkkx IIIµ[k.M 4°

Hkkjr dk jkti=k % vlk/kj.k

45

- (3) The college and hospital shall be constructed in separate buildings as per the details specified in the Schedule-I and the Schedule-II and the requirement of separate college and hospital buildings will be applicable only to the colleges established after the 18th July, 2012.
- (4) The college shall also maintain other infrastructural requirements such as sufficient accommodation for college and hospital staff, outdoor and indoor games facility, civil and electrical services and workshop and adequate parking space within the campus of college and hospital.
- (5) The herbal garden shall have the minimum area as prescribed in the Schedule-III.

6. Admission Capacity- The annual intake capacity of the colleges shall be in the slabs of sixty and hundred. The colleges having intake capacity of less than sixty or sixty-one to hundred seats, shall comply the requirements for sixty or hundred seats respectively, as specified in the Schedules-I to VII.

7. Requirements of teaching Hospital-

- (1) The teaching hospital shall fulfill all the statutory requirements of the concerned State or Union territory or local authority to establish and run the hospital and shall submit the updated certified copies of such permission(s) or clearance(s) to the Central Government and the Central Council. The concerned State Government or Union territory shall issue the No Objection Certificate to such applicant colleges after verifying the availability of such permission(s) or clearance(s).
- (2) **Requirement of beds, bed occupancy and Out-Patient Department attendance:** The ratio of students with number of beds, In-Patient Department bed occupancy and Out-Patient Department attendance shall be 1:1, forty per cent. and 1:2, respectively, as given in Table below and the distance between two beds in general ward shall not be less than one and a half meter.

Table

Intake capacity per year	Minimum number of beds in In-Patient Department on the 1:1 student-bed ratio	Minimum per day average number of patients in In-Patient department during last one calendar year (365 days) (40% bed occupancy)	Minimum per day average number of patients in Out-Patient Department during last one calendar year (300days) (1:2 student-patient ratio)
Up to sixty students	60 beds	24	120
Sixty-one to hundred students	100 beds	40	200

To calculate the number of beds occupied, the college shall maintain the date and time of admission and discharge of each patient. The bed occupied by a patient at mid-night, shall be counted as one bed day occupied and if a patient is discharged before mid-night that shall be counted as 0.5 bed day occupied. To calculate bed occupancy following formula shall be applicable-

Number of bed days occupied X100

Number of beds X Number of days

(3) Maintenance of record of attendance of Out-Patient Department and In-Patient Department patients:

(i) The College and hospital shall maintain the web based computerised central registration system for maintaining the records of patients in Out-Patient Department and In-Patient Department. The college shall also maintain the Department-wise Out-Patient Department and In-Patient Department records, case papers of Out-Patient Department and In-Patient Department patients, laboratory and radiological investigation reports, medicines dispensing register, diet register for In-Patient Department patients, duty roster of hospital staff, birth and death certificates etc.so as to substantiate the claim of genuine functional Ayurveda hospital fulfilling the norms as specified in the sub-regulation (2) of regulation 7.

(ii) For conditional permission, the College and hospital shall maintain the computerised central registration system for maintaining the records of patients in Out-Patient Department and In-Patient Department, the college shall also maintain the Department-wise Out-Patient Department and In-Patient Department records to substantiate the claim of genuine functional Ayurveda hospital fulfilling the norms as specified in the sub-regulation (2) of regulation 7 and the computerised central registration system shall be web based from the 1st December, 2016. Colleges which were permitted for a period not exceeding five years from the academic session 2014-15 and 2015-16 shall be required to maintain web based computerised central registration system from the 1st December, 2016.

(4) Space requirement:

The hospital shall accommodate Out-Patient Department and In-Patient Department and wards in addition to reception, patient's waiting area, dispensing room, dressing room, clinical laboratory, radiology section, hospital side pharmacy, kitchen, service rooms, medical record-room, Panchakarma therapy section, Ksharsutra therapy

section, Operation Theatre, Labour Room, Store Rooms, separate wards for male and female, Duty rooms for Doctors, Nurses and other staff etc. required for a fully functional hospital and the specification of built up area in the attached hospital shall be as per the Schedule-I.

(5) Out-Patient Department:

The hospital shall have minimum eight following Out-Patient Departments, namely-

- (i) Kayachikitsa
- (ii) Panchakarma
- (iii) Shalya Tantra
- (iv) Shalakya Tantra (two rooms for Out-Patient Departments)
 - (a) Netra RogaVibhaga
 - (b) Karna-Nasa-Mukha evam Danta Roga Vibhaga
- (v) Prasuti evam Striroga
- (vi) Kaumarabhritya (Balaroga)
- (vii) Swasthavritta evam Yoga
- (viii) Aatyaika (Emergency)

(6) In-Patient Department: The In-Patient Department of the hospital shall have separate male and female wards and distribution of beds shall be as under –

In-Patient Departments	Distribution	60 beds	100 beds
------------------------	--------------	---------	----------

Kayachikitsa (Panchakarma, Rasayana and Manas Roga etc)	50% beds	30	50
Shalya Tantra and Shalakya Tantra	25% beds	15	25
Prasuti evam Striroga and Kaumarabhritya	25% beds	15	25

- (7) **Rog Nidan evam Prayogshaliya Parikshan Prayogshala (Clinical Laboratory for clinical diagnosis and investigations):** There shall be a clinical laboratory in the hospital complex with infrastructure and manpower as specified in the Schedule I, the Schedule-II, the Schedule-IV, the Schedule-V and the Schedule-VII for carrying out routine, pathological, biochemical and hematological investigations and Ayurvedic diagnostic techniques on the patients referred from Out-Patient and In-Patient Departments of the hospital.

- (8) **Hospital Staff:** The minimum staff required for hospital shall be as specified in the Schedule-IV.

8. Requirements of College-

- (1) (a) **Teaching staff:** There shall be minimum thirty full time teachers and fort- five full time teachers appointed on regular basis for admissions of up to sixty students and sixty-one to hundred students respectively with the addition of ten part time teachers (eight teachers of Modern Medicine, one Yoga teacher and one Bio-statistician) for each slab as specified in the Schedule-V, the teacher fulfilling the eligibility norms of the related teaching post or subject teacher shall be appointed on deputation or contractual basis.

- (b) **Age of superannuation of teachers:** The age of superannuation of teachers shall be as per the order of the Central Government or State Government or University Grant Commission. The retired teachers, fulfilling the eligibility norms of teachers may be re-employed up to the age of sixty-five years as full time teacher.

- (c) The detail of every teacher such as academic qualification, total teaching experience along with name of previous institutions, date of joining shall be on the website of college.

- (d) The list of all the teachers with complete detail such as Code allotted by the Central Council, academic qualification, total teaching experience along with name of previous institutions and present institute, shall be displayed at the website of the Central Council.

- (2) **Requirement of technical and other staff:** Technical and other staff in various units and departments of the college shall be as per the details given in the Schedule-VI.

9. Miscellaneous requirements.-

(1) College Council:

- (a) Every medical college or medical institution shall have a College Council comprising of the Head of departments as members and Principal or Dean as Chairperson;
- (b) the College Council shall meet minimum four times in a year to draw up the details of curriculum and training programme, enforcement of discipline and other academic matters; and
- (c) the College Council shall also organise interdepartmental meetings like grand rounds, statistical meetings and clinical meetings including periodical research review in the Institution regularly.

- (2) **College Website:** Each and every college or institute shall have its own website wherein the following details updated in the first week of every month shall be provided-

¹Hkkx IIIµ[k.M 4°

Hkkjr dk jkti=k % vlk/kj.k

47

- (a) details of Director or Dean or Principal and Medical Superintendent including their name, age, registration number, qualification, date of joining, complete address with telephone or mobile numbers and State Trunk Dialing code, fax and E-mail etc;
- (b) details of teaching staff along with their photograph, registration number, date of birth, qualification, experience, Department etc;
- (c) details of non-teaching staff of college and hospital staff along with their department;
- (d) details of the sanctioned intake capacity of various courses under graduate as well as post graduates;
- (e) list of students admitted, merit-wise, category-wise for the current and previous year;
- (f) any research publications during the last one year;
- (g) details of any Continuous Medical Education (CME) programmes, conferences and/or any academic activities conducted by the institution;
- (h) details of any awards and achievement received by the students or faculty;
- (i) details of the affiliated University and its Vice-Chancellor and Registrars;
- (j) result of all the examinations of last one year;
- (k) detailed status of recognition of all the courses;

- (l) details of clinical material in the hospital;
 - (m) the College website shall be linked with the Central Council website, which shall be linked to the Ministry's website as well; and
 - (n) the Month-wise analysis of attendance of teaching, non-teaching college staff, hospital staff, students and Patients in Out-Patient Department and In-Patient Department shall be displayed on College website.
- (3) **Biometric Attendance:** (i) It is mandatory to have web based and CRC (Central Registration Certificate issued by the Central Council) linked computerised biometric attendance system for teaching staff and web based computerised biometric attendance system for non-teaching college staff and hospital staff.
- (ii) For conditional permission biometric attendance shall be web based and CRC linked from the 1st December, 2016.
- (iii) The colleges which were granted permission for a period not exceeding five years from the academic session 2014-15 and 2015-16 shall maintain web based and CRC linked biometric attendance from the 1st December, 2016.

10. Phase-wise specific requirements of new colleges.– (1) An Ayurveda college seeking permission for starting Bachelor of Ayurvedic Medicine and Surgery (Ayurvedacharya) Course under the provisions of section 13A of the Act, shall establish infrastructure and manpower as given below:

(a) Before admission of the first batch of students, the college shall have-

- (i) at the time of submission of application, there shall be a fully developed hospital building as specified regulations 4 and 5 with functional Ayurveda hospital prior two years from the date of application, having appropriate number of beds, bed occupancy and Out-Patient Department attendance corresponding to the annual students intake capacity as specified in the sub-regulation (2) of regulation 7;
- (ii) all teachers with the requisite qualifications as specified in Regulation 8 and non-teaching staff as specified in Schedule-VI, which are required for first professional year of teaching and training shall be appointed, and wherever there is shortfall of Professors, equal number of Readers shall be appointed;
- (iii) minimum one specialist doctor or one clinical teacher in each of Kayachikitsa, Panchakarma, Shalya, (iii) Shalakyas, Prasuti evam Stri Roga, Kaumarbhritya appointed for operating the teaching hospital and the experience of specialist doctor or clinical teacher shall be considered as a teacher from the date of appointment of the specialist doctor or two years prior to submission of application by the applicant to the Central Government to establish a college whichever is lesser;
- (iv) a library with two thousand and five hundred books, seating capacity of fifty persons for up to sixty admissions and eighty persons seating capacity for sixty-one to hundred admissions and staff as specified in Schedule-VI;
- (v) well-equipped and furnished two lecture halls and teaching departments and laboratories and museums essential for the first professional year of teaching as specified in Schedules - I to VII;
- (vi) a medicinal plants garden covering over two thousand and five hundred square meter of land and four thousand square meter of land for upto sixty seats and sixty-one to hundred seats respectively with plantation of minimum one hundred species of medicinal plants;
- (vii) all the hospital staff shall be as specified in Schedule-IV; and (vii)
- (viii) it is mandatory to have web based and CRC (Central Registration Certificate issued by the Central Council) (viii) linked computerised biometric attendance system for teaching staff and web based computerised biometric attendance system for non-teaching college staff and hospital staff.

(b) Before the admission of the second batch of students, the college shall have-

- (i) there shall be a functional Ayurveda hospital having appropriate number of beds, bed occupancy and Out-Patient Department attendance corresponding to the annual students intake capacity as specified in the sub-regulation (2) of regulation 7;
- (ii) all teachers with the requisite qualification as specified in regulation 8 and non-teaching staff as specified in Schedule-VI, which are required for the first and the second professional years of teaching and training shall be appointed, and wherever there is shortfall of Professors, equal number of Readers shall be appointed;
- (iii) (iii) minimum one specialist doctor or one clinical teacher in each of Kayachikitsa, Panchakarma, Shalya, Shalakyas, Prasuti evam Stri Roga, Kaumarbhritya Departments for working in the college hospital;
- (iv) a library with five thousand books, seating capacity of fifty persons for up to sixty admissions and eighty persons seating capacity for sixty-one to hundred admissions and staff as specified in Schedule-VI;
- (v) well-equipped and furnished three lecture halls and teaching departments, laboratories and museums, essential for first and second professional years of

teaching as specified in Schedules - I to VII;

- (vi) minimum one hundred and fifty species of medicinal plants and a herbarium-cum-demonstration hall in the medicinal plant garden;
- (vii) all the hospital staff shall be as specified in Schedule-IV; (vii)
- (viii) there shall be a Teaching Pharmacy (Rasayanashala) and quality Testing Laboratory attached to Department (viii) of Rasashastra evam Bhaishajya Kalpana, with minimum area as specified in Schedule II and equipment as specified in Schedule-VII for preparation of medicine as per syllabus; and
- (ix) it is mandatory to have web based and CRC (Central Registration Certificate issued by the Central Council) linked computerised biometric attendance system for teaching staff and web based computerised biometric attendance system for non-teaching college staff and hospital staff.

(c) Before the admission of third batch of students, the college shall have-

- (i) there shall be a functional Ayurveda hospital having appropriate number of beds, bed occupancy and Out-Patient Department attendance corresponding to the annual students intake capacity as specified in the sub-regulation (2) of regulation 7;
- (ii) all teachers with the requisite qualification as specified in regulation 8 and non-teaching staff as specified in Schedule-VI, which are required for the first, second and third professional years of teaching and training shall be appointed and wherever there is shortfall of Professors, equal number of Readers shall be appointed; (iii) minimum one specialist doctor or one clinical teacher in each of Kayachikitsa, Panchakarma, Shalya, (iii)

- Shalakya, Prasuti evam Stri Roga, and Kaumarbhritya departments for working in the college hospital;
- (iv) a library with five thousand books, seating capacity of fifty persons for up to sixty admissions and eighty persons seating capacity for sixty-one to hundred admissions and staff as specified in Schedule - VI; (v) well-equipped and furnished three lecture halls and teaching departments, laboratories and museums, essential for first, second and third professional years of teaching as specified in Schedule - I to VII;
- (vi) minimum one hundred and fifty species of medicinal plants and a herbarium-cum-demonstration hall in the medicinal plant garden;
- (vii) all the hospital staff shall be as specified in Schedule-IV; (vii)
- (viii) there shall be a Teaching Pharmacy (Rasayanashala) and quality Testing Laboratory attached to Department of Rasashastra evam Bhaishajya Kalpana, with minimum area as specified in Schedule II and equipment as specified in Schedule-VII for preparation of medicine as per syllabus; and
- (ix) it is mandatory to have web based and CRC (Central Registration Certificate issued by the Central Council) linked computerised biometric attendance system for teaching staff and web based computerised biometric attendance system for non-teaching college staff and hospital staff.

(d) Before the admission of the fourth batch of students, the college shall have-

- (i) there shall be a functional Ayurveda hospital having appropriate number of beds, bed occupancy and Out-Patient Department attendance corresponding to the annual students intake capacity as specified in the sub-regulation (2) of regulation 7;
- (ii) all teachers with the requisite qualification as specified in Regulation 8 and non-teaching staff as specified in Schedule-VI, which are required for the first, second, third and fourth professional years of teaching and training shall be appointed;
- (iii) all infrastructure and manpower requirements of college, hospital and other units in accordance with as (iii) specified in these regulations 4 to 11;
- (iv) a library with seven thousand and five hundred books, seating capacity of fifty persons for up to sixty admissions and eighty persons seating capacity for sixty-one to hundred admissions and staff as specified in Schedule - VI;
- (v) a fully developed medicinal plants garden as specified in Schedule - III;
- (vi) fully functional laboratories and pharmacy with drug testing facilities as specified in Schedules - I to VII;
- (vi) assured round the clock availability of medical services including medicines, paramedical staff, doctors and (vii) emergency management in the hospital; and

¹Hkkx IIIµ[k.M 4°

Hkkjr dk jkti=k % vlk/kj.k

49

- (viii) it is mandatory to have web based and CRC (Central Registration Certificate issued by the Central Council) linked computerised biometric attendance system for teaching staff and web based computerised biometric attendance system for non-teaching college staff and hospital staff.

- (2) (a) The permission to establish a new medical college and admissions to the students shall be granted initially for a period of one year and shall be renewed on yearly basis subject to verification of achievement of annual targets as specified above in sub-regulation (1).
- (b) It shall be the responsibility of the college to apply to the Central Council for purpose of renewal six months prior to the expiry of the initial permission.
- (c) This process of renewal permission shall continue till such time the establishment of the new medical college is completed for passing-out of the first batch.
- (3) The person or Medical College who applies under Section 13A of the IMCC Act, 1970 for establishment of new medical college, opening of new or higher course of study or training and increase of admission capacity, shall be required to maintain web based and CRC (Central Registration Certificate issued by the Central Council) linked biometric attendance system for teaching staff and web based biometric attendance system for non-teaching college staff, hospital staff and web linked computerised central registration system for maintaining the records of patients in Out-patient department and In-patient department of the hospital. These requirements for those applicants who applied in the year 2015 shall not be taken into consideration for issuance of the Letter of Intent but they shall be fulfilled these requirements before issuance of the Letter of Permission for the academic session 2016-17.

11. List of equipment, machinery, etc.— To ensure proper provision of teaching and training material to the students, the colleges shall possess the minimum ninety percent. of required equipment, machinery etc. in the teaching departments, hospital, laboratories and dissection hall, library, pharmacy and other units of the college in sufficient numbers, as specified under the Schedules-I to VII.

12. Date of completion of permission process and cut-off-date for admission in Ayurveda Colleges-

- (1) The process of grant or denial of permission to the Ayurveda Colleges for taking admissions in the Ayurveda colleges shall be completed by the 31st July of each academic session.
- (2) The cut-off-date for admission in Ayurveda colleges shall be the 30th September of each academic session.

SCHEDULE-I

[See regulation 3, regulation 4, regulation 5, regulation 6, regulation 7, regulation 10 and regulation 11] **REQUIREMENT OF AN ATTACHED HOSPITAL OF AYURVEDA COLLEGE**

Sl. No. (1)	Particulars (2)	Built up area (in square meter)	
		Up to sixty students	Sixty-one to hundred students
		(3)	(4)
I.	Total constructed area of hospital building	2,000	3500
II. Hospital Administration Block:		100	150
1.	Superintendent room		
2.	Deputy Superintendent room		
3.	Medical officers' room (for two Resident Medical Officer or Resident Surgical Officer)		
4.	Matron room		
5.	Assistant Matron room (for two)		
6.	Reception and Registration		
III. Out-Patient Departments (OPD)		300	500
1.	Kayachikitsa Out Patient Department		
2.	Shalya Out Patient Department with toilet, wash basin and Examination Room		
3.	Shalakya Tantra Out Patient Department		
4.	Stri Roga evum Prasooti Tantra Out Patient Department with toilet and Examination Room		
5.	Kaumarbhritya (Balarog) Out Patient Department		
6.	Swasthavritttaevum Yoga Out Patient Department with demonstration area		
7.	Atyayika (Casualty) section with toilet and wash basin		
8.	Dressing and First Aid Room, Kshar Sutra Room		
9.	Dispensary		
10.	Waiting Space for patients		
11.	Store		
12.	Separate Male and Female Toilets for patients and staff		
IV. In Patient Departments (IPD)		900	1650
1.	Kayachikitsa and Panchakarma Male Ward with attached toilet and bath room		

2. Kayachikitsa and Panchakarma Female Ward with attached toilet and bath room		
3. Shalya and Shalakya Male Ward with attached toilet and bath room		
4. Shalya and Shalakya Female Ward with attached toilet and bath room		
5. Prasooti evum StriRoga and Kaumarbhritya Ward with attached toilet and bath room		
6. Doctors' duty room one for each department with attached toilet and bath		
7. Nursing staff duty rooms, one in each ward with attached toilet-bath.		
8. Store room for linen, etc.		
V. Operation Theatres Block.	150	250
1. Operation Theatre for Major, Minor and Shalakya Procedures		
2. Labour Room with attached toilet and bath room		
3. Neonatal care room		
4. Central sterilisation/autoclave unit		
5. Scrub room		
6. Two Recovery room		
7. Doctor's duty room with attached toilet and bath room		
8. Interns/house officer/resident doctors room with attached toilet and bath room		
9. Nursing staff room with attached toilet and bath room		
VI. Panchakarma Block:	200	350
1. Snehana Kaksha (Male)		
2. Snehana Kaksha (Female)		
3. Swedana Kaksha (Male)		
4. Swedana Kaksha (Female)		
5. Shirodhara Kaksha (Male)		
6. Shirodhara Kaksha (Female)		
7. Vamana Kaksha (Male)		
8. Vamana Kaksha (Female)		
9. Virechana Kaksha (Male)		
10. Virechana Kaksha (Female)		
11. BastiKaksha(Male)		
12. BastiKaksha(Female)		
13. Rakta Mokshana, Jalaukavacharana, Agnikarma, Pracchanna etc Kaksha		
14. Panchakarma therapist/Physician's room		
15. Panchakarma store room		
16. Attached toilet-baths for males and females with wash basin and geyser facility in each. These will be in addition to the toilets of wards.		
VII. Physiotherapy Unit:	75	150
1. Physiotherapy Room		
2. Physiotherapist room		
VIII. Clinical Laboratory:	100	150
Well-equipped with separate sections for Pathology, Biochemistry and Micro-biology. Attached toilet shall be there for collection of urine samples. Other diagnostic tools for ECG or TMT etc. shall be provided.		
IX. Radiology or Sonography Section:	50	100
Radiologist chamber, X-ray room, Dark room, film drying room, store room, patients waiting and dressing room, reception or registration or report room		
X. Hospital Kitchen and Canteen:	100	150
XI. Stores/Mortuary:	25	50
TOTAL	2,000	3,500

Note:

1. The above indicated subdivided area among various components may vary within plus or minus twenty per cent. but the total area of attached hospital shall be as per the area specified in regulation 5.

3.	Consultants	Teachers of clinical departments including Swasthavritta and Yoga Department
4.	Emergency Medical Officers	Two
5.	Resident Medical Officers or Surgical or Medical Officer (RMO or RSO or MO)	Five (One of Kayachikitsa, Two of Prasuti Striroga, One of Shalva Tantra and One of Kaumarbhrittva)
6.	Matron or Nursing Superintendent	One
7.	Staff Nurses for In Patient Department	One for every ten beds.
8.	Ward Boy or Ayah	One for every twenty beds.
9.	Pharmacists	Two
10.	Dresser	Two
11.	Store Keeper	One
12.	Office Staff (for registration, record maintenance, data entry etc.)	Two
13.	Dark-Room Attendant	One
	Modern Medical Staff	
14.	Medical Specialist	One part time or on contract
15.	Surgical Specialist	One part time or on contract
16.	Obstetrician and Gynecologist	One part time or on contract
17.	Pathologist	One part time or on contract
18.	Anaesthesiologist	One part time or on contract
19.	Ophthalmologist	One part time or on contract
20.	Pediatrician	One part time or on contract
21.	Radiologist	One (Postgraduate in Allopathic Radiology on contract or Vikiran Vigyan of Ayurvedic discipline) from teaching department of Shalya
22.	Dentist	One part time or on contract
23.	X-Ray Technician or Radiographer	One
24.	Physiotherapist	One part time or on contract
Sl.No (1)	Post (2)	Eligibility (3)
	Staff for Panchakarma Therapy Section for Out-Patient and In-Patient Department	
25.	Panchakarma Specialists	Teachers of Panchakarma teaching department
26.	House Officer or Clinical Registrar or Senior Resident (Ayurvedic)	One
27.	Panchakarma Nurse	One (in addition to the nurses indicated at Sl.No. 7)

28.	Panchakarma Assistant	Two male and Two female
29.	Yoga teacher or expert	One (from Swasthavritta and Yoga Department)
Staff of Operation Theatre and Ksharsutra Therapy Section		
30.	<i>Shalya and Ksharsutra Therapy Specialists</i>	Teachers of Shalya department
31.	<i>Operation Theatre Attendant</i>	One
32.	<i>Nurse</i>	One (in addition to the nurses indicated at Sl.No. 7)
Labour Room		
33.	<i>Prasuti evum Stri Roga Specialists</i>	Teachers of Prasuti evam Striroga department
34.	<i>Midwife</i>	One
Clinical Laboratory		
35.	<i>Laboratory Technicians</i>	Two
36.	<i>Peon or Attendant</i>	One
Teaching Pharmacy and Quality Testing Laboratory		
37.	<i>Pharmacy Manager or Superintendent</i>	Teacher of Rasashastra evam Bhaishajya Kalpana
38.	<i>Peon or Attendant</i>	One
39.	<i>Workers</i>	Two (Need base more number)
40.	<i>Analytical Chemist (Part time)</i>	One (Lab. technician provided under non-teaching staff in the Deptt.)
41.	<i>Pharmacognosist (Part time)</i>	One (Lab. technician provided under non-teaching staff in the Deptt.)
Total: i. For sixty bedded hospital ii. For hundred bedded hospital		Fifty-six excluding teachers of teaching departments as mentioned above Seventy excluding teachers of teaching departments as mentioned above

Note: -

SCHEDULE-V

[See regulation 3, regulation 6, regulation 7, regulation 8, regulation 10 and regulation 11]

DETAILS OF TEACHING STAFF IN AN AYURVEDIC COLLEGE

S.No. (1)	Teaching Department (2)	Requirement of teaching staff					
		Upto 60 students (3)			From 61 to 100 students (4)		
		Prof.	Reader	Lecturer	Prof.	Reader	Lecturer
(1)	Samhita and Siddhanta	1	or 1	1 Ayurveda and 1 Sanskrit	1	1	1 Ayurved and 1 Sanskrit
(2)	Rachana Sharir	1	or 1	1	1	1	1
(3)	Kriya Sharir	1	or 1	1	1	1	1
(4)	Dravyaguna	1	or 1	1	1	1	1
(5)	Rasashastra evam Bhaisajya Kalpana	1	or 1	1	1	1	1
(6)	Roga Nidan evam Vikriti vigyana	1	or 1	1	1	1	1
(7)	Swasthavritta and Yoga	1	or 1	1	1	1	1
(8)	Agad Tantra evam Vidhi Vaidvaka	1	or 1	1	1	1	1
(9)	Prasuti evam Striroga	1	or 1	1	1	1	2
(10)	Kayachikitsa	1	1	1	1	1	2
(11)	Shalya	1	or 1	1	1	1	1
(12)	Shalakya	1	or 1	1	1	1	1
(13)	Kaumarbhritya (Balaroga)	1	or 1	1	1	1	1
(14)	Panchakarma	1	or 1	1	1	1	1
		15			14	14	17
TOTAL		30			45		

Note:

- Apart from above, one Yoga teacher in the Department of Swasthavritta and Yoga, One Bio- statistician to teach Research Methodology and Medical-statistics and eight Consultants of Modern Medicine as specified at the Schedule-IV (SL. No.14 to 22) shall be engaged for teaching on part time basis.
- The requirement of part time teachers shall be minimum any five as mentioned above in point i. for conditional permission to undertake admission for particular academic session.
- The deficiency of teachers for up to sixty intake capacity shall not exceed more than ten per cent. of total requirement with availability of minimum one teacher in each of fourteen Departments. The total number of Higher Faculty shall not be less than twelve Professors or Readers distributed in minimum eleven Departments. This relaxation is for seeking conditional permission to undertake admission for particular academic session. For example- the college having up to sixty intake capacity shall have minimum twenty-seven total faculties, out of which minimum twelve Professors or Readers covering not less than eleven Departments.
- The deficiency of total teachers for sixty-one to hundred intake capacity shall not exceed more than ten per cent. of total requirement and deficiency of higher faculty shall not exceed more than twenty per cent. of total teachers with availability of minimum one Higher faculty and one Lecturer in each of fourteen Departments. The total number of Higher Faculty shall not be less than nineteen. This relaxation is for seeking conditional permission to undertake admission for particular academic session. For example- the college having sixty-one to hundred seats intake capacity shall have minimum forty total faculties, out of which minimum nineteen Professors or Readers covering all fourteen Departments.
- Wherever additional Professors or Readers are available in the department, the additional Professor shall be considered against the requirement of Reader or Lecturer and additional Reader shall be considered against the requirement of Lecturer. For example- in a college with intake capacity from sixty-one to hundred under graduate seats, if there are three Professors or one Professor and two Readers or one Professor, one Reader and one Lecturer against the requirement of one Professor, one Reader and one Lecturer in the Department of Rachana Sharir, the college is fulfilling the requirement of faculty in this department and there is no shortcoming of faculty in this department.

SCHEDULE-VI

SCHEDULE-VII

[See regulation 3, regulation 6, regulation 7, regulation 10 and regulation 11]

(A). DETAILS OF EQUIPMENT AND INSTRUMENTS REQUIRED FOR PHYSIOLOGY LABORATORY

S. No.	Equipment and Instruments	Up to Sixty intake capacity	Sixty-one to Hundred intake capacity
Essential			
1.	Microscopes with oil immersion	Thirty	Fifty
2.	Westergen's pipette for ESR	Sixty	Hundred
3.	Haematocrit Tube	Sixty	Hundred

4.	Sahli's Haemoglobinometer	Sixty	Hundred
5.	Haemocytometer	Sixty	Hundred
6.	Electrocardiograph	One	One
7.	Stop watches	Sixty	Hundred
8.	Water Distillation still	One	One
9.	Balances	One	One
10.	Centrifuge with speed control	Three	Six
11.	Colorimeter (photoelectric)	Three	Six
12.	pH meter Electric	One	One
13.	pH comparator with disc	One	One
14.	Sphygmomanometer	Thirty	Fifty
15.	Stethoscopes	Sixty	Hundred
16.	Clinical Thermometer	Sixty	Hundred
17.	Knee Hammer	Sixty	Hundred
18.	Tuning forks	Sixty	Hundred
19.	Sterilizer	Five	Five
General			
20.	Refrigerator	One	One
21.	Newton's colour wheelIn a batch	One	One
Miscellaneous			
22.	Cover slips, glassware, Microslides	Assorted	

(B). DETAILS OF EQUIPMENT AND INSTRUMENTS REQUIRED FOR DISSECTION HALL

S. No.	Instruments and Equipments	Up to Sixty intake capacity	Sixty-one to Hundred intake capacity
Essential			
1.	Tank with a capacity to preserve 2-4 bodies.	Assorted	
2.	Machines for bones and brain sectioning	Assorted	
3.	Dissection Sets	Fifteen Sets	Twenty-five sets
4.	Dissecting Table		
a)	Full size with steel top or marble top stainless	Four	Six
b)	Half size with steel top or marble top stainless	Eight	Ten
General			
5.	X-ray viewing box or panels	Three	Three
Miscellaneous			
6.	Bone cutter of the number $\frac{3}{4}$, $\frac{1}{2}$, $\frac{1}{4}$, $\frac{1}{8}$ - fine pointed Chisel bone dissector	Assorted	
7.	Glass jars of different sizes	Assorted	
8.	Preservative Chemicals	Assorted	

(C). DETAILS OF EQUIPMENT AND INSTRUMENTS REQUIRED FOR RASASHASTRA AND BHAISHAJYA KALPANA LABORATORY

S.No.	Equipment and Instruments	Up to Sixty intake capacity	Sixty-one to Hundred intake capacity
Essential			
1.	Khalva Yantra-		
a)	Small	Ten	Twenty
b)	Medium	Ten	Twenty
c)	Porcelain	Ten	Twenty
d)	Taptakhalvyanttra	Two	Four
2.	Pounding Apparatus (Ulukhala Yantra)	Ten	Twenty
3.	Putas (Different kind)	Five	Ten
4.	Moosha (Crucibles)	Thirty	Fifty
5.	Koshti with Blower	Two	Four
6.	Yantras		
a)	Dola Yantra	One	One
b)	Valuka Yantra	One	One
c)	Pithara Yantra	One	One
d)	Bhudhara Yantra etc.	One	One
7.	Distillation Apparatus and Arka Yantra	Three	Six

8.	Kupipakva Bhatti	One	One
General			
9.	Wet Grinder	One	One
10.	Mixi	One	One
11.	Juice Extractor	One	One
12.	Refrigerator	One	One
13.	Almiras and Racks for storage	Assorted	
14.	Balance (Different Capacities)		
a)	Physical	One	One
b)	Chemical	One	One
c)	Electronic Balance	One	One
15.	Heating Device-		
a)	Gas Stove	Assorted	
b)	Hot plate	Assorted	
c)	Chulla (Charcoal)	Assorted	
16.	Big Vessels and Containers-		
a)	Brass	Assorted	
b)	Copper	Assorted	
c)	Steel etc.	Assorted	
d)	Earthen Vessels-Pots	Assorted	
Miscellaneous			
17.	Jars(Porcelain) Fermentation Purpose	Assorted	
18.	Enamel Trays	Assorted	
19.	Spirit Lamp	Assorted	
20.	Pressure Cooker	Assorted	
21.	Measuring Equipments Different Size (Glass)	Assorted	
22.	Pyrometer	Assorted	
23.	Thermo meter	Assorted	
24.	Vessels		
a)	Frying Pan	Assorted	
b)	Steel Vessel	Assorted	
c)	Spatula	Assorted	
d)	Ladles and Spoons	Assorted	
e)	Knife	Assorted	
f)	Plates	Assorted	
g)	Samdamsa Yantra(Tongs)	Assorted	
25.	Sieves (Assorted Nos. and Size)	Assorted

(H). DETAILS OF EQUIPMENT AND INSTRUMENTS REQUIRED FOR OUT PATIENT DEPARTMENT

S. No.	Name of Out Patient Department	Article required as per norms of CCIM	Required Quantity
1	Kayachikitsa		
		Essential	
		X-Ray View Box	One
		BP Apparatus	Two
		Stethoscope	Four
		Torch	Two
		Examination Table	One
		Thermometer	Four
		Tongue depressor	Five
		Weight and height measuring stand	One
		Measuring tape	One
		Knee Hammer	Two
		Miscellaneous	
		Gloves	Assorted
2	Shalya		
		Essential	
		X-Ray Viewing Box	One
		Stethoscope	Four
		Instruments for ano-rectal examination	Two sets
		Examination Table	One
		BP Apparatus	Two
		Thermometer	Four
		Torch	Assorted
		Cheatle forceps	Assorted
		General	
		Minor OT	Assorted
		Miscellaneous	
		Surgical Blades	Assorted
3	Shalakya		
		Essential	
		Tuning forks	Assorted
		Ophthalmoscope/ fundoscope	Two
		Auroscope	Two

		Examination Table	One
		X-Ray Viewing Box	One
		BP Apparatus	Two
		Stethoscope	Four
		Thermometer	Four
		ENT kit	Assorted
		Torch	Two
		Bull's lamp	One
4	Prasuti and Stri Roga		
Essential			
		Weighing machine	One
		Sims's speculum	Two
		Thermometer	Four
		Cusco's speculum	Two
		Examination Table	One
		Lamp stand	One
		Torch	Two
		X-Ray Viewing Box	One
		BP Apparatus	Two
		Stethoscope	Four
		Measuring tape	Two
5	Bal Roga		
Essential			
		Scale	One
		Weighing machine	One
		Torch	Two
		X-Ray View Box	One
		Thermometer	Four
		BP Apparatus with Pediatric cuff	Two
		Stethoscope	Assorted
		Examination Table	Assorted
6	Panchkarma	As per Kayachikitsa	
7	Yoga Section (Swasth Rakhshan)	Facilities available (Equipment, Instrument, Furniture etc)	Assorted
8	Emergency	Facilities available (Equipment, Instrument, Furniture etc)	Assorted

K. NATARAJAN, Registrar-cum-Secretary.
