(a) Unfair means shall include the following : (iii) (iv) (v) Making a false representation pertaining to the eligibility of the candidate to appear in the examination. Communicating or attempting to communicate with the Registrar of the University or any person of his office or Superintendent of examination, or with any paper-setter or examiner, with the object Of finding out the name and address of the paper-setter or examiner, or finding out the questions that have been set by the paper-setter or examiner, or with the object of influencing an examiner in the award of marks, or with the object of unduly influencing any one of them in discharge of his duties in connection with the examination; Talking to another candidate or any unauthorized person inside or outside the examination room during the examination hours without the permission of a member of the supervisory staff, before

handing over the answer-book to the invigilator Giving or receiving assistance in answering the question papers to or from any other candidate/person in the examination hall or outside during the examination hours. During examination time having the possession or access to: (a) (b) (c) (d) Any paper, book, note or any other unauthorized material which has relevance to the syllabus of the examination-paper concerned. Anything written on the inkpot cover, inkpot, scale, or any other instrument or any kind of furniture or any Other substance, which may IGve relevance to the syllabus of the examination-paper concerned. Anything written or signs made on the body Of the candidate, on his cloths/garments, handkerchief etc. which may have relevance to the syllabus of examination-paper concerned; Anything written or signs made on the admission card/question paper which have relevance to the syllabus of the examination-paper concerned. (vi) Swallowing or attempting to swallow, or destroying or attempting to destroy a note or paper or any other material, or running away with the material with the intension of destroying the evidence of using unfairmeans, or being guilty of causing disappearance or destruction of any such material either by himself or with the assistance of any other person; o. 24.3. (i) (ii) (vii) Smuggling a question-paper or an answer-book (main or supplementary) or pait thereof into the examination loom/Center or out of it; (viii) Replacing or getting replaced an answer-book (main or supplernentary) or part thereof during or after the exaniination. (ix) Impersonating any candidate or getting impersonated by any person for taking the examination; (x) Copying of a substantial parl of any worWmaterial without any acknowledgement by a •candidate in his dissertation/thesis/field • survey work; (xi) Tampering with records of an examination; (xii) Using any obscene or abusive language in his answer-book; (xiii) Cheating or attempting to cheat the University in any manner; and (xiv) Any act er omission, by or on behalf of the candidate connected with the examination, whether prior to or subsequent to such examination or the result thereof, which in the opinion of the BOM, is Unfairmeans. (b) Disorderly conduct: 1. The candidate in the Examination Hall of outside but within the campus of the Examination Center during the examination shall be under the disciplinary control of the Superintendent of the Center or his nominee and shall obey his instructions. Disorderly conduct includes: Disobeying the instructions of the Superintendent]Additional Superintendent/ Assistant Superintendent / Invigilator or any member of the Flying Squad; Threatening, intimidating or assaulting the Superintendent; Invigilator, any member of the Flying Squad or any other member of staff working at the examination center, of another candidate in connection with the examination before, during or after the examination hours; (iii) Misbehaving with the Superintendent, Invigilator or any member of the Flying Squad or any other member working at the examination center in connection with the examination before, during or after the examination hours; (iv) Leaving the examination room, before the expiry of half an hour after the commencement of the examination or leaving. the examination room without obtaining the permission of the Invigilator or without handing over the answer-book to the Invigilator or without signing the attendance sheet; (v) Tearing off or mutilating an answer-book (Main or Supplementary) or any part thereof; (vi) Disturbing or disrupting the conduct of examination or attempting to do so; (vii) Inciting or compelling any other candidate to leave the examination room or to disturb/disrupt/boycott the examination; (viii) Bringing into the Examination Hall/Center (a) any weapon or (b) any other material objected to by the Invigilator/Center Superintendent or any other member of the Supervisory Staff; (ix) Appearing in the examination without being in possession Of the Admission Card unless permitted by the Center Superintendent; 7 150) (x) Refusing to be searched by the Invigilator/Center Superintendent/ any Other member of the Supervisory Staff/ any member Of the Flying Squad, or Obstructing or hindering such search in the Examination Hall, Verandah, tJrinaI etc. O. 24.4. Punishment: A candidate found guilty of unfairmeans or disorderly conduct at or in connection with an examination, shall at the discretion Of the BOM, be punished with one or more of the following. This may even be in addition to the punishment that may have been already awarded by the Principal/Center Superintendent. (i) Cancellation of the result of the paper in respect of which he is found to have been guilty; and/or (ii) Cancellation of the result of the examination for which he was a candidate; and/or (iii) Debarring the candidate from securing admission to a class and appearing at any ffture examinations of the University for a stated period; and/or (iv) Any other punishment deemed suitable by the BOM. O. 24. 5.Norms of Punishment: The norms for award of punishment are laid down: (a) If a candidate is found guilty of seeking admission to an examination by making a false representation pertaining his eligibility to appear at the examination, he shall be disqualified from appearing at any examination for a period of two to four years including the present examination. (b) Where a candidate is

found having in his possession or within his reach any material relevant to the syllabus of the examination paper concerned but has not copied from or used it: (i) If the behaviour of the candidate on being caught is satisfactory. If the behaviour of the (ii) candidate of being caught is unsatisfactory. Present examination shall be cancelled, provided that if the material found in possession of the candidate is of insignificant nature the punishment may be relaxed to the extent of cancellation of the examination of that particular paper (theory or practical as the case may be) and he/she will be treated as having obtained 'Zero' mark in that paper with all the consequences to follow. However, if the candidate so desires, he/she will be given the option of appearing in the subsequent whole examination by canceling the present examination as a whole. Present examination shall be cancelled and he shall be further debarred for one subsequent examination if the examination is held once a year, for two subsequent examinations if the examination is held twice a year. If a candidate uses resistance or violence against the Invigilator or any other person of Note: - examination duty, the punishment may be enhanced according to the gravity of the (c) Where a candidate is found to have copied from or used the material caught: (i) If the behaviour of the candidate on being caught is satisfactory. Present examination shall be cancelled and he shall be further debarred for one subsequent examination, if the examination is held once a year or two subsequent examinations if the behaviour of the candidate on being caught is unsatisfactory. 17, 2010 CARI"ination is held twice a year. provided that if found in possession of the candidate and/or the extent of coming done by the candidate is of insignificant nature, the same may be relaxed to the extent of cancelling the present examination only. examination shall be cancelled and he shall be further debarred from appearing at two subsequent examinations if the examination is held once a year or debarred from four subsequent examinations, if the examination is held twice a year. Ware: - (d) (e) (f) (g) 2. If the candidate uses resistance or violence against the Invigilator or any other person of examination duty or consistently refuses to obey the instructions of Superintendent, the above punishment may be enhanced according to the gravity of the offence. The phrase 'Present examination is cancelled in (4) (b) (i) and (4) (c) (i) and (ii) refers to cancellation of only theory papers and practicals (wherever held). However, if a candidate has offered dissertation/viva-voce/field work in lieu of any paper, the same will not be cancelled in case the examination is cancelled' If a candidate is found talking to another candidate or to any unauthorized person inside or outside the examination hall, during the examination hours without the permission of a member of the supervisory staff, his examination in that paper may be cancelled. If a candidate is found reading or possessing some incriminating material the syllabus of the paper in the Verandah, Ukinal etc. his examination in particular paper or his/her whole examination depending on the gravity of the offence. shall be cancelled. 11' a candidate leaves the examination hall; (i) Before the expiry of half an hour after the commencement of the examination; and/or (ii) Without obtaining the permission of the (iii) Without handing over the answer book to the invigilator; and/or (iv) Without signing the attendance sheet; his expulsion in the paper concerned may be If a candidate during the course of practical examination presents to the practical or Class work, or notebook, which does not belong to him, that particular examination shall be cancelled. If a candidate, (i) Leaves the examination hall without handing over his answer book to invigilator concerned and takes it away with him. or (ii) Tears it off, or otherwise disposes off his/her answer-books or any part thereof inside or outside the examination hall, or (iii) Incites/compels any other candidate to leave the examination hall to disturb, or disrupts the conduct of examination or indulges in any 15(22) 17, 2010 activity in the campus the Examination Center which is violative of the purpose of the examination, he shall be disqualified from appearing or passing in any University examination for one to three years including the present year of examination depending upon the nature and gravity of the offence. If a candidate on being caught by an invigilator, a member of the flying squad or any other authorized member of the supervisory staff, runs away from the examination hall along with the piece of paper or material in his/her possession or destroys any piece of paper believed to be of doubtful nature by the member of the supervisory either by swallowing/throwing it away, or by any other means, he/she shall be disqualified from appearing/passing in any University examination for a period two years including the present one. (i) If a candidate is found guilty of: (i) Smuggling an answer-book in whole or in part inside the examination hall, or (ii) Taking out or arranging to send outside the examination hall, an answer-book or question paper, in whole or in part, or (iii) Replacing his answer-book or getting it replaced in whole or in part during or after the examination, or (iv) Impersonating a candidate or being impersonated by any person, He/she shall be disqualified from appearing/passing in any University

examination for a period of two or three years including the present examination. Note: - A person other than the candidate assisting him/her in the above shall be liable to such action as may be decided by the Vice-Chancellor/ BOM. (k) If a candidate is found guilty of disobeying the instructions of the Invigilator/ Center Superintendent (or any other person authorized by him/her) or if he/she occupies a seat other than that allowed to him/her without permission of the proper authority, the examination of that particular paper may be cancelled. (l) If a candidate deliberately writes any other candidate's Roll Number on his answer book, he/she shall be disqualified from appearing/ passing any University examination for a period up to two years including the present examination. (m) When a candidate is found guilty of misconduct/ misbehaviour and/ or indiscipline in connection with the examination before, during or after the examination hours, inside or outside the examination center, the extent of punishment may vary from the cancellation of the present paper to disqualifying him/her from appearing/ passing in any University examination for a period up to three years including the present examination depending upon the nature and gravity of the offence. (n) If a candidate carries into the Examination Hall/ Center any weapon and does not hand-over the same to the invigilator or any other authorized member of the supervisory staff, he/she shall be disqualified from appearing/ passing in any University examination up to two years including the present one, depending upon the nature and gravity of the offence. 17. 2010 15(gg) (o) Where a paper or any other material connected with the examination or use of any other unfair means is found or detected even after the examination is over, the candidate concerned may be disqualified from appearing/passing in any University examination up to three years including the present one depending upon the nature and gravity of the offence. (p) Cases of use of unfair means or of disorderly conduct not covered under the above categories from (4) (a) to (4) (o) or those which, in the opinion of the Committee appointed by the BOM, deserve some other punishment, shall be decided by the BOM. (q) When a candidate is found guilty of disobeying the instructions of the Invigilator/Center Superintendent (or any other person authorized by him) or of deliberately changing his/her seat with another candidate or writing other candidate's Roll Number on his/her answer-book or of misconduct, indiscipline or misbehaviour including causing any kind of disturbance for other examinees in the examination hall or for indulging in any activity in the campus of the examination center which is violative of the sanctity and purpose of the examination, the Center Superintendent may turn him/her out of the center, cancel his/her day's examination and also further disqualify him/her from appearing at the examination in subsequent papers; provided further that in all such cases, the report of each case shall be sent to the University for approval. The BOM may, however, according to the gravity of the offence, further enhance the punishment. O. 24.6 Procedure for dealing with the cases of Unfair means and disorderly conduct: - The following shall be the procedure for dealing with the cases of candidates found using or suspected of using Unfair means or showing disorderly conduct in connection with the examinations: (iii) Where a candidate is suspected of using unfair means as defined above, the Invigilator of the Center, Superintendent or any other member of the supervisory staff including the flying squad shall search the candidate and/or his/her belongings. Where any written or printed material is found in his/her possession in consequence of the search, the Superintendent of the Examination Center shall refer the case to the officer appointed by the University for the purpose indicating the nature of unfair means used by the candidate. As soon as a candidate is suspected, found or reported to have resorted to unfair means and the Invigilator/Superintendent or any member of the Flying Squad feels satisfied that unfair means have been used, his answer-book shall be seized along with the material recovered and a fresh answer-book given to him/her to answer the questions of the question paper. The answer-books shall be marked as I and II respectively. The invigilator/member of the Flying Squad concerned shall generally give his report in writing in the form prescribed by the University. This report shall be brought to the notice of the candidate who shall normally be required to give his/her explanation in the above form and sign the material caught. This form duly completed along with the material recovered duly signed by the candidate, the invigilator, member or the 17. 15(24) Flying Squad and the Center Superintendent. (as far as possible) will be sent by Center Superintendent to the University (to the officer appointed by the University for the purpose by name) for consideration. If a candidate refuses to give his statement on the spot and/or refuses to sign the (iv) (v) (vi) material recovered or leaves the center without giving his statement or if the candidate is found guilty of showing disorderly conduct, his/her case will be reported by the Center Superintendent to the University. An intimation notice to this effect (preferably on the prescribed form), will be sent to the candidate under

registered cover calling upon him/her to show cause why action should not be taken against him,mer using unfairmeans or showing misconduct and asking him/her to submitiöurnish his/her explanation/reply, if any, directly to the Registrar of the University by regiscered post With a copy Of his reply endorsed to the Center Superintendent within fourteen days from the date of despatch of the intimation notice from the Center Superintendent. If the intimation notice due to any reason has not. been sent by the Center Supeaiwtendent, it wiJl be sent to the candidate by the University before finallydiiposing of the case. Where the Center Superintendent refers a case of use of unfair-means or disorderly conduct to the University, he/she shall record such evidencb as is available in support of the allegations made by the Invigilator/Member of the Flying Squad or any member of the supervisory staff and aner giving hismer own remarks, he/she shall send all the relevant material to the University for furt[ær action. -I he University will consult the Head Exqminer/Examiner or any Other expert appointed by the University, wherever necessary, and get his report on the prescribed form regarding the useofvnfaurneans. All cases of suspected nseof U&nneans or of disorder2y conduct reported by the Center Superintendent or by any other person concerned with the examination including the examiner shahid be consideted and decided by BOM. The BOM Ina)'. however, appoint Standing Committee(s) or authorise the Vice-Chancellor to appoint such Committee(s) io-exasnine lthe cases on its behalf ana give the recommendations ibr consideraliön and approval by the BOM. The Standing Committee may be divided into Sub-Committee(s) by the Convener to deal with suspected cases ofvnfairmeans and disorderly conduct. (viii) (a) The cases of suspected use •of unfairmeans or of disorderly conduct will be considered and decided by the committee in the candidate's absence on the basis of the reports of the Invigilator/Center Superintendent and the statement, if anY' made by the candidate or the reply statement, if •any, received from the candidate in reply to the notice issued to himmer by the Center Superintendent and/or by the University. No further representation or protest from the candidate will be entertained afterwards. (b) in case a candidate desires to be given a personal hearing and/or if the standing Committee thinks it necessary. it shall fix a date and time and-notify to the bv regiscered POSI (is) (x) (xi) hearing. Sending such a notice by registered post to the candidate at the address given by him/her in his examination application form shall be deemed to be a discharge of the University's liability for serving the notice. No adjournment of the meeting will ordinarily be granted to the candidate. Ifconsidered necessary the Committee may ask the Invigilator/ Superintendent or any other member of the Supervisory Staff to be present in the meeting at the time of holding the enquiry. On the date fixed for hearing which wilJ ordinarily be not less than 14 days from the date or despatch of the notice the Commiltce shaJJ meet at the notified place on the date and lime specified in the said notice for giving personal hearing to the person(s) concerned. The statementireply of the candidate Will be recorded by the Committee which may also seek an] record clarifications or further explanations, if necessary, from the Invigilator; Center Superintendent/ any other member of the supervisory staff, who may be present at the time of the enquiry. In no case shall the candidate be to be represented by a lawyer or any other person, Also no adjournment of the hearing will be granted to the candidate unless deemed necessary by the Committee. Further, it will not be obligatory for the University to furnish a copy of the incriminating material or any other material recovered from the possession of the candidate. However, the candidate will be shown the incriminating material at the time of hearing if he/she so desires. On the basis of the report(s)/statement(s) of Invigilator(s)/ Member(s) of the Flying Squad or the supervisory staff, the statement, if any, of the candidate, the remarks of the Center Superintendent and also' the statement recorded at the time of personal hearing, the Committee •Mll record its recommendations regarding the punishment to be awarded to the candidate. If the capdidäte is absent, the Committee may consider and decide the ease in his/her absngncg, If during thg course of enquiry, the Standing Committee, while examining particular case(s) comes to the conclusion that•the candidate(s) resorted tb copying from the answer-book(s) of any other candidate(s) or where the committee is of the opinion that such copying could not have been done without the connivance/ negligence of the Invigilator(s)/any other member(s) of the Supervisory staff, the Committee may recommend such disciplinary action as it deems fit again" thé invigilator(s) or the members of the Supervisory Staff after giving him/them an opportunity of personal hearing. (xii) The Committee may, for reasons to be recorded, also recommend to the Vice-Chancellor/BOM if any action is desired to be taken against an examiner or any member or the supervisory staff or any other person involved in a case of unfairmeans and disorderly conduct.' (xiii) The said report and recommendations of the Committee shall be placed before the BOM which shall be the final authority

to take such action as it may think necessary in each case, or before the Vice-Chancellor if authorized to do so on behalf of the BOM. 7 17! 2010 15(0) a mistake in the totaling of the marks, the scrutiny fee shall be refunded to the applicant.. (4) All the marked answer books for the various examinations Of the University will be destroyed/disposed off after the scrutiny/re-evaluation Of result of the examination concerned is over. 0.25.A (I) Re-evaluation of answer books shall be permissible not more than 50% of the theory papers in which a candidate actually appeared at an examination. Where the number of papers in which a candidate appeared at an examination happens to be an odd number, it will be increased by one for the purpose of rechecking 50% Of the papers. Note: Re-evaluation of answer books of that/those paper(s) shall also be permissible in which a candidate re-appears for improvement of performance. (2) Notwithstanding the provisions of clause (I) above, re-evaluation Of answer books shall not be permitted in respect Of the script of practical examinations, sessional/periodical tests, dissertation, thesis and viva-voce and all supplementary/attempt examinations, special examinations, part examinations, back papers and boycotted papers including M.D. Examination. Note: (i) 'Part Examination' means an examination at which a candidate appears in those subject(s)/Paper(s) only which he has yet to clear. (ii) 'Boycotted Papers' mean the papers in which a candidate having boycotted the examination earlier is allowed another chance to appear. (3) A candidate who wishes to apply for re-evaluation of his/her answer-book (s) should submit an application on the prescribed form obtainable on payment of prescribed fee together with the requisite fee to the Registrar before expiry of 15 days excluding the day on which the result was declared. If 15th day happens to be holiday, next working day shall be the last date. (4) An application received without requisite fee, or after the last date determined in clause (3) shall not be entertained. (S) The process of re-evaluation includes scrutiny of marks and re-checking of result and, therefore, it will not be necessary for a candidate applying for re-evaluation of his/her answer-book(s) to apply for scrutiny Of marks of the paper(s) for which he/she has applied for re-evaluation. But, if a candidate wants his/her marks of any other paper(s) also to be scrutinized, he/she shall apply for the same separately. In such a case if the marks of the candidate in any paper(s) are increased as a result of scrutiny, and thereafter, he/she does not want his/her answer-books to be re-evaluated, or he/she wants re-evaluation of some paper(s) other than the one for which he originally applied for, he/she will be permitted to withdraw his application for re-evaluation (in which case his/her fee will be refunded) or to amend the same provided his/her request to that effect is received by the University within 15 days of the date of despatch of the scrutiny result. 15(28) (6) The fee for re-evaluation of answer-books shall be as prescribed per paper Which will not be refunded, except when a candidate is allowed to withdraw his application as provided in clause (5) above. (7) Re-evaluation shall be done by an examiner to be appointed by the Vice-Chancellor from a panel recommended by the Committee for Selection of (8) Each answer-book shall be re-evaluated by one examiner only. (9) The Re-evaluation Rules are as under: If the re-evaluated marks received from 1st Re-evaluator i.e. 2nd (a) Examiner) are increased/decreased for more than 20% of the maximum marks, answer books are not sent to 2nd Re-evaluator i.e. 3 Examiner. In this case, average of the marks awarded by the Main Examiner and the Re-evaluator are taken as the marks obtained with at least 20 marks' as minimum and 50% of the marks in excess of 20/0 are added to the final award of the marks. (b) If the award of the second examiner (re-evaluator) is less than that of the first examiner upto the extent Of 5% of the maximum marks prescribed for the paper, the award of the first examiner shall stand. (c) In case the award of the second examiner (re-evaluator) is less than that of the first examiner and the decrease is more than 5% but not more than 20% of the maximum marks prescribed for the paper, the average of the two awards shall be taken as the marks of re-evaluation provided the result of the candidate is not affected adversely i.e. his division is not changed or he/she does not get supplementary instead of pass or he/she does not fail instead of supplementary or he/she does not fail in an individual paper/subject instead of pass. In such cases the marks shall be decreased to the extent that his/her result is not affected adversely. (d) If the award of the second examiner (re-evaluator) is less than that of the first examiner and the decrease in marks exceeds 20% of the maximum marks prescribed for the paper, 50% of the marks in excess of 20% will also be decreased subject to the provision mentioned above in sub-clause, (i)(b). (ii) The candidate who appears at the supplementary/attempt of main examination and also applies for re-evaluation in that/those paper(s) and if the result of re-evaluation is declared after appearance at the supplementary/attempt of main examination, In such a case the better performance may be taken into account if the candidate so wishes. 0.26 mark applied prov grace Expl 17, 2010 150 10. The candidate shall submit his original mark-sheet to

the University alongwith the application for re-evaluation failing which the application will not be entertained

11. The increase in marks obtained by a candidate as a result of re-evaluation shall not be taken into account for preparing the merit list of first IO candidates standing in order of merit at an examination

12. Remuneration for Re-evaluation The rate of remuneration for re-evaluating the answer-books of various examinations shall be double the rate of remuneration prescribed for evaluation of the answer-books such examination in the subject/paper concerned. Minimum charges for re-evaluation of answer-books will be as prescribed by the University. Postal expenses incurred by the examiner shall be reimbursed in full

13. If re-evaluation result is declared after supplementary examination and a candidate is declared passed in re-evaluation, he shall be entitled to get refund of supplementary examination fee excluding of form cost

14. Candidates desirous to apply for re-evaluation may treat their result as "No change" for submission of application forms for appearing at the ensuing examination, within due dates. In case their results change consequent upon re-evaluation the application forms submitted by them will be amended accordingly on request by the candidates

15. The answer-books shall not be subjected to any inspection or production before any external or internal authority except at the instance of the Vice-Chancellor.

Rules for Grace Marks 0.26-A In the case of compulsory subjects the marks of which are not counted for division, grace marks to the extent of 1 % of the aggregate marks prescribed for the subjects in which a candidate appears at an examination will be awarded in maximum upto two subjects only in which he fails, provided the candidate passes in all compulsory subjects in which he appears by the award of such grace marks. Grace marks shall not be awarded for practical examinations. These grace marks rules shall be applied in all U.G. courses and Diploma courses only.

Explanation: 1. If 1% of the aggregate marks out in fraction, the same be raised to the next whole number. For example, if the aggregate mark prescribed for an are 450, grace marks to the extent of 5 will be awarded to the candidate 2. A candidate who passes in a subject or in the aggregate of 40% grace marks will be deemed to have obtained the necessary minimum for a pass in that subject or in the aggregate and shown in the marks sheets to have passed by grace. Grace marks will not be added to the marks obtained by a candidate from the examiners for which the marks obtained by him from the examiners be subject to any deduction due to the award of grace marks in any other subject or aggregate.

2.2.2.2.17. 2010 15(31) Examination. No candidate who has not passed the First Ayurvedacharya Examination shall be allowed admission to the Second Ayurvedacharya class.

0.27-1): A candidate who, after passing the First Ayurvedacharya Examination of the University, has attended a regular course of study for three academic years prescribed for the Final Ayurvedacharya Examination and has passed the Second Ayurvedacharya Examination of the University earlier shall be eligible for admission to the Final Ayurvedacharya Examination.

conditions for admission, course contents and-scheme of examination etc. for other diplomas to be instituted by the University shall 'bC the same as prescribed by the University bodies from time to time. Grievance Rules 0.53 If any Of the questions in examination paper is found irrelevant to the syllabus concerned or any mistake of printing which cause altered perception then students will submit their grievance through an application to the Center Superintendent concerned, Center Superintendent will forward the same to the University within the period of 24 hours after particular examination of the subject. Delayed submission will not be considered by the University. Secrecy section will submit the same for evaluation and decision to a designated committee which will comprise the following members: (i) Dean of concerned Faculty, (ii) One member nominated by the Vice-Chancellor, (iii) One teacher of concerned subject, nominated by.the Vice-Chancellor. The committee will submit its decision thereon .to the Vice-Chancellor for approval. 0.54 (I) The answer-books shall not be subject to any inspection or production before any external of internal authority except at the instance Of the Registrar or the Vice-Chancellor. (11) The answer-books of the University examination shall not be subject. to production before any Court (Civil or Criminal) or before the candidate or any body else on his behalf or before any internal or external authority. 0.55 In a contingency arising from the loss or misplacement of one or more written answer- books before their evaluation beyond reasonable hope of retrieval, or from damage, destruction or mutilation of one or more answer-books making evaluation or checking thereof in whole or

in part impossible, the Vice-Chancellor may permit every candidate to appear for the examination. There shall be a Board of Examinations at the University level to advise on all matters related to University Examinations. The issues which cannot be resolved in Departmental Board or Examiners may also be referred to this Board. The Board will be empowered to take any such action which may be necessary for a fair and timely conduct of Exams. It will have the right to review the actions taken by the Departmental Boards or Examiners. The Board shall consist of the following members: 1) The Vice-Chancellor (Chairman) 2) Deans of Faculties 3) The Registrar 4) Controller of Examinations 5) A Committee for Selection of examiner: 1. 2. 3. 4

5. Examiners shall be appointed by the Board of Management on the recommendation of the Committee for the selection of examiners.

If any examiner is unable to act for any cause and fresh appointment cannot be made in time in the manner prescribed by Sub-section (1), the Vice-Chancellor shall have power to appoint another examiner to fill the vacancy and shall communicate such appointment to the Board of Management. The Board of Management shall not make any change in the recommendations made by the Committee with regard to the appointment of examiners except after recording specific reasons for any such change. The maximum number of answer-book allotted to any examiner in the University for annual/semester examination shall not exceed three hundred provided that in the case of supplementary examinations the maximum number shall not exceed two hundred. Panel of Examiners to be prepared by Board of Studies: (1) Each Board of Studies shall prepare a panel consisting of: - (i) All qualified internal examiners, and (ii) As many external examiners, as may be needed for conducting examinations of the University for a period of five years, in all the papers of the subject in all examinations conducted by the University. (2) No person shall be qualified for appointment as an examiner, internal or external, in a subject for any examination unless he: - (a) has taught the subject for at least three years up to the standard of the examination and possesses five years teaching experience in that subject; or (b) has had five years experience as a practitioner/researcher/ examiner, in the subject, of the standard of the examination concerned. Explanation-Teaching or examining experience in any Indian University established by law shall be counted for the purpose of this sub-statute. 6. 7. 17, ZQI_O (3) The panel shall ordinarily be revised every year and such of the persons in previous panel have not got a chance of acting as examiners during the five years shall be given preference over in the revised panels. (4) - This panel shall be approved by the concerned Faculty before being used for appointment of Examiners: - (1) The Committee for the selection of examiners in each subject or a group of allied subjects shall consist of: - (i) The Vice-Chancellor; (ii) The Dean or the Faculty concerned; (iii) The Convener of the Board of Studies concerned; and (iv) One member other than the Convener of the Board of Studies concerned to be elected by the Board every year. (2) If a near relation of any of the persons mentioned at I(ii), I(iii) and I(iv) is appearing in the same examination for which this committee is formed, he shall be replaced by a Senior Professor of the concerned subject nominated by the Vice-Chancellor. If a near relation of the Vice-Chancellor is appearing at the same examination, the Vice-Chancellor shall abstain from the meeting for the examination and the committee shall then consist only of those persons mentioned at I(ii), I(iii) & I(iv). The senior most of them shall be the chairman of the committee. Appointment of Paper Setters/ Examiners (1) Out of three names, suggested by Committee, the Vice-Chancellor shall select three names in each paper, from whom the papers are to be got set. Out of the three manuscripts of question papers so received, any one shall be chosen by Vice-Chancellor/Controller of Examinations for printing. (2) If any examiner is unable to act for any cause and fresh appointment cannot be made in time in the manner prescribed by sub-section (1), the three persons in the short list shall be appointed. If he/she also refuses, the Vice-Chancellor shall have power to appoint another examiner to fill the vacancy, out of the panel. (3) While selecting three names of the paper setter, out of names provided by committee, following category of person shall be excluded: (a) (b) A person has acted as an examiner continuously for three years, there shall be a gap of at least one year before he is again appointed as an examiner. However, this condition may be relaxed in case of internal examiners. When more examiners are needed after exhausting the panel of all eligible internal persons: Provided that out of the persons who have acted in any one paper as co-examiners, only one-half shall be replaced for the next year. Not more than one person from the same college or institution shall be appointed as an examiner in a particular paper for a particular examination: (c) (d) 17, 2010 Provided that this condition shall not be relaxed where necessary in case of post-graduate examinations. No person who is himself appearing in any written examination of the University

shall be appointed for any examination of the University in the year in which he is so appearing. When any such person is appointed as an examiner in any year, he shall forthwith inform the Registrar/Controller of Examinations whether he intends so to appear. No person shall be appointed as a paper-setter in any subject for an examination at which or his near relations intend to appear in that year. Every paper-setter shall, as soon as his appointment has been made, communicate to the Registrar/Controller of Examinations if any such relation intends so to appear. (4) The Vice-Chancellor may, on the recommendation of the Committee for the Selection of Examiners, after recording its reasons in writing, waive the provisions of sub-rule (3) in exceptional cases. Explanation- In the Statutes, "examiner" includes "co-examiner" except in so far as there is anything repugnant in the subject or context. S. Appointment of Examiners for Practicals :- (2) (3) (4) (5) The practical examination in a subject in any standard shall be conducted by a Board of Examiners consisting of one internal and one external examiner. The external examiner shall be a subject expert, not on the pay-roll of the institution/college, for which he is appointed to conduct the examination. The Selection Committee shall suggest three names out of the Panel of Examiners, prepared by Board of Studies, in each subject, in each standard for each college. The internal examiner shall be one amongst the staff members posted in the college/institution and who is actually teaching the practical classes in the year concerned. The University shall procure such a list from each college/institution and make it available to the committee for selection of paper setters. The committee shall select two names for each subject in each college out of this list who can be appointed as internal examiner for the year concerned. The Board of one internal and one external examiner shall be, then, constituted by the Vice-Chancellor; or by the Registrar/Controller of Examinations on the directions of the Vice-Chancellor. One external examiner can be assigned more than one colleges for conducting Practical examination in one subject. But, the internal examiner has to be one of the staff members of the college. Thus, an external examiner can be common in Boards for more than one college. However, the total number of candidates to be examined by one examiner should not be more than 150. Appointment of Co-Examiners in Theory Examinations: - (1) The books to be assessed by the paper setter, whose paper has been provided to candidates for the examination. the number of examinees appearing in one paper is more than 200 examiners shall be appointed. (2) The co-examiners shall be appointed by the Vice-Chancellor of Examiners in the following order of preference. (a) Persons from whom question paper was got set but not used. (b) Fourth person in the short listed panel, for Theory Examination. (c) Any person whose name appears in the panel, prepared by the Board of studies. (3) Normally 200 answer books shall be allotted to each co-examiner. I O. General: o. (1) (2) (3) If after exhausting the short listed panel, more examiners are needed, internal person possessing a total teaching experience of 3 years, of subject concerned may also be appointed as a co-examiner for theory examination for practicals for under graduate examination or for Diploma. If no teacher possessing the requisite minimum teaching experience is available in an institution, a teacher possessing even less than three years experience may be appointed as an internal examiner for practical tests on the recommendation of the Principal concerned. Any person who is debarred from being an examiner in any subject in the University shall ipso-facto cease to be associated with the process of appointment of examiners. Functions of Examination Board: 0.58-B 0.6 (a) Registrar/Controller of Examinations as per directions of the Vice-Chancellor select the Printing Press where papers will be printed maintaining utmost secrecy (b) The Board will supervise appointment of Examination centers, arrangements and 0.6 Invigilators and Center Superintendents and ensure that examination is conducted properly. (c) Flying squads will be appointed from among the teachers/officers of the University • o. 63 Colleges or retired teachers to ensure that the centers are conducting the exams in accordance with the directions and the students/teachers are not engaged in any practice like 0.59 (i) (ii) (iii) (iv) 17. 2010 MERIT CERTIFICATES Merit Certificate: shall be issued to 3 candidates standing in order of merit at an examination of the University and the candidates bracketed with the third candidate, if any, irrespective of the division obtained by them. Merit Certificates shall be issued for all examinations except for certificate and diploma examinations of less than three years duration. No fee shall be charged for issue of Merit certificates. A duplicate copy of the Merit certificate shall be issued on payment of a fee as prescribed. Appointment of Examiners O. 60 (a) (b) (c) (d) All work relating to examinations, tests and evaluation (such as paper setting, assessment, invigilation, superintendence, viva-voce, practical, tabulation, checking and inspection etc.) with or without payment of remuneration shall be deemed to be a part of normal duty of every teacher in the University or in an affiliated college/approved institution. The

maximum remuneration for evaluation of answer books, tabulation and checking of results payable to a person, for examinations held in an academic year (beginning from the day on which the University opens after summer vacation and ending on the last day of the next summer vacation) shall not exceed Rs. 20,000/-. If the total remuneration payable exceeds the above limit the excesses amount shall be retained by/refunded to the University. Any person who is debarred from being an examiner in any subject in the University shall ipso-facto cease to be associated with the process of the appointment of examiners.

Remuneration to Examiners 0.61 The remuneration admissible to the examiners in connection with various examinations shall be paid as per remuneration approved and notified by the University.

BOARD OF SPORTS AND STUDENTS WELFARE o. 62 sec. 21 and S. 20

THE HEALTH AND RESIDENCE BOARD O. 63 The Health and Residence Board shall consist of : 1. The Vice- Chancellor 2. The Registrar

1509) .17. 2010 is expelled from a hostel shall vacate the hostel within the time allowed to him for the purpose. After three years the maximum extension of registration could be granted to him/her up to two years (extension by one year every time). After that a teacher will be required to apply for re-registration, which will be of two-year duration. In case a teacher does not submit his/her thesis within the above mentioned period he/she will not be permitted to submit the thesis on the same subject and will require to apply for fresh registration on a changed topic. In case of other research scholar the minimum time for submission of thesis will be two years, after that an extension up to two years (extension by one year every time), could be granted to him on request. After the lapse of the two years, the candidate will have to apply for re-registration. If he/she fails to submit the thesis even after six years he/she will not be allowed to submit the thesis on the same subject. 17 2010 15 95 Every accepted research scholar can also avail the facility admissible to a teacher from the date he attains Status as a teacher and accounting for period already spent as Research Scholar. Provided that in special circumstances the permission to submit the thesis after the lapse of above period may be granted by the Vice-Chancellor on the recommendations of the supervisor explaining the reasons for non-submission of thesis within the stipulated period. Provided further that when a student has been registered as a candidate for the degree of Ph.D. in another University and has worked on the approved subject for not less than a year from the date of admission he/she may be permitted by the Vice-Chancellor on the recommendation of the supervisor or the Head of the University department concerned to register himself/herself as a research student of the University and to submit his/her thesis after the expiry of the remaining period, if he/she continues to work under the guidance of the same supervisor of an affiliated college or of a University department since his/her original admission and that the subject is not changed, provided that if the candidate is working under the guidance of a supervisor of the other University, he/she is approved by the Vice-Chancellor: O. 86 The maximum number of students, which a supervisor can take for research work under his supervision at a time, shall be as follows: (a) Professor (12) (b) Associate Professor/Reader (09) (c) Assistant Professor/Lecturers (05) Explanation: The Principal of Affiliated College should provide the necessary research facilities to a supervisor who has accepted research students for guidance. O. 87 Every person who joins a University Teaching Department for research shall pay the prescribed tuition fee per month. It shall be payable regularly till the candidate submits his/her thesis to the University. Explanation: A 'No Dues' certificate duly signed by the Head of the Department, Director of Libraries/ Hostel Warden concerned, shall be required to be submitted along with the thesis. Similarly, in the case of a candidate working under the guidance of a supervisor of an Affiliated College, the 'No Dues Certificate' from the Principal of the college shall be required to be submitted along with the thesis. O. 88 (a) The candidate shall pursue his research at the Head quarter of the supervisor, the period of residence being not less than 100 days in each-year from the date of commencement of research. A portion of the period of residence may, for the sake or special guidance or facilities or collection of research material of field study be here, as directed supervisor. 15(96) (b) (c) (d) 0.89 (a) (c) (ii) 17 2010 The candidate may incorporate in his thesis, contents of any of his published and he shall state this in unambiguous terms in the relevant part of the thesis. If the supervisor considers that the knowledge of a particular language is necessary for doing research, the candidate shall not be permitted to submit the thesis unless normally no candidate registered for PhD, degree shall be allowed to take up any other University Examination. However, in exceptional cases in the interest research the Vice-Chancellor may grant such permission on

the recommendation of the supervisor and the Head of the Department concerned. A detailed progress report in prescribed format will be called for by the supervisor in every six months and record to this effect will be maintained by him and submit the same to the Vice-Chancellor alongwith the comments. He will also serve a notice to the candidate after three years that period of one year only is left for submitting the thesis. The supervisor shall submit a report to the Vice-Chancellor on the progress of the work of a foreign scholar or a scholar hailing out of the state of Rajasthan & out of India once every year. A candidate ordinarily shall not be permitted to change his subject during the course of his study. (f, however, an occasion arises due to technical difficulties the Vice-Chancellor may on the recommendation of Departmental Research Committee, permit any modification of the subject. The supervisor shall notify to the University that the thesis is ready for submission. He shall make sure that the thesis is presentable in all its aspects and shall forward three copies of the brief summary of the thesis to the University. The candidate shall submit his thesis within six months of this notification by the supervisor and only in extraordinary cases shall the Vice-Chancellor extend the time. The thesis when received shall be referred for evaluation to the supervisor and two external examiners who will be appointed in the following manner: O. 91 The supervisor of the candidate will suggest a panel of eight names of external persons (including adequate details regarding designation, address and major work in the field of study of the scholar concerned) competent to evaluate the thesis. The panel will be submitted to the Vice-Chancellor who will appoint two external examiners out of this panel. If necessary he may call for additional names for the panel from the supervisor. The supervisor shall give a certificate to the effect that the names suggested in the panel are not close relatives of the supervisors. O. 92 1. (i) After the thesis is complete the candidate shall supply four printed or typewritten copies of the thesis in the prescribed order. 17 2010 15 97 The colour of the cover of thesis to be submitted in various Faculties shall be as follows: n) Faculty Of Ayurveda b) Faculty of Homoeopathy Chocolate Cream (ii) The thesis should be in Hindi or English or Sanskrit. (iii) The supervisor shall furnish a certificate indicating that the thesis contains substantial original work of the candidate. 2. A critical edition of translation of a work approved specially for the purpose by the Research Board at the time of registration, when accompanied by an adequate introduction and a commentary of a scholarly nature, may also be considered for award of Ph.D. degree provided that the other requirements are fulfilled. Provided: a. b. Preparation of catalogues of manuscripts, texts, inscriptions and documents etc. accompanied by critical introduction, apparatus exegetical explanatory and linguistic notes and the translation necessary and such other works may also be permitted for study according to the plan approved by the Research Board provided that the other requirements are fulfilled. A candidate who in addition to the conditions laid down in the Ordinances may also submit a thesis based on the work in one or more of the following three categories: (i) The candidate has constructed equipment capable of research grade measurements. (ii) The candidate has designed and constructed equipment, which provides an innovative approach to the teaching and understanding of the fundamental principles relating to a class of phenomena. (iii) The candidate has designed, developed and fabricated equipment and/or developed a process, which contributes to the Industrial, technological self-reliance of the country. The candidate shall present a survey of literature in the field concerned and make a critical study of the topic showing a comprehensive knowledge of the current status and direction of the field. The candidate shall also present a detailed critical report of experiments that he/she has carried out with the equipment developed. 0.93 (a) The thesis shall comply with the following conditions to merit the award for the Ph.D. degree: It should be a piece of research work characterized either by the finding of i) new facts or by a fresh approach towards interpretation of facts and theories, 17 2010 ii) It should reflect the candidate's capacity for critical examination and judgment. iii) It should be satisfactory in its literary presentation. (b) The examiners shall be requested to send their reports on the thesis normally within two month of the receipt of the same by them. (c) i. A Viva-Voce examination (to be conducted by one external examiner and the supervisor) shall be held in all cases which shall be open to the Dean of the Faculty concerned, the teachers of the subject concerned in the University department and the affiliated colleges and the Research scholars in the Department concerned who all may attend Viva-voce examination as observers at their own expenses. The observers shall not be entitled to ask any question. ii. If the original examiners are not available for viva-voce; other person(s) from (d) (f) (g) within the country may be appointed by the Vice-Chancellor. The examiner shall send their reports independently to the Registrar, by name marked "Confidential". If in the first instance, all the examiners evaluating the thesis as well as those conducting

the viva-voce examination, recommend the award of degree to the candidate, the degree shall be awarded. If the majority of the examiners recommend rejection of the thesis, the thesis shall be rejected. In case of divergence of opinion among the three examiners not covered under clause (f) above, the following procedure shall be followed:- i: If two examiners have accepted the thesis, while the third has asked for its revision the extracts of reports of the external examiners be referred to the supervisor of the candidate and his opinion be obtained whether he would like to get the thesis revised by the candidate or would recommend the appointment of a fourth examiner, opinion of the fourth examiner shall be final. ii. If two examiners have accepted the thesis and the third has rejected it, the thesis shall be sent for evaluation to a fourth examiner and his opinion shall be final. iii. If one of the three examiners has accepted the thesis, another has rejected it, while the third has asked for its revision, the thesis shall be rejected. When the thesis is rejected under such circumstances, the candidate can get himself registered afresh on the same subject. iv. If the candidate fails to satisfy the viva-voce examiners or if there be divergence of opinion between the viva-voce examiners, the candidate may be allowed to appear at a second viva-voce examination, on payment of a prescribed fee to be held not later than one year from the date of first viva-voce. If at the second viva-voce examination the candidate fails to satisfy the examiners his/her thesis shall be finally rejected. 17. 2010 O. 94 If a candidate 15(99) is permitted to improve and re-submit his/her thesis, he/she shall be required to submit it not earlier than six months and not later than twelve months from the date of such permission along with the required fee. The thesis so re-submitted shall be sent to the same panel of examiners including the fourth examiner, if any, who evaluated the original one. for adjudication, unless they or any one of them express(es) inability to adjudicate. The Vice-Chancellor shall, in such contingency appoint another external examiner or examiners as the case may be from the panel suggested by the supervisor. The revised thesis shall be accepted if at least three examiners recommend its acceptance. Explanation: A candidate shall not be allowed to re-submit his thesis more than once. O. 95 The reports of the examiners (including those of the viva-voce) shall be placed before the Board of Management for, acceptance or rejection, as the case may be of the thesis. The report of the examiners including viva-voce may be accepted by the Vice-Chancellor on behalf of the Board of Management which shall be reported by him to the Board of Management for confirmation.
