Act irrigation (Levy of Betterment Contribution) \$5 I[TAMIL NADU ACT No. 111 0B 1959. [THB I[TAMIL NADU] IRRIGATION (LEVY OF BETTERMENT CONTRIBUTION) ACT, 1955.] (Received the assent of the Governor on the 4th March 1955 ; first published in the Fort St. George Gazette* on the 16th March 1955.) An Act to provide for the levy of betterment contribution on certain lands in the State of Tamil Nadu.] WHEREAS it is expedient to Provide for the levy of betterment contribution on certain lands in the State of Tamil Nadu ; BE it enacted in the Sixth Year of the Republic of India as follows . 1. (1) This Act may be called the Tamil Nadu Irrigation (Levy of Betterment Contribution) Act, 1955 and extent, (2) It extends to the whole of the State of Tamil Nadu.] These words were substituted for the word "Madras" by the Tamil Nadu Adaptation of Laws Order, 1969, as amended by the Tamil Nadu Adaptation of Amendment) Order, 1969, a For Statement of Objects and Reasons, see Fort St. George Gazette, Part IV-A, dated the May 1954, pages 170-171. This Act was extended to the added territories by section 3 Of, and the First Schedule to, the Tamil Nadu (Added Territories) Extension of Laws Act, 1962 (Tamil Nadu Act 14 of 1962) repealing the corresponding law in force in those territories. This Act was extended to the Kanyakumari district and the Shencottah taluk of the Tirunelveli district by section 28 of the Tamil Nadu (Transfer of Settlement Act, Tamil Nadu Act 30 of 1964) repealing the corresponding law in that territory. 8 This was substituted for the expression "State of Madras" by the Tamil Nadu Adaptation of Laws Order, 1969, as amended by the Tamil Nadu Laws (Sommat) Order, 1969. 356 It rigatit (Levy of [1955 : Betterment Contribution) Definitions 2, In this Act, unless there is anything the subject or context— T.N. Act •nuonant in (1) - contribution means the betterment contribution referred to in sections 4A and 4-B ; (2) 'drainage work' includes (a) channels, whether natural or artificial for the discharge of waste or surplus water and all works connected with or auxiliary to such channels (b) escape channels from an irrigation works • (C) dams, Weir 9 embankments, sluices and groynes ; (d) all works for the protection of lands from floods or from erosion, which are owned or controlled by the Government, or which are maintained by them otherwise than by an assignment of land or land revenue made, confirmed, recognized by the Government, or which, having been constructed by the Government or being maintained by an assignment of land or land revenue as aforesaid, have not been made over to any person, but does not include works for the removal of sewage ; 'execution' in relation to a notified work means the construction, expansion or alteration of the notified work (3) 'Government' means the State Government ; 'improved old ayacut' in relation to any notified work means all lands which are significantly benefited by the execution of the notified work but does not include the ayacut of any existing irrigation or drainage work which has been merely repaired or restored to its original state after decay or injury. 1 These words, figures and letters were substituted for the words and figures "in section 3" by section 2 of the Tamil Nadu Irrigation (Levy of Betterment Contribution) Amendment 1963 (Tamil Nadu Act 32 of 1963), a This clause was inserted by section 2 (ii), ibid, 3 This clause was inserted by section (2) (iii), ibid. 1955 : T.N. Act J Irrigation (Levy of Betterment Contribution) 357 Explanation It—For the purposes of this clause, lands shall be deemed to be significantly benefited by the execution of a notified work if such lands— (a) having been under single crop irrigation or double crop irrigation from a Government source 'of irrigation before the notified work continue to be under such irrigation and are (provided with a more adequate supply or better assured "supply, of, water for irrigation as a result of the notified work, or (b) having been liable to non-beneficial submersion or stagnation of

water before the execution of the notified work, have been substantially relieved; submersion or stagnation as a result of the execution of the notified work : Provided that no lands shall be deemed to be significantly benefited if the more adequate supply of water for irrigation referred to in clause (a) of this explanation or the substantial relief: submersion or stagnation referred to in clause (b) of this explanation is as a result of more repairs or restoration of the existing irrigation or drainage work to its original state after decay or injury. Explanation II.—For the purposes of Explanation I, the question whether any land— (1) is provided with a more adequate supply or better assured supply of water for irrigation shall be decided with regard to— (i) the raising of the irrigation source concerned to a higher settlement classification ; (ii) supply of larger volume of water or supply of water for a longer duration ; and (iii) such other like matters as may be prescribed by rules made by the Government in this behalf. (2) has been substantially relieved of the non-beneficial submersion or stagnation of water shall be decided with regard to— (i) the improvement of the land on account of the protection from submersion or stagnation or on account of the reduction in the period of submersion or stagnation; and (ii) such other like matters as may be prescribed by rules made by the Government in this behalf, 358 1955 : Act 111 Irrigation (Levy of Betterment Contribution) Explanation III.—A land shall be deemed to be significantly benefited notwithstanding that the benefit is not enjoyed, provided that such non-enjoyment is due solely to action or inaction on the part of the person or persons interested in such land ; (4) 'irrigation work' includes— (a) all canals, channels, tanks, wells, reservoirs, ponds, spring ponds and madugus used for the supply or storage of water, and all works, embankments and structures (other than escape channels) connected therewith or auxiliary thereto, which are owned or controlled by the Government, or which are maintained by them otherwise than by an order of land or land revenue made, confirmed or by the Government, or which, having been constructed by the Government or being maintained by an assignment of land or land revenue as aforesaid, have not been made over to any person ; (b) all such lakes and other natural collections of water or parts thereof as are situated on lands which are the property of Government (c) all rivers and natural streams or parts thereof; (5) 'land holder' in relation to any land means the person liable to pay the public revenue due on the land ; Provided that in respect of any land comprised in the holding of a kanamdar or a customary verumpattamdar in the territory to which the Malabar Tenancy Act, 1929 (Nadu) Act XIV of 1930) the kanamdar or the customary verumpattamdar, as the case may be, shall be deemed to be the land holder in respect of such land 'new ayacut' in relation to any notified work means all lands which benefited by the execution of the notified work. 1 This proviso was substituted for the original : of, and the Schedule to, the Madras Adaptation Order, 1957. 2 These words were substituted for the word 'Madras' by the Tamil Nadu Adaptation of Laws Order, 1969, as amended by the Tamil Nadu Adaptation of Laws (Second Amendment) Order, 1969. 8 This clause was inserted by section 2 (iv) of the Tamil Nadu Irrigation (Levy of Betterment Contribution) Act* 1963 (Tamil Nadu Act 32 of 1955 : T.N. Act 111) Irrigation (Levy of Betterment Contribution) 359 Explanation I.—For the purpose of this clause, lands shall be deemed to be benefited by the execution of a notified work if such lands— (a) having been left waste or under unirrigated cultivation before the execution of the notified work have been brought under irrigation subsequently with water supplied from a Government source of irrigation as a result of the execution of the notified (b) having been under single crop irrigation before the execution of the notified work have been brought under double crop irrigation subsequently with water supplied from a Government source of irrigation as a result of the execution of the notified work. Explanation land shall be deemed to be benefited notwithstanding that the benefit is not enjoyed, provided that such non-enjoyment is due solely to action or inaction on the part of the person or persons interested in such land (6) 'notification' means a notification published in the Fort St. George Gazette ; 'notified work' means any irrigation or drainage work executed on or after the 1st January 1947 and notified by the Collector of the district in the District Gazette (7) 'Prescribed' means prescribed by rules made under this Act ; 1 This clause was inserted by section 2 (v) of the Tamil Nadu Irrigation (Levy of Betterment Contribution) Amendment Act, (1963 (Tamil Nadu Act 32 of 1963). This clause was omitted by section 2 (vi), ibid, Now the Tamil Nadu Goyemmerit Gage Act, 360 Irrigation (Levy of [1955 : Act m Betterment Contribution) 1[3. (1) Any "new ayacut in every notified work may be, ayacut zones be classified into one or more of the following zones, namely (i) wet zone (ii) intermediary zone ; or (iii) irrigated dry zone, (2) A wet zone shall comprise all the lands for which the water supplied as a result of the execution of a notified work will be ordinarily sufficient for one wet crop in a fasli Year. (3) An intermediary zone shall comprise all the

lands for which the water supplied as a result of the of a notified work will be occasionally sufficient for one wet crop and will be ordinarily sufficient for one irrigated dry crop in a fasli year. (4) An irrigated dry zone shall comprise all the lands for which the water supplied as a result of the execution of a notified work will be ordinarily sufficient for one irrigated dry crop in fasli year wet crop in any fasli Blocks under 1 4. (1) Every wet zone, every intermediary zone or ayacut zone, every irrigated dry zone may consist of Block A, B, C or D as classified below, namely (a) Block A shall consist of contiguous lands of wet taram 1, 2, 3 or 4; (b) Block B shall consist of lands of wet taram 5 ; a Sections 3, 4, 4-A 4 b , 4-D and 4-E were substituted for original sections 3 and 4 by section 3 of the Tamil Nadu Irrigation (Levy of Betterment Amendment Act 1953 (Tamil Nadu Act 32 of 1963), 1955: T.N. Act 111] Irrigation (Levy of Betterment Contribution) 361% (c) Block 'C' shall consist of contiguous lands of wet taram 6 ; (d) Block 'D' shall consist of contiguous lands of wet taram 7 and above. (2) Dry lands shall be classified according to the corresponding wet taram rates. 4-A. The Government shall be entitled to levy a Levy of betterment contribution from the landholder on every acquisition on lands in acre of land in any new ayacut in accordance with the rates the new ayacut. specified in the schedule : Provided that no betterment contribution shall be levied on any land in any new ayacut under a notified work, the cost of which does not exceed one lakh and fifty thousand rupees. 1 4-D. (1) The Government shall be entitled to levy Levy of betterment contribution from the landholder on every acquisition on lands in acre of land in any improved old ayacut in accordance with the provisions of this section : old ayacut. Provided that no betterment contribution shall be levied on any land in any improved old ayacut under a notified work, the cost of which does not exceed one lakh and fifty thousand rupees. (2) The net expenditure on the notified work shall be ascertained by deducting from the gross expenditure on such work twenty times the annual increase in revenue, if any, from all the lands comprised in the improved old ayacut and in the new ayacut. The net expenditure as so ascertained shall be apportioned in the prescribed manner on all lands comprised in the improved old ayacut. Sections 3, 4, 4-A, 4-B* 4-C, 4-D and 4-E were substituted for original sections, 3 and 4 by section 3 of the Tamil Nadu Irrigation Act, 1963 (Tamil Nadu Act 32 of 1963). 362 [1955 : Irrigation (Levy of Betterment Contribution) Explanation I.—The expression 'annual increase in revenue' in the case of lands other than those specified in Explanation II— (a) means the increase in ryotwari assessment and the increase in water-cess ascertained in the prescribed manner where such increase is as a result of the execution of the notified work ; and (b) includes the additional assessment or additional water-cess, if any, under the 11 Tamil Nadu] Additional Assessment and Additional Water-cess (1[Tamil Nadu] Act 8 of 1963), as ascertained in the prescribed manner. Explanation II—The expression 'annual increase in revenue'— (i) in the case of estates abolished under the 11 Tamil Nadu] Estates (Abolition and Conversion into Ryotwari) Act, 1948 (1[Tamil Nadu] Act XXV of 1948), the difference between the land revenue under section 23 of that Act and the rate of assessment imposed at a ryotwari settlement effected under section 22 of that Act, ascertained in the prescribed manner ; (ii) in the case of an inam estate abolished under the 11 Tamil Nadu] Inam Estates (Abolition and Conversion into Ryotwari) Act, 1963, the difference between the land revenue under section 21 of that Act and the rate of assessment imposed at a ryotwari settlement effected under section 20 of that Act, ascertained in the prescribed manner ' in the case of a minor inam abolished under the 11 Tamil Nadu] Minor Inams (Abolition and Conversion into Ryotwari) Act, 1963, the difference between the land revenue under section 12 of that Act and the rate of assessment imposed at a ryotwari settlement effected under section 16 of that Act, ascertained in the manner ; and 1 Those words were substituted for the word "Madras" by the Tamil Nadu Adaptation of Laws Order, 1969, as amended by the Tamil Nadu Adaptation of Laws Amendment) Order, 1969, 1955} T.N. Act 111 | Irrigation (Levy of 363 Betterment - Contribution) (iv) in the case of a leasehold village abolished under the 11[Tamil Nadu] Lease-holds (Abolition and Conversion into 1963, the difference between the land revenue under section 15 of that Act and the rate of assessment imposed at a ryotwari settlement effected under section 14 of that Act, ascertained in the prescribed manner : Provided that. (i) the land revenue referred to in clauses (i) to (iv) is less than the rate of ryotwari assessment referred to in these clauses and has been determined before the of the notified work ; (ii) the notified work was executed after the abolition of the estate, inam estate, minor inam or leasehold village, as the case may be, and before effecting the ryotwari settlement referred to in clause (i), (iii) or. (iv) as the case may be; and (b) includes the additional assessment or additional water-cess, if any, under the 11[Tamil Nadu] Additional Assessment

and Additional Water-cess Act* 1963 Nadu] Act 8 of 1963), ascertained in the prescribed manner. (3) The betterment contribution shall, subject to of fifty rupees , per acre, be one-third of • net expenditure acre of land appertained under section (2)' 24-Ci (1) Any omcer of the •Revenue Department Exclusion of not löwer in rank than a Revenue Divisional Oncer certain lands specially authorized by the Government in this behälf from ayacut in certain cases.. (herein after referred to as the authorized omcer) may,, from time to time postpone, the inclusion of any land , in the ayacut of a notified work for such period. as he may, by order in writing specify, on the ground that such land requires expensive lowering of the level or on such other ground as may be prescribed. Those words were substituted for tho •word "Madras" by the Tamil Nadu Adaptation of Laws Order, amended bytho Tamil Nadu Adaptation of Laws (Second Amendment) Order, 1969. 2 Sptions 3, 4, 4-A, 40B, 4-C, 4-D and 4-E were substituted for original sections 3 and 4 by section 3 or the Tamil Nadu Irrigation (Levy of Betterment 'Contribution) Amendment Act, 1963 (Tami; N4du 32)63), 364 Irrigat:on (Levy Of Betterment (!ontributor (1935: T.N. Act LI Explanation.—For the purposes of this sub-section, 'expensive lowering of the level' means any reclamation involving expe aditure exceeding one aundred rupees per acre. (2) Where tho period specified in any order under sub-section (1) expires,. the land referred to in (1) shall be deemed to bo included in the ayacut afore- said and the Government shall be entitled to levy contri- bution under this Act on such land with effect from the fasli in which such land shall be deemed to be included in the ayacut under this sub-section. (3) Wbere any land in the ayacut of a notified work is not fit fm irrigation on the date of such inclusion for such reasons as may be prescribed and is subsequently brought under irrigation, the Government shall ba entitled to levy contribution linder this Act on such land with effect from the fasli in which the land ig so brought under irrigation. 14-D. Every authorized omcar shall levy betterment Authorized officer ta levy contribution under tbs Act in respect of any land situated betterment cone within his jurisdiction : tribution. Proviuv,,l that whore the ayacut of a notified work lies within the jurisdiction of more than ono authorized offcer,, the Government may, by general or special order, specify the omcer who should levy betterment contri- bution in respect Q? lands in such ayacut. 1 4-E (1) Against any decision of the authorized Appeal. offcor with respect to the levy of bettement conftribution under this Act. an appeal shall lie to the prescribed authority and such authority may make such order in the case as it may think fit. (2) Any decision of the authorized omcep with respect to the lew of contribution under this Act shall, subject to the right of appeal. provided in sub-section(1), be final, shall be binding on all parsons having interest in the land and shall rot be liable to be questioned in a court of law.] 1 Sections 3, 4, 4-A, 40B, 4-C, 4-D and 4-E were substituted for original sections 3 a •ld 4 by section 3 of the Tamil Nadu Irrigation (Lew of Bettermen Contribution) Amenedmont Act, 1963 (Tqmil Nadu Act 32 of 1963), 1955 Irrigation (Levy of Betterment Contribution) 365 Contribution payable under this Act in respect of Contribution any land, shall be deemed to be public revenue due upon recoverable the said land; and the land, its products and the %uildings of land as arrear (owned and by the landholder) standing upon revenue, the land shall be regarded as •tha fsecurity of the contri- bution, When the whole or portion •of an instalment of the contribution payable in any year is not paid on the due date, the amount of the instalment or its unpaid portion shall be to be an arrear of land revenue and the provisions of the .1LTamil Nadu] Revenue Re- covary Act, 1864 0[TamilNadu] Act 11 of 1864), and of the Madras.
